Names and Credentials of Site Supervisors

Julie Edwards
Assistant Principal, Guidance Services
PPSC, Administrative Services Credentials

Christina Souza
Social Emotional Counselor
PPSC

Overview

Aptos High School would like to select one EDCO graduate student to work in our Wellness Center. In the Wellness Center, we have a socio-emotional counselor, an intervention specialist, a drug and alcohol counselor, and a mental health clinician on staff in the Wellness Center. We are seeking an organized and talented individual to help improve our systems of serving students in the Wellness Center.

Expected Activities

- Intake interviews for student walk-ins
- Create systems to organize student outreach
- Develop a caseload to meet with individually
- Determine patterns in student needs and create groups that address similar needs
- Help develop mental wellness themed months (i.e., suicide prevention month, etc.)
- Collaborate with guidance counselors, teachers, and admin to help support students
- Attend meetings (Guidance Department meetings, 504s, SSTs)

Benefits of Working at AHS

- Internship hours may be completed on any day of the week
- Intern would have access to a private office space to work with students
- Positive, collaborative, and professional atmosphere with all staff
- Direct support from Christina Souza, who has been a TA in the EDCO program
- Great opportunities to learn, network, and practice counseling skills

Please contact Julie Edwards at julie_edwards@pvusd.net to apply.
