Student Researchers: Insights from Presenting at AAHHE & CSU Teaching and Learning Conferences

Friday, March 15, 2019
12:30-2pm @ The CLSSC Student Union 1340

The students who have been part of the 2018-2019 CLSSC Undergraduate Research Team will share their experiences in the project and presenting their research at academic conferences. Faculty and students interested in undergraduate research are encouraged to attend this presentation to learn how to participate in next year’s Undergraduate Research Project.

*Lunch will be provided*
