PREPARING THE STATEMENT OF PURPOSE & OBTAINING STRONG LETTERS OF RECOMMENDATION FOR GRADUATE SCHOOL

WEDNESDAY, APRIL 17, 2019
5-7PM @ THE CLSSC STUDENT UNION 1340

Two of the most intimidating aspects of applying to graduate school are writing the statement of purpose and asking for letters of recommendation. This workshop will help students understand how to identify and highlight their strengths and put together the strongest application possible for graduate school. If you find it difficult to approach faculty and ask questions or to highlight your own strengths, make yourself come to this workshop!

*Light refreshments will be provided *
