EXTREMELY IMPORTANT INFORMATION

- Fees are subject to change without prior notice.
- Course fees vary according to classes enrolled.
- All fees are mandatory.
- Bills will be sent to Sponsors after the add/drop period.
- Students pursuing their second bachelor's degree will be charged as a graduate student.
- Non-resident students pay the amount above **plus** \$372 per unit.
- **NEW: MBA students pay the amount above plus \$220.00 per unit.**
- If the invoice for the student's registration fees is still outstanding at sixty-one days, we will place a hold on the student's account. This will block services provided to the student such as future registration access, transcripts, and graduation processing.
- We will not honor future authorizations from the agency until the invoice has been paid.
- At ninety-one days, if the invoice is still outstanding, we may transfer the charges from the Third Party Sponsor account to the student's account and pursue collection from the student, and if necessary, take disenrollment action. We regret taking this action, but we can no longer carry receivables beyond the current term.
- If a wire transfer is the selected method of payment, please contact Long Nguyen at long.nguyen@sjsu.edu , or by phone at 408-924-1609, or by fax at 408-924-2275. Do **not** send a wire transfer if you are not able to notify and provide to Long Nguyen the necessary information, i.e., the names and ID numbers of the students. Without this information, it is not possible to apply the payment, which will delay the process and may be the cause of enrollment cancellation.
- The Bursar's Office is paperless. Effective Fall 2003, Billing Statements are no longer mailed to students. We have publicized this in our communication media but will appreciate your assistance with communicating this to your students also. Students can log in @ www.my.sjsu.edu to view their accounts.
