● Experience in developing and implementing a broad range of outreach services, including consultation interventions, workshops, and presentations on various mental health topics.

Responsibilities

Under the general supervision of the Director of Counseling & Psychological Services (CAPS) or designee, the selected candidate is expected to provide a full range of clinical services, including short-term individual, couples, and group counseling for students, risk assessment and triage, crisis coverage (including non-life threatening issues) and emergency intervention (including hospitalization), the facilitation of on-campus and external referrals, treatment planning, and clinical case management; provide referrals and consultation for faculty, staff, parents, administrators, and university community members regarding issues that affect the educational, developmental, and psychological well-being of students. Duties also include consultation and outreach services (i.e., psycho-educational programs) to various constituencies on campus (e.g., student organizations, faculty and staff), and work collaboratively with other CAPS
personnel. May also provide outreach services. Some evening and weekend hours are required to provide outreach/prevention events, meet workload demands, fulfill departmental responsibilities, and provide quality services. The counselor will participate in the department’s after-hours on-call rotation in the event of a crisis or campus emergency. While most of the after-hours crisis intervention involves phone consultation only, there will be times when the situation rises to the level where on-site intervention after-hours is necessary.

Application Deadline

For full consideration please submit 1) current curriculum vitae; 2) three current letters of reference, preferably from clinical supervisors (no one will be contacted without your explicit permission); and 3) a letter of interest that includes a brief statement explaining your approach in providing services to a diverse student population. We recognize that this is a request not answered easily in a brief statement, but we would like this additional information (preferably no more than one page) in order to better understand your experience, skills, knowledge, and abilities. Please submit by April 21, 2017.

About SJSU

San José State University is California’s oldest institution of public higher learning. The campus is located on the southern end of San Francisco Bay in downtown San José (Pop. 1,000,000), hub of the world-famous Silicon Valley high-technology research and development center. Many of California’s most popular national, recreational, and cultural attractions are conveniently close. A member of the 23-campus CSU system, San José State University enrolls approximately 30,000 students, a significant percentage of whom are members of minority groups. The University is committed to increasing the diversity of its faculty so our disciplines, students and the community can benefit from multiple ethnic and gender perspectives.

San José State University is an Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, color, religion, national origin, age, gender, gender identity/expression, sexual orientation, genetic information, medical condition, marital status, veteran status, or disability. This policy applies to all San José State University students, faculty, and staff as well as University programs and activities. Reasonable accommodations are made for applicants with disabilities who self-disclose. Note that all San José State University employees are considered mandated reporters under the California Child Abuse and Neglect Reporting Act and are required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

The latest San José State University Safety 101 Uniform Campus Crime and Security Report is available. You may request a copy of San José State University’s annual safety report by contacting the University Police Department at (408) 924-2222 or by visiting the University Police Department website at (http://www.sjsu.edu/police.)
