2. An online learning system called ALEKS.

**WHAT IS ALEKS?** It is an online, self-paced learning system that reviews 55 financial accounting topics important to your passing BUS1 121A. Completion takes between 15 and 30 hours for most students and may be done in multiple sessions.

If you are a declared Accounting, AIS, or Corporate Accounting and Finance student, have completed the concentration survey, and are taking ALEKS for the first time, you will receive a no-cost code for enrolling in ALEKS by July 2. All other students who want to take ALEKS and enroll in BUS1 121A will need to pay a \$30 fee when registering for ALEKS.

After finishing ALEKS, you will receive a second survey for selecting an open section of BUS1 121A and then will receive an add code. Add codes are provided on a **FIRST COME FIRST SERVE** basis. Please note that we cannot guarantee a seat in BUS1 121A for undeclared students or for declared students who complete ALEKS late in the summer.
