We are expecting significant interest in this event. Registration does not reserve a seat. Please arrive at least 10 minutes prior to the start of the event. Note that students will be seated on a first come first serve basis.

During this workshop you will learn strategies to help you find a job or internship in the US.

- Discover tools to help you find a job or internship on-campus or off
- Learn strategies for overcoming cultural barriers in the US job search
- Be inspired to proactively build your professional network
- Design a U.S style resume

This workshop was offered Fall 2017. If you have attended the Fall 2017 workshop, you do not need to attend this event.

**STRATEGIES FOR LANDING A JOB OR INTERNSHIP IN THE US:**
