# **San Jose State University Alumni Association**

## **Santa Cruz Area Chapter**

### **Founded 1985**

#### **•Purpose•**

We endeavor to raise the level of community awareness of SJSU and its contributions – past, present and future.

This group provides an opportunity for alumni and friends of the university to meet for social, cultural, educational and fundraising occasions.

#### **•Goals•**

We will continue to create a forum whereby alumni living in the Santa Cruz area may continue to support SJSU, and to join and participate in the activities of the Santa Cruz Chapter. By making scholarships available for deserving and capable Santa Cruz area high school and Cabrillo College students, we encourage them to attend SJSU.

#### **•Objectives•**

Our organization works to promote the programs of SJSU in the Santa Cruz Area and to work with local schools in providing scholarships for their students.
