All work must be submitted on time, per instructions provided in class or via Canvas. Late work will be graded up to 48 hours past deadline, with a 10 point penalty.

**Illness and Absence Policy for Exams and Assignments**
You will have ample time to complete all assignments. There will be no make-up assignments or evaluation sessions offered outside true emergencies that interfered with your ability to attend a diagnostic experience or to complete an assignment on time.

**UNIVERSITY POLICIES**

**General Expectations, Rights and Responsibilities of the Student**
As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution. Students are encouraged to familiarize themselves with SJSU’s policies and practices pertaining to the procedures to follow if and when questions or concerns about a class arises. I always appreciate students seeking clarification, assistance, or directly discussing concerns with me so I have an opportunity to be responsive to such requests.

**Dropping and Adding**
Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Add/drop deadlines can be found on the current academic year calendars document on the Academic Calendars webpage at http://www.sjsu.edu/provost/services/academic_calendars/. The Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Please be aware of all current deadlines and penalties for dropping classes.

**Consent for Recording of Class and Public Sharing of Instructor Material**
University Policy S12-7, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor’s permission to record the course and the following items to be included in the syllabus:

- Please notify me if you are recording my class for any audio recording. Please do not make video recordings of class. When I grant you permission, I am strictly allowing the recording to be used for your private, study purposes only. These recordings remain my intellectual property and you are not granted rights to reproduce or distribute this recording.
- Please do not share my class materials or recordings publicly without explicit discussion with and permission from me. Please do not upload ANY course materials without my consent.

**Academic Integrity Statement**
Your commitment, as a student, to learning and to forthcoming excellence in your profession of Speech-Language Pathology is explicit in your enrollment at San Jose State University. The University Academic Integrity Policy S07-2 at http://www.sjsu.edu/senate/docs/S07-2.pdf requires you to be honest in all your academic course work. Faculty members are required to report all infractions to the office.
of Student Conduct and Ethical Development. The Student Conduct and Ethical Development website is available at http://www.sjsu.edu/studentconduct/.

I expect the highest ethical conduct from you, when it comes to doing original and independent work in this graduate course. I hope it never happens but should you be caught cheating on any assignment, or guilty of plagiarism and if this is factually verified after due process, you will receive no credit for the assignment in question, and it is possible that you may not receive a passing grade for the course, depending on the situation.

**Campus policy in compliance with the Americans with Disabilities Act**

If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. [Presidential Directive 97-03](http://www.sjsu.edu/president/docs/directives/PD_1997-03.pdf) requires that students with disabilities requesting accommodations must register with the [Accessible Education Center](http://www.sjsu.edu/aec) (AEC) at http://www.sjsu.edu/aec to establish a record of their disability.

**Accommodation of Students' Religious Holidays**

San José State University provides accommodation on any graded class work or activities for students wishing to observe religious holidays when such observances requires an absence from class. I ask students to inform me in the first 2 weeks of class, of such known holidays prior to a planned or expected absence. You are assured of reasonable efforts to honor your request for such absence without penalty and with assistance to help complete missed work.

**Student Technology Resources**

Computer labs for student use are available in the [Academic Success Center](http://www.sjsu.edu/at/asc/) located on the 1st floor of Clark Hall and in the Associated Students Lab on the 2nd floor of the Student Union. Computers are also available in the Martin Luther King Library. A wide variety of audio-visual equipment is available for student checkout from Media Services located in IRC 112. These items include DV and HD digital camcorders; digital still cameras; video, slide and overhead projectors; DVD, CD, and audiotape players; sound systems, wireless microphones, projection screens and monitors.

**SJSU Writing Center**

The SJSU Writing Center is located in Clark Hall (Suite 126). All Writing Specialists have gone through a rigorous hiring process, and are well trained to assist all students at all levels in all disciplines to become better writers. Beyond one-on-one tutoring services, the Writing Center offers workshops every semester on varied writing topics. To make an appointment or to refer to online resources offered, visit the [Writing Center website](http://www.sjsu.edu/writingcenter) at http://www.sjsu.edu/writingcenter.
COLLEGE AND DEPARTMENTAL POLICIES

LCOE Vision Statement
The Lurie College of Education is an inclusive, engaged, diverse, intellectual community where teacher-scholars inspire life-long learning and advocacy for excellence and equity in education. We envision ourselves as a learning community of practitioner/scholars in continuous development, dialogue, and inquiry that enable us to revisit, review, and revise our practice in an ongoing response to changing circumstances.

LCOE Mission Statement
The mission of the College of Education is to prepare educators and practitioners who will enhance the quality of education for all students in our culturally diverse, technologically complex world.

Department of Communicative Disorders and Sciences
CDS Vision - Utilizing faculty expertise, the Department of Communicative Disorders and Sciences will be known for its rigorous education, innovative models of clinical preparation, scientific contributions, and a resource for professional development in service to our increasingly diverse community.

CDS Mission - The Mission of the Department of Communicative Disorders and Sciences is to provide rigorous academic and clinical preparation to students seeking careers working with individuals with communication disorders, and their families. We are guided by a commitment to scholarly research and principles of evidence-based practice. Our graduates will adhere to the highest ethical standards in serving the needs of our culturally and linguistically diverse community.

HIPPA POLICY
Students will be considered members of the clinic workforce under regulations established by the Health Insurance Portability and Accountability Act (HIPAA). Students will receive instruction in following HIPAA policies and will be required to adhere to these policies.

CONFIDENTIALITY
All client information discussed in class is strictly confidential. We will watch videos, live sessions, and review clinical documentation from real clients. Keeping client information confidential is mandated by ASHA’s Code of Ethics and HIPAA regulations. For more information about HIPAA, please visit http://cms.hhs.gov/hipaa/. Students may not discuss cases outside of the Communicative Disorders & Sciences Clinic or in public access areas within CDS (e.g., restrooms, hallways, observation booths, etc). Known violations of confidentiality will result in a reprimand. Serious and/or repeated violations will warrant referral to the Director of Clinical Education (Dana Albrecht) and/or the Chair of the Communicative Disorders & Sciences Department, Dr. Saum Bhagat for disciplinary action.

CLASSROOM PROTOCOL
The best learning environment is created when instructors and learners engage fully with each other. I cherish a classroom with an energetic, positive vibe that promotes learning, mutual respect and thoughtful interactions. It is important to me that you arrive on time to class, return promptly from class breaks, interact respectfully in class, and refrain from texting or surfing the web or working on any tasks unrelated to our class. Please make sure cellphones are turned off or in silent mode except when you are on break. In an emergency, please step outside discretely if you have to take a call.

**ATTENDANCE AND PARTICIPATION**

University policy F69-24 at http://www.sjsu.edu/senate/docs/F69-24.pdf states, “Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading.” I monitor attendance semi-regularly and use participation as a criterion for grading. I define participation as engaging with class content/other learners/instructor in-person and/or via Canvas, completing work on time, being responsive to your peers in collaborative learning projects, behaving in an ethical, civil and responsible manner throughout the course, and providing feedback to the instructor and/or seeking any assistance as needed to do your best in the course.

**COURSE REQUIREMENTS AND ASSIGNMENTS**

SJSU classes are so designed that such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in University Policy S12-3 at http://www.sjsu.edu/senate/docs/S12-3.pdf.

1. Complete all assignments.
2. Administer and score assessments
3. Review and apply all pertinent information learned in previous courses regarding language acquisition, and disorders of communication.
4. Participate in the diagnosis-evaluation process through diagnostic planning, interviewing, testing, counseling, report writing and staffing for 3 assessment cases. You will become competent in administering at least 4 screenings and assessments, over the course of the semester.
5. Participate in observations and discussions as colleagues conduct assessments.
6. Write reflections on your assessment experiences after each assessment process
7. Complete reports of the assessment/evaluation (First draft due one week after the assessment)

**GRADING POLICY**

Student clinicians will be evaluated at the middle and end of the semester through an individual meeting with the supervisor and will include feedback regarding the student’s performance relative to the course competencies. Final grades will be based on completion of all work, competencies as measured by the mid-semester and final competencies, and
quality of written work.

Note that “All students have the right, within a reasonable time, to know their academic scores, to review their grade-dependent work, and to be provided with explanations for the determination of their course grades.” See University Policy F13-1 at http://www.sjsu.edu/senate/docs/F13-1.pdf for more details.

CLASSROOM PROTOCOL

Students are expected to complete all assignments on time unless they have spoken to the instructor and a new date has been established. Students must have cell phones turned off during class and clinic sessions.

GENERAL EXPECTATIONS, RIGHTS AND RESPONSIBILITIES OF THE STUDENT

As members of the academic community, students accept the rights and responsibilities incumbent on all members of SJSU. It is my intention to provide you with a high-quality and contemporary experience in this class that will prepare you for success as a speech-language pathologist. To achieve this goal, I welcome your feedback at anytime in person or via email. I will solicit your informal feedback 4 weeks into the semester, and use your suggestions to enhance the course. If you have a concern, I encourage you to start by sharing it with me so I have a chance to respond and address your concern directly. You also are encouraged to become familiar with SJSU’s policies and the procedures to follow if you have concerns or questions about a class. You may consult University Policy S90-5 at http://www.sjsu.edu/senate/docs/S90-5.pdf.

ACKNOWLEDGMENT: Dr. Mahendra acknowledges that this syllabus was prepared, in part, adapted from Dr. Zepecki’s Spring 2016 syllabus.
