## AB540 Symposium

### for all the DREAMers

Over 65,000 undocumented students graduate from high school each year across the United States. At least 25,000 are from the state of California. Due to their immigration status, these students encounter many barriers to achieving their higher education dreams.

This symposium will provide information to students, parents and administrators on AB540, AB130 and AB131, admissions advising, alternative financial aid opportunities, and current AB540 students will share their experiences during and after University.
