San José State University  
San José, California  
ANNOUNCEMENT OF POSITION AVAILABILITY  
Subject to Budgetary Approval

Specialization: Management Information Systems Research & Teaching  
Job Opening ID (JOID): 23736  
Rank: Assistant/Associate Professor (Tenure-track)

Qualifications:
- A PhD in Management Information Systems, Information Science, Computer Information Systems, or related area, from an accredited institution by start of appointment.
- Applicant must be academically qualified under AACSB standards.
- Demonstrated record of quality research.
- Demonstrated record of or demonstrable potential for teaching excellence.
- Demonstrated ability to work as part of a team.
- Excellent communication, collegiality, and interpersonal skills
- Applicants should have awareness of and sensitivity to educational goals of a multicultural population as might have been gained in cross-cultural study, training, teaching and other comparable experience.

Responsibilities:
The appointee will be capable of teaching undergraduate and graduate courses from foundation through advanced in the Management Information Systems field. The appointee will share in student advising, curriculum development, and service responsibilities. Effectiveness in academic assignments, including teaching excellence, service to students and University and a record of quality research, are required to achieve tenure and promotion as defined in the University Retention/Tenure/Promotion guidelines. The appointee must address the needs of a student population of great diversity – in age, cultural background, ethnicity, primary language and academic preparation – through course materials, teaching strategies and advisement.

Salary Range: Commensurate with qualifications and experience.

Starting Date: August 21, 2017

Eligibility: Employment is contingent upon proof of eligibility to work in the United States.

Application Procedure: For full consideration, send a letter of application, curriculum vitae, statement of teaching interests/philosophy, research plans, and at least three original letters of reference with contact information by December 1, 2016 to apply.interfolio.com/36197.

Please include Job Opening ID (JOID) on all correspondence.

Americas Conference on Information Systems–AMCIS 2016: We will be conducting informational interviews in San Diego. To schedule an interview, please contact Dr. Tim Hill by email timothy.hill@sjsu.edu to schedule an appointment.
San José State University is California’s oldest institution of public higher learning. The campus is located on the southern end of San Francisco Bay in downtown San José (Pop. 1,000,000), hub of the world-famous Silicon Valley high-technology research and development center. Many of California’s most popular national, recreational, and cultural attractions are conveniently close. A member of the 23-campus CSU system, San José State University enrolls approximately 30,000 students, a significant percentage of whom are members of minority groups. The University is committed to increasing the diversity of its faculty so our disciplines, students and the community can benefit from multiple ethnic and gender perspectives.

San José State University is an Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, color, religion, national origin, age, gender, gender identity/expression, sexual orientation, genetic information, medical condition, marital status, veteran status, or disability. This policy applies to all San José State University students, faculty, and staff as well as University programs and activities. Reasonable accommodations are made for applicants with disabilities who self-disclose. Note that all San José State University employees are considered mandated reporters under the California Child Abuse and Neglect Reporting Act and are required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

The latest San José State University Safety 101 Uniform Campus Crime and Security Report is available. You may request a copy of San José State University’s annual safety report by contacting the University Police Department at (408) 924-2222 or by visiting the University Police Department website at (http://www.sjsu.edu/police).
