*If you have prior experience in an undergraduate clinic (i.e.: EDSP 177, EDAU 177 or equivalent), EDSP 276 is required to be taken in Fall Year 1.

** In Fall Year 1 and Spring Year 1, you will choose to take either EDSP 277 **OR** EDAU 277. However, you may only take EDAU 277 one time. Therefore, you have the option to take EDSP 277 twice and EDAU 277 once, OR you may simply take EDSP 277 three times. The three options for EDSP 277 are Adult Autism Group, Adult Brain Injury and Child/Non-Brain Injury. Please see your advisor for questions regarding your EDSP 277 course selection. Please keep in mind that although we will make every effort to accommodate your clinic requests, final clinic placement decisions rest with the clinic coordinator.
