

Welcome to the admissions page for the Department of Communicative Disorders and Sciences

**PLEASE READ THROUGH THE ENTIRE [FAQ PAGE](#) PRIOR TO CALLING THE OFFICE TO ENSURE THAT YOUR QUESTION AND ANSWER IS NOT ALREADY LISTED THERE IN ORDER TO AVOID BEING REDIRECTED TO THE WEBSITE.**

The Department of Communicative Disorders and Sciences welcomes you to apply to our graduate program. Our department only accepts applications for Fall admission; the next application deadline is **Tuesday, January 15, 2013** for the Fall 2013 class.

In order for your application to be accepted and reviewed, please follow the steps EXACTLY as listed below. Please take the time to read the entire list of instructions. For additional answers to your questions regarding the application process, the program, or extended master students, please see the [FAQ Page](#). The information listed there is both accurate and current.

#### **INFORMATION FOR EXTENDED MASTERS PROGRAM APPLICANTS:**

If you are a graduate student who does not have a Bachelor's Degree in Communicative Disorders and Sciences, you will apply to our M.A. program, but will be considered an Extended Masters Program student upon acceptance into the program. If you are accepted you will be required to take thirty-three credits of pre-requisite coursework as part of your program. For complete information on the Extended Master's Program, please see the [Extended Master's Degree Program](#) page.

**EXTENDED MASTER APPLICANTS** (for students who have their undergraduate degree in a field other than CD&S): There are two components to the application process and **BOTH** must be completed in order for your application materials to be reviewed by the admission committee. Please note that the deadline for both components is **Tuesday, January 15, 2013**. The document deadline is **Wednesday, January 30, 2013**. This simply means that your application needs to be formally submitted to both CSUMentor and CSDCAS by 1/15/13, but you have until 1/30/13 for them to receive any letters of recommendation and/or transcripts.

#### **COMPONENT 1: UNIVERSITY REQUIREMENTS**

This step is required to create a San José State University record of your application to the program. If you are not entered into the university database, your [CSDCAS](#) application from "Component 2" will not be eligible for application review.

To apply to San José State University:

- Click on the following link: [CSUMentor](#)
- Select that you want to apply to San José State University. You will be taken to a page that asks for the following information:
  - **Term Applying For:** Select: Fall 2013
  - **Major Program Objective:** Select: Education-Speech Pathology
  - **Degree Objective:** Select: M.A. (select this even though you are applying as an EM)
  - **Educational Credential Objective:** Select: Not Interested in a Credential Program
- You **must** provide a statement of purpose and it must be **completely different than that of the essay** that you are required to submit on [CSDCAS](#), regardless of whether or not [CSUMentor](#) says you can "copy and paste" your essay. Your statement of purpose should serve more as a formal letter of intent, explaining your intentions and commitment for pursuing higher education at SJSU.
- You **must** submit an official transcript to *SJSU's* Office of Graduate Applications and Program Evaluation ([GAPE](#)), for **\*every** college/university/community college that you have previously attended (even if you only took one course). Please make sure you leave yourself enough time to have your previous universities send the transcripts to get to SJSU weeks before the deadline. Please note that as long as your CSUMentor application is submitted online by **Tuesday, January 15, 2013**, GAPE will accept receipt of transcripts up until **Wednesday, January 30, 2013**. If they do not receive your transcripts by 1/30/2013, your application will automatically go inactive with no further consideration or extension granted.

**DO NOT SEND YOUR TRANSCRIPTS TO THE DEPARTMENT; IF YOU DO, YOUR APPLICATION WILL BE AUTOMATICALLY DENIED. PLEASE ONLY SEND THEM TO THE ADDRESS LISTED BELOW IN ORDER TO COMPLETE COMPONENT 1.**

*\*Have each university or community college that you have attended send one set of transcripts directly from their office to: (SJSU will not accept student issued transcripts, regardless if they are sealed or not)*

*Graduate Admissions & Program Evaluations*

*San Jose State University*

*One Washington Square*

*San Jose, CA 95192-0017*

PLEASE DO NOT SUBMIT YOUR TRANSCRIPT REQUEST WITHOUT THE FORM THAT YOU WILL RECEIVE FROM GAPE IN ORDER TO ENSURE EFFICIENT PROCESSING.

## **COMPONENT 2: DEPARTMENT REQUIREMENTS:**

The department of Communicative Disorders and Sciences participates in the Communication Sciences and Disorders Centralized Application System ([CSDCAS](#)). [CSDCAS](#) was created to provide applicants an opportunity to submit their materials electronically, thereby enabling applicants to submit a single application, have their transcripts reviewed and verified, their letters of recommendation stored electronically, and their essay submitted on-line. If the applicant so chooses, he or she can designate multiple universities as recipients of their application with a single click of their mouse. More importantly, this system ensures that materials will never be lost, misplaced, or left to the vagaries of the postal system. To access the [CSDCAS](#) Portal, please use the following link: <https://portal.csdcas.org/>

## **THE CSDCAS DEADLINE IS ALSO TUESDAY, JANUARY 15, 2013**

The [CSDCAS](#) deadline is when an applicant must e-submit their online application ONLY. If you do not submit your online application to [CSDCAS](#) by the **Tuesday, January 15, 2013** deadline, you will not be able to apply to the program and you will not be considered for admission, *even if you have already submitted the [CSUMentor](#) application on time.*

If you electronically apply by **Tuesday, January 15, 2013**, by 5:00pm PST, [CSDCAS](#) will accept transcripts and letters of recommendation up until **Wednesday, January 30, 2013**. They will also distribute your application to the department for review when your file is complete. If any materials are still missing after the 1/30/13 deadline, your file will automatically deactivate and you will not have any chance of being reviewed, no exceptions.

**In order for you to complete your [CSDCAS](#) application, you will need to follow all the steps as outlined on the [CSDCAS](#) website.**

## **SUBMITTING TRANSCRIPTS THROUGH CSDCAS**

As with [GAPE](#), you must request to have an official set of all your transcripts submitted to [CSDCAS](#) for processing. Similarly, [CSDCAS](#) accepts official transcripts directly sent from the registrar's office ONLY. Unofficial, student-issued, and hand-carried transcripts are NOT ACCEPTABLE. From each college, university or community college, please have the REGISTRAR'S OFFICE send an official transcript to the following address (even if you only took one course, or even if the course was taken while you were in high school):

**CSDCAS Verification Department  
P.O. Box 9113  
Watertown, MA 02471**

Please allow 2 weeks for processing, as it takes [CSDCAS](#) 7-14 days to process your transcripts once they receive them. All transcripts need to be processed (verified) by the document deadline, or else your application will not be reviewed.

## **ESSAY SUBMISSION THROUGH CSDCAS**

The CD&S department at San José State University requires all applicants to submit an essay with their [CSDCAS](#) application. The essay needs to be submitted by the **Tuesday, January 15, 2013** deadline. The [CSDCAS](#) application will instruct applicants to go to the SJSU CD&S department website (here) for our specific essay question. The essay question for the Fall 2013 application year is:

***Please successfully address all of the following points in an essay format:***

- 1. Your reason for pursuing a career as a Speech-Language Pathologist*
- 2. Your reason for choosing to pursue this career specifically at San José State University.*
- 3. Your post graduate goals. (e.g., is there an area of focus or career goal you have in mind?)*
- 4. Please let us know why you feel you are an ideal candidate for this program; what makes your application competitive and/or unique?*

Please remember that you will submit your essay electronically through the [CSDCAS](#) application portal. This essay should be between 5,000-5,200 characters and is to be **completely** different than that of the Statement of Purpose that you are required to submit on the [CSUMentor](#) application, regardless of what it says on the CSUMentor website about "copying and pasting."

---

#### **SUBMITTING LETTERS OF RECOMMENDATIONS THROUGH CSDCAS**

Applicants are also required to submit **THREE** letters of recommendation via [CSDCAS](#). The admission committee will not review more than three letters per applicant. If you submit more than three because you are applying to another program that requires more than three letters of recommendation, the admission committee will randomly select three to review. For instructions on submitting electronic references, please log-in to the [CSDCAS](#) Portal.

To submit a paper reference when logged into the [CSDCAS](#) portal, please list the reference in the Reference Form section of your on-line application and designate them as paper to enter a paper reference. Then print out the reference request forms from the "References" section of your online application. You will sign these, send these to your references, and they will send the filled out form along with their letter of recommendation directly to [CSDCAS](#) at:

**CSDCAS  
P.O. Box 9113  
Watertown, MA 02471**

Since you do not have an undergraduate degree in the field of communicative disorders, please make every effort to obtain letters from former professors who are familiar with your academic work. Letters from supervisors or co-workers are acceptable and should address your potential for success as a graduate student. If you have volunteered with an SLP, then one of your letters should be from that source.

For more information on submitting letters of recommendation through [CSDCAS](#), please see their [FAQ Page](#) regarding letter of recommendation submissions.
