Petition for Modification of the International Experience Requirement

Students who have substantial international experience ***within 5 years*** of entering San Jose State University may petition the College for a modification of the international experience requirement. Examples of substantial international experience may include (but are not limited to): international service in the Peace Corps or other volunteer organization, extended military service abroad, and work experience abroad. ***Students whose modification petition is approved will register for a one-unit online seminar course (APSC 198ITL) where they will engage in reflection and analysis of their international experience.***
