The following road map is an advising tool that outlines a path of courses a student can take to complete requirements for graduation. This roadmap should be used in consultation with the catalog and your department to identify additional requirements for completing the major (for example course grade minimums). Students must have 60+ units in order to take SJSU Studies courses.
NOTES:
Recommend MATH 30W and MATH 31W during Fall and Spring-Year 1 (respectively);
*Indicates GE classes that can be taken any semester prior to Spring Year 3
** MATH 131A, 132, or 142 in Fall Year 3 can be replaced with MATH 179 in Spring Year 2
***Upper Division Support Course is an upper division course from Math, Computer Science, Science, or Engineering. It can be MATH 203 or a similar applied mathematics project. It must be approved by the Department of Mathematics and Statistics.
