Updating your address(es) below ensures that your information is correct throughout SJSU (Admissions, Student Records, Human Resources, etc.).

Mail and Home Addresses: If you currently have a campus mailing address listed, please do NOT change your home or mail addresses to match it, or you may miss important correspondence. The home and mail address fields should show your permanent off-campus addresses only. The University will direct mailings to your campus mailing address for as long as it is active.

On-Campus Address: If you live on campus and need to change your On-Campus address, you must visit the Housing Office in person.

SJSU Employees: If your Home and Mailing addresses are different, your SJSU W2 tax information will be sent to your Mailing address.

Please note: Changes to addresses displayed below that are not editable (no "edit" button) must be completed in person in Human Resources located on the 3rd floor of the UPD building at 7th and San Salvador.

To add, change or delete an address, click the appropriate button below. If the same address exists for more than one Type, click the edit button to change all of them; click the Add a New Address button to change only one.

▼ **General Information**

IMPORTANT INFORMATION - PLEASE READ

This is an unofficial degree progress report. The information it contains should be used in conjunction with regular visits to your advisor. An official graduation requirement verification will be sent to you once you apply for graduation in your senior year.

Please note that it is possible to fulfill the overall minimum units and course count in some areas without completely satisfying all sub-requirements in that area. Please use the **expand all** option when you view the audit on line and you will be able to see the status of each sub-requirement.

This report includes only course work taken at SJSU from Spring 1991 forward. Transfer work is included for all students who transferred in the Fall of 2003 or later. If you have SJSU coursework prior to Spring 1991 or you transferred prior to Fall 2003, this may only be a partial report. Please see your advisor for assistance.

Single courses that are taught by different departments (cross-listed) will receive credit only once, even though they appear several times on the list of approved courses.

Courses in progress are treated as if they will be passed with satisfactory grades; however, actual units are not earned until official grades are posted.

While every effort has been made to ensure the accuracy of this report, mistakes can occur. In the event any discrepancies, University regulations prevail. You have the responsibility to report any perceived discrepancies to your major department. Questions about General Education or American Institution requirements should be taken to an academic advisor in Academic Advising and Retention Services. You may also contact them at success@sjsu.edu

For more information, visit www.degreeprogress.sjsu.edu.

Please check this report periodically for possible changes in requirements. Refer to the catalog for more information and consult with your advisor on a regular basis.

Final step: Submit all forms to the Office of the Registrar, Window "R". Note that some departments will submit forms directly to the Office of the Registrar.
