Videoshare Quick Guide

Videoshare Login

Below are instructions for accessing your Videoshare account:

Videoshare Login URL: https://videoshare.sjsu.edu

1. On the left side of the screen, click on Sign In.

2. A new screen will then redirect you, to provide your SJSUOne login information. Enter this information and click Login.

SJSUOne Shibboleth Login
Videoshare Home Layout

The **Home** page of Videoshare contains a banner with headings across the top. This includes the following: Videos, My Account, and My Preferences. The home page displays both the **videos** that are featured and public.

**Videos**

The **featured videos** appear at the top of the home page. Below these videos, are public videos. This includes links to training videos. To view a video, click on the video itself.
Viewing a Video

After clicking on a video, a new page will open. On the left side of the screen is the video. Click play and pause to view and review the video.

Adding Comments

Below the video, is a space (highlighted in blue) where commentary can be added. Comments can be added in general. Comments can also be added at specific points during the video. To do this, scroll the video to the point where a comment should be entered. Next, type in a comment and click “Add Comment”.

Video Information

On the right side of the screen (highlighted in red), information about the video can be viewed. This includes a description and tags. The second tab displays the video’s transcript. Below this information is an Author tab, which displays the author’s name as well as a link to subscribe to the author’s videos. Finally, on the lower right side of the screen related videos, if there are any, will display.
My Account
The My Account heading opens a page where the videos that belong to the user display and can accessed. This is where course videos will appear.

My Preferences
The My Preferences heading opens a page where the preferred language can be selected from a dropdown menu.
