Accessing Videos on Videoshare

This document describes how to view and comment on videos using SJSU Videoshare.

Steps:

1. **Login to** [www.videoshare.sjsu.edu](http://www.videoshare.sjsu.edu)

2. **Enter your SJSU ID and your SJSUOne password at the SSO Login page.**
3. Once you login, you will see your homepage which would look similar to the one shown below:

4. Your homepage will show your latest activity under “Status updates and messages”. The “Videos” section shows videos that are private to you, the videos that you have uploaded, videos that you have marked as favorites and so on.
5. Clicking on a video will open up the video page similar to the one shown below.

6. To the right of the video player, you can see the info section (highlighted in red) where you can find details and tags for the video.

7. Below the video player, you can find the comments section (highlighted in blue). Here you can enter comments by typing in the text box. You can view comments made by other users by clicking on the “Timeline Comments” tab.
