OBJECTIVE: It is the intent of the Counseling Faculty Internship Program to support and enhance the education of counselors by providing the intern the opportunity to observe and participate in the community college counseling environment and activities delineated in the role of counseling faculty. The Counseling Faculty Internship program includes training and close supervision in the following areas:

- Academic counseling, in which students are assisted in assessing, planning and implementing immediate and long-range academic goals
- Career counseling, in which students are assisted in assessing aptitudes, abilities, and interests, and are advised concerning current and future employment trends
- Personal counseling, in which students are assisted with personal, family or other social concerns, when that assistance is related to the student’s education
- Coordination with other campus services and resources including, Admissions and Records, Accessibility Support Center (ASC), Extended Opportunity Programs and Services / C.A.R.E., Guardian Scholars, Student Resources Support Network (SRSN), Puente, International Student Program, Financial Aid, Veterans, Health Services, Transfer and Career Center, Tutorial Center (HUB), STEM/MESA, Learning Communities, Office of Equity, Assessment Center, New Student Orientation, Athletics
- Delivery of presentations and workshops, potentially including new student orientation / Education Plan workshop sessions, probation / dismissal workshops, career workshops, transfer workshops, TAG workshops, UC/CSU application workshops, essay workshops, and other workshops that enhance student success

In addition, the Counseling Faculty Intern will have opportunities to observe and/or participate in the instruction of Counseling and Guidance courses taught by counseling faculty; to learn about the participatory governance process; to participate in outreach activities; and to engage in campus and community events.

ETHICAL STANDARDS Professional ethical practice forms the cornerstone of high quality counseling services. As a representative of Cabrillo College, the Counseling Faculty Intern is advised to become familiar with the laws relevant to counseling and adhere to the ethical code of the American Counseling Association (ACA). Particular applicability to community college counseling practice are found in the areas of the counseling relationship, confidentiality, professional responsibility, relationship with other professionals, evaluation, assessment, and interpretation, training and supervision, research and publication and resolving ethical issues. Regular communication between the lead mentor and Counseling Faculty Intern regarding ethical matters is crucial to the professional development of the Counseling Faculty Intern.
