CLASSROOM PROTOCOL EXPECTATIONS AND REGULATIONS

Examinations are expected to be taken on the dates indicated on the class schedule. Make-up exams are administered ONLY in case of emergencies with permission of the professor. Permission to take make-up exams will be granted ONLY when requests are accompanied by medical or other legal documentation. All excused exam make-ups will be given at the discretion of the professor, and with approval from the professor. Please e-mail the professor if unable to take the exam and follow information above. All examinations must be completed in INK unless otherwise directed by the professor. Blue books and scantron forms may also be required.

Assignments are due on the due date In Class (These assignments are NOT to be simply placed in the professor’s box on the day of class). If assignments are not turned in during the class, they are LATE. Please email the professor as soon as possible to say that the assignment will be late. A late assignment will also have to be approved by the professor with written documentation, otherwise the assignment will receive 0 points - if it is not approved by professor and simply left in the office. An “approved “ late assignment will have an automatic 5 point
**deduction.** If an assignment is approved to be turned in late (as agreed by the professor), the student will turn in the assignment into the office and have the time and date stamped on the assignment and initialed by an office staff member. The assignment is not to be placed in the professor’s box by the student. If an assignment is late but approved, the student must attach a cover sheet which states the **Class number, day, and time** that the class meets on the cover sheet with attached written documentation of approval, as well as be stamped and initialed by CD&S staff member in SH 115. A staff member will put the assignment in my box. Do **NOT** leave any assignments under the office door of the professor.

If unable to present during a panel/group **oral presentation** and if excused by the professor, a **20 point deduction** will be given (no make-ups will be given for the oral presentation). Please note, oral presentations require following an appropriate dressing code, and points will be deducted as per rubric scores. The dress code consists of wearing attire that would be worn during a job interview (i.e. business-like).

If unable to present any other oral presentation, and if excused by the professor, a **5 point deduction** will be given, otherwise 0 points will be given.

All **written assignments** are to be turned in as printed hard copies (not hand written). No emailed assignments will be accepted.

It is your responsibility to **attend class** as most of the test material is from class presentations. The textbook is to provide supplemental information and clarification of the information presented in class. The textbook chapter should be read before the class presentation on a particular topic. Class assignments are also explained in more detail in class, so be sure to get notes from students if you have to miss a class. Also, please check with your classmates about assignments if you were unable to attend any class for clarification of information before emailing the professor on information presented in class. You can ask the professor questions about class material and assignments in class. If you email the professor about a class assignment or a question, please be aware that the professor has 24 hours before required to respond to your question during the week, and is not required to respond over the weekend, as per union rules. Responses received earlier are a courtesy from the professor.

Please note when class begins and when class ends. Coming late or leaving early needs to be approved by the professor. If you have to be late for class, or have to leave early please let the professor know. Also, please be respectful to students in the class and the professor if you come late or leave early, as to not disrupt the speaker/presenter. **On exam dates you cannot come in late!** Once the directions are given and exam is passed out, you will not be able to take the exam. If you have a medical or other emergency you must notify the professor and present the appropriate documentation for re-scheduling the exam.
**Quizzes/in-class** assignments are at the discretion of the professor. They may be at the beginning or end of a class. A total of 50 points over the semester may comprise of the quizzes/in-class assignments. No make-ups or substitutions will be allowed for missed quizzes.

**Questions** about a grade received on a test or assignment can be discussed by making an appointment with the professor. Exam disagreements and grade discrepancies will NOT be discussed in class (this includes before, after, or during break).

**Break**-time will be at the discretion of the professor. At that time, students can check their cell phones, use the facilities, eat a snack, and return at the time the class is to reconvene. If for some reason you have a condition where you are required to leave the classroom during the lectures/presentations please let the professor know.

There will be **NO EATING** during class time. You can eat before class, during break, or after class.

**Cell phones** are not allowed to be used during class-time. Please turn off cell phones during class time.

**Computers** are to be used **ONLY** to take notes or look at class discussion slides, so not to disturb other students in the class that are taking notes and listening to the lecture.

**No extra credit options are offered in this class.**

Please remember to have contacted the **AEC** if you require special accommodations for the class, and please let the professor know by meeting with the professor to discuss your options, so to better accommodate your needs.
