Course Description
Catalog Description: Concepts and principles of lighting using both daylight and incandescent light sources and the use of standard studio lighting equipment.

Introduction to Studio Lighting is a beginning studio course. The emphasis of this course will be to learn to see and utilize light in an effective manner that can be applied to all applications of photography. Professional equipment will include - digital cameras, digital
capture software, hand-held meters, and a variety of studio hot (continuous) lights and their accessories. This class will expose students to professional studio practices, advanced color theory, color management, and engage them in creative problem solving while learning effective aesthetic and technical concerns of visual perception and communication.

**Course Learning Outcomes (CLO)**

The course will be taught through invigorating (!) lectures, lively demonstrations, studio-shooting assignments, and informative critiques in which all are expected to participate. You will learn to effectively see how light and shadow, shape and inform. As you proceed into this semester, take the time to thoroughly observe light in intimate spaces and public environments, at all times of the day and night and under all weather conditions. Notice how the mood of the person, place, or object change as the light changes. In the studio you will learn to recreate ‘natural’ light and manipulate light and shadow to express your ideas.

Upon successful completion of this course, students will be able to:

1. **CLO1** Effectively see how light and shadow, shape and inform.
2. **CLO2** To recreate ‘natural’ light by successfully learning the qualities of studio lighting equipment and to manipulate light and shadow to express emotion, content, and ideas.
3. **CLO3** Use a variety of software including remote capture.
4. **CLO4** Establish an effective workflow and master color management.
5. **CLO5** Use Lightroom to capture, edit, organize, and enhance images.
6. **CLO6** Use retouching techniques specific to each assignment and to go beyond traditional lighting by using layers of multiple images to create one image.
7. **CLO7** Use Photoshop more effectively to create a final professional image in post-production.
8. **CLO8** Effectively describe, discuss, and write about what constitutes a strong commercial image.
9. **CLO9** Create layouts for publications.
10. **CLO10** Work as a team player as most assignments are accomplished with the assistance of a partner.
11. **CLO11** Recognize leaders in the field of commercial photography and their ‘style’.

**Required Texts/Readings**

SJSU Photo Lab Manual  
PHOTO 121 Reader: available at the SJSU Print Shop.

**Technology Requirements / Equipment / Materials**

**Laptop Computer:** PC or MAC  
**Software:** Photoshop CC2019 and Light Room 2019

1. You MUST have your own laptop computer to take this course. Macs are strongly suggested and
with all things computer- the newer the more compatible.

2. Software- Adobe Lightroom and Photoshop: Do not purchase this, Adobe offers software while a student at SJSU.

3. A USB thumb drive with a large memory.

Classroom Protocol

This course is taught as a professional practices course and professional attitudes toward the work ethic and courtesy toward all is expected. All work will be due at the BEGINNING of class on critique days. Do not be late for class, three late days and your grade will be reduced by one letter grade. Do not miss a deadline or fail to professionally present your assignments or your grade will be reduced by one letter grade. Each day your assignment is late it will drop a letter grade.

Laptop use will be abundant for taking notes and for working in post process on your photographs. Students are expected to be actively engaged during all class meetings, therefore, cell phones, smart phones, or other devices that detract from full attention should turned off or silenced.

Professional courtesy is expected.

Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at http://www.sjsu.edu/senate/docs/S12-3.pdf.

Photo 121 Reader

The reader contains everything you will need for this course. Refer to the reader for all assignments, readings, due dates, critique information, scheduled exams, etc. The attached schedule will have all due dates.

NOTE that University policy F69-24 at http://www.sjsu.edu/senate/docs/F69-24.pdf states that “Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading.”
Department Advising

For information about majors and minors in Art & Art History, for change of major/minor forms and a list of advisors: [http://www.sjsu.edu/art/](http://www.sjsu.edu/art/) or the Art & Art History department office in ART 116, 408-924-4320, art@sjsu.edu

Grading Policy

The work created in class will be evaluated based on the following criteria.

A: Outstanding: thoughtful and intelligent ideas presented in a clear, organized, and engaging manner; among the very best.

B: Above Average - Good: the ideas are interesting and successfully presented; shows potential, but not necessarily distinctive; roughly equal in quality to the majority of work completed by other students.

C: Average - mediocre: achieves minimum requirements of the assignment, but not particularly clear, nor ambitious. Quality of work is below that of most other projects submitted. May be above average idea presented in incomplete state.

D: Unsatisfactory: does not satisfy the minimum requirements of the assignment; generally unsatisfactory in terms of quality and clarity.

F: You didn't submit an assignment.

*With communication before a deadline, late work may be accepted, otherwise for every day that the work is late one letter grade will be deducted.

University Policies
Per University Policy S16-9, university-wide policy information relevant to all courses, such as academic integrity, accommodations, etc. will be available on Office of Graduate and Undergraduate Programs’ Syllabus Information web page at http://www.sjsu.edu/gup/syllabusinfo/.”

Dropping and Adding
Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Refer to the current semester’s Catalog Policies section at http://info.sjsu.edu/static/catalog/policies.html. Add/drop deadlines can be found on the current academic year calendars document on the Academic Calendars webpage at http://www.sjsu.edu/provost/services/academic_calendars/. The Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Students should be aware of the current deadlines and penalties for dropping classes. Information about the latest changes and news is available at the Advising Hub at http://www.sjsu.edu/advising/.

Consent for Recording of Class and Public Sharing of Instructor Material
University Policy S12-7, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor’s permission to record the course and the following items to be included in the syllabus:

- “Common courtesy and professional behavior dictate that you notify someone when you are recording him/her. You must obtain the instructor’s permission to make audio or video recordings in this class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; you have not been given any rights to reproduce or distribute the material.”
  - It is suggested that the greensheet include the instructor’s process for granting permission, whether in writing or orally and whether for the whole semester or on a class by class basis.
  - In classes where active participation of students or guests may be on the recording, permission of those students or guests should be obtained as well.
- “Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without his/her approval. You may not publicly share or upload instructor generated material for this course such as exam questions, lecture notes, or homework solutions without instructor consent.”

Student Technology Resources
Computer labs for student use are available in the Academic Success Center at http://www.sjsu.edu/at/asc/ located on the 1st floor of Clark Hall and in the Associated Students Lab on the 2nd floor of the Student Union. Additional computer labs may be available in your department/college. Computers are also available in the Martin Luther King Library. A wide variety of audio-visual equipment is available for student checkout from Media Services located in IRC 112. These items include DV and HD digital camcorders; digital still cameras;
video, slide and overhead projectors; DVD, CD, and audiotape players; sound systems, wireless microphones, projection screens and monitors.

**Major/Minor Degrees in Photography**

For change of major/minor forms and a list of advisors: [http://www.sjsu.edu/art/](http://www.sjsu.edu/art/) or the Art & Art History department office in ART 116, 408-924-4320, art@sjsu.edu

Dates for BFA in Photography submissions will be announced during the first month of classes.

**Hazardous Materials (HAZMAT)**

All studio classes that use any “hazardous materials” should include one graded assignment that helps students understand HAZMAT regulations and develop consistently safe practices—this might be as simple as a labeling assignment. Note that food containers cannot be used for chemical storage and that common household items (bleach, vinegar, etc.) are deemed hazardous materials and must be stored appropriately. The campus EHS (Environmental Health & Safety) office and the County will schedule inspections with increasing frequency; fines assessed by the County are now high enough to put us out of business, so this is a serious matter. The techs are NOT responsible for cleaning up facilities and classrooms and offices—this is your responsibility. If you need information or help, please let us know. Additional note: clutter is deemed a hazard, and we can be fined for clutter.

**SJSU Counseling Services**

The SJSU Counseling Services is located on the corner of 7th Street and San Fernando Street, in Room 201, Administration Building. Professional psychologists, social workers, and counselors are available to provide consultations on issues of student mental health, campus climate or psychological and academic issues on an individual, couple, or group basis. To schedule an appointment or learn more information, visit Counseling Services website at [http://www.sjsu.edu/counseling](http://www.sjsu.edu/counseling).

**Additional Contact Information**

* E-mail is generally the best method of contact during non-office hours.
* Please allow 48-hours for an e-mail response.
* Emergency: 911
* Campus Escort: 42222
* Individuals with disabilities may contact the Disability Resource Center (DRC), Administrative Building 110, 408/924-6000, for a variety of formats such as Braille, large print, sign interpreters, assistive listening devices, audio tape and accommodations for physical accessibility.
