# Advising Road Map

## Major Academic Planner/ 4-Year Roadmap

### Major: B.S. Aviation

### Option: Professional Flight

### Total Units to Degree: 120

*The following roadmap is an advising tool that outlines a path to complete requirements for graduation. This roadmap should be used in consultation with the catalog and the department advisor to identify additional requirements for completing the major (e.g., course grade minimums).*

### NOTES

*course meets a core GE requirement (student must complete Reflection on College Writing for Engl 1A)

**course meets a SJSU Studies (UDGE) requirement

***Minor in Business: Student can elect BUS 140 and BUS 142 to obtain business minor - exceeds 120 units see advisor
The Bachelor of Science in Aviation Program with option in Professional Flight is designed to prepare graduates with in-depth knowledge and hands-on experience for careers such as Corporate Pilot, Commercial Airline Pilot, and Certified Flight Instructor (CFI).
