

“Helping Students Write Better: Campus Services and Practices”

Teacher Scholars 2003-04

Scholarship of College Teaching and Learning Research Study

SELECTED RESOURCES

The resources listed below include university writing centers, books and other print materials, on-line and computer-based instructional aids, including some that are designed for non-native speakers, and two specific San Jose State University studies.

Please make use of these resources yourself, and encourage your students to use them too!
