Under the direction of the Coordinator of Academic Programming and Tutoring, and working in conjunction with Resident Advisors and Faculty-in-Residence, the Housing Academic Mentor Interns, will provide small group coaching, larger group sessions and one on one support for first and second year, transfer and international students.

Interns will work with students in the areas of effective studying, note-taking, test-taking, critical thinking, listening, reading, time and stress management, effective communication and other life skills needed while adjusting to life at SJSU. Interns will be trained in all of these areas.

The ideal intern will have:

- An interest in college student development
- Ability to be a self-starter and be able to lead small projects
- Excellent coordination and communication skills.
- Understanding of, sensitivity to, and respect for diverse academic, socio-economic, ethnic, religious and cultural backgrounds, disability and sexual orientation of college students, faculty and staff.

Position start date August 16th.

10-15 late afternoon/evening hours a week
Hourly rate
Flexible schedule
To apply send letter of interest highlighting your interest and your resume to:
