Dear Families, Friends, and Supporters,

We are pleased to present the 2016–2017 Fall, Winter, and Spring Registration Catalog. We are proud to share with you that we have just finished our 2015–2016 season with our highest enrollments ever! We are honored to work alongside you to continue to grow our programs and provide the utmost quality in services.

Via West is ever-evolving and with that, so is our wonderful staff whose dedication and adaptability truly make them number one. We are pleased to announce our new Associate Director of Programs and Grants, AJ Duprey, as well as our new Client Services Manager, Kathryn Gilbreth. These two will help to further solidify our stellar Via West management team.

This season, we are offering an unprecedented 31 programs — including our traditional overnight weekends, travel camps, Adventures in Leadership, Altitude, and sports clinics. By popular demand, we will debut our first-ever weekend for older teens and young adults ages 16-39, in January 2017. This new program will focus on establishing a network of friends, mastering life skills, and developing confidence in the adult world. We’ll create lasting bonds of friendship and camaraderie as we cook meals in small groups, plan an exciting theme-based dance, and master gardening skills.

At Via West, we welcome everyone with open arms. We have a generous scholarship fund available for those who cannot afford our private pay or regional center (RC) supplemental daily rates. We are so fortunate to work with you, our families, and we hope that you continue to make Via your home away from home.

Thank you for continuing to spread the word about Via West. Without you, we would be the Bay Area’s best-kept secret. See you all very soon!

Sincerely,

Leslie Davis, CEO

---

Kathryn Gilbreth is the Client Services Manager for Via West and Altitude, responsible for providing extra quality assurance as well as establishing new relationships and continuing bonds with our families and caregivers.

AJ Duprey is the Associate Director of Programs and Grants for Via West, responsible for co-managing the sessions, preparing the wonderful curriculum, and coordinating grants.

Ashley Eddy is the Admissions Manager for Via West, responsible for interfacing with all parents and regional centers, obtaining the proper paperwork, and billing for all services.

Janelle Adams is the Community Relations Manager, responsible for bringing all new families to Via West as well as coordinating our special needs science camps.

Irshad Fardan is the Associate Director of Operations and Staff for Via West, responsible for co-managing the sessions. He specializes in staffing, volunteers, and logistics.

Dave Gilbreth is the Executive Chef and Services Manager for Via West and Altitude, responsible for all of our direct food services as well as culinary programs.

Janelle Adams is the Community Relations Manager, responsible for bringing all new families to Via West as well as coordinating our special needs science camps.

Ashley Eddy is the Admissions Manager for Via West, responsible for interfacing with all parents and regional centers, obtaining the proper paperwork, and billing for all services.
FALL, WINTER, AND SPRING PROGRAM DESCRIPTIONS

Traditional Day & Overnight Programs (Adults)

Traditional day and overnight programs are based on independent living skills and executive functioning, all while having so much fun. Activities will be themed to each weekend and will include cooking, hiking, music, sports, dramatic arts, creative arts, and more. Check-in is from 5:00–6:00pm on Friday and check-out is from 1:00–3:00pm on Sunday. Day program is available on Saturday only from 9:00am to 8:00pm.

Travel Camp (Adults)

Travel camps give participants the chance to spend time exploring their own local community and beyond by experiencing overnight trips in a safe, nurturing environment. Check-in is from 2:00–3:00pm on Friday and check-out is from 3:00–4:00pm on Sunday. These opportunities are tailored to fit the needs of 3:1 participants. Those with a 2:1 ratio may be evaluated on a case-by-case basis to determine eligibility; please contact Ashley Eddy aeddy@viaservices.org. There is no option for day program or for those requiring a 1:1 ratio.

Adventures in Leadership

Leadership programs are for adults with developmental and/or physical disabilities who are ready to master relevant knowledge, skills, and attitudes for working at Via West in preparation for community work settings. To enroll in Beginning Adventures in Leadership, participants must have completed at least two summer and/or weekend sessions within the past five years. To enroll in More Adventures in Leadership, participants must have completed at least one of the Beginning Adventures in Leadership programs. Leadership sessions run concurrently with select traditional overnight programs. Check-in is from 5:00–6:00pm on Friday and check-out is from 1:00–3:00pm on Sunday.

Altitude

Altitude is a program for middle school and high school-age participants who have social-cognitive challenges. Altitude provides a 3:1 camper-to-staff ratio. Altitude participants have conversational language skills, are not currently struggling with any significant behavioral challenges, and are typically in a mainstream classroom setting. Please contact Kirsten Jensen kjensen@viaservices.org to apply. Check-in is at 5:00pm on Friday and check-out is at 3:00pm on Sunday.

Sports Clinic – Golf

In collaboration with First Tee and due to a generous grant from the National Alliance for Accessible Golf, we’ll be having a 6-week sports clinic specializing in golf. Participation and teamwork will be emphasized. The point of this offering is to build everyone’s ability at a pace they are comfortable with and to the level that they are capable of. The most important factor will continue to be safety and learning, and of course, having fun! These programs are offered to all ages and ratios. Instructions and team building exercises will be integrated; however, the clinic itself will be separated by age groups. Lessons are offered either at 4:00pm or 6:00pm. We would like everyone to take advantage of this wonderful opportunity and if transportation is an issue, please contact Ashley Eddy at aeddy@viaservices.org or 408-243-7861 to arrange.

Older Teens and Young Adult Weekend

By popular demand, we will debut our first-ever weekend for older teens and young adults ages 16-39, in January 2017. This new program will focus on establishing a network of friends, mastering life skills, and developing confidence in the adult world. We’ll create lasting bonds of friendship and camaraderie as we cook meals in small groups, plan an exciting theme-based dance, and master gardening skills.

**FORE! VIA ACCESSIBLE GOLF CLINIC**

September 6, 13, 20, 27, 2016
AND October 11, 18, 2016

In partnership with The First Tee of Silicon Valley, the golf clinic will provide six 1.5 hour lessons at Rancho del Pueblo Golf Course. Lessons will be provided by First Tee instructors, most of whom have their PGA instructor card, and they’ll cover a general introduction to the game, golf swing, club variation, putting, driving, club usage/selection, rules of the game, and course play. Equipment, golf balls, range fees, and snacks are included. We can’t forget the most important part of learning a new game – having fun! Please select either the 4:00pm or the 6:00pm lesson time.

**VIA WEST’S WET AND WILD WATER WEEKEND**

BEGINNING ADVENTURES IN LEADERSHIP

September 23–25, 2016 (FRI–SUN)

We are holding the pool open for one more celebration, and you must be in on the fun! Let’s go out in style — this will be a party to remember — we are mixing tropical smoothies, barbequing chicken and ribs, eating our own homemade strawberry shortcake (yes, we will share the recipe), and bringing in a professional DJ to close out the summer right. Other crafts will include making a beautiful silver fish portrait, learning all about water safety and drought conservation, and of course, enjoying a wild ‘dive in’ movie on our outdoor movie screen.

**Adults ages 18+**

**GHOSTBUSTERS, GOBLINS AND GREMLINS**

October 21– 23, 2016 (FRI–SUN)

It’s Halloween at Via West, and all creatures are welcome. Following the movie themes, we will be busy making our own glow-in-the-dark slime, “Stay-Puft” marshmallow treats to take home, and yarn art gremlins. It’s Halloween though, and no spooky holiday would be complete without a field trip to a local pumpkin patch followed by lunch and a hay ride. Costumes are requested for the Ghostly Gala held on Saturday evening.

**Field Trip: Pumpkin Patch**

**Adults ages 18+**

**STREETS OF SAN FRANCISCO**

November 11–13, 2016 (FRI–SUN)

Join with a group of friends to be a tourist in our own City by the Bay — practice your GPS skills as we ride in style in our Via West vans before checking in at a downtown hotel. We’ll explore the wonders of Golden Gate Park, visit Ripley’s Believe It Or Not Odditorium, take photographs from Coit Tower, watch the windsurfers while we dip our toes into the beach sand, and walk around Chinatown. And the food — we’ll munch on clam chowder and sourdough bread at Fisherman’s Wharf, hit the food trucks in Golden Gate Park, and enjoy a savory dim sum brunch in Chinatown!

**Field Trip: San Francisco**

**Adults ages 18+**

**ALL AMERICAN THANKSGIVING**

MORE ADVENTURES IN LEADERSHIP

November 11–13, 2016 (FRI–SUN)

We have so much to be thankful for this year as we pick produce from the greenhouse and prepare a traditional feast with vegetables, turkey, stuffing, gravy, and pumpkin pies. We’ll create and fill take-home cornucopias to celebrate farm-to-table eating. Each lodge will put on a short play, and then we’ll compete in a rousing touch football game before dressing up for a lovely Harvest Ball. Everyone will take home a recipe and ingredients to re-create one of our favorite holiday dishes, as well as handcrafted Thanksgiving decorations to brighten up our own homes.
Adults ages 18+

**IT’S A CANDYLAND CHRISTMAS**
December 9–11, 2016 (FRI–SUN)
We’re never too old to enjoy the magical moments of this amazing holiday, from wreath making to sledding, tree decorating, and caroling alongside friends. Adults will enjoy an afternoon of stocking stuffing, cookie decorating, and ornament building. Firefighters will deliver our gigantic holiday tree and stay for wonderful photo opportunities. We will have a live band for caroling in the afternoon and a guest DJ at night for our Winter Ball, so bring your holiday best. Lastly, Santa will bring everyone a very special gift or two. Each participant will take home holiday wreaths, ornaments, and handcrafted candies.

Older Teens and Young Adults Weekend ages 16–39

**TGIF SLUMBER PARTY**
January 27–29, 2017 (FRI–SUN)
What a great weekend to join friends at Via West to tell stories around a huge bonfire, prepare and enjoy a 3-course fondue dinner, and settle into the main lodge for a pajama party movie night! We’ll ride horses, pick a theme and decorate the main lodge for the Saturday night dance, and plant some new vegetables and flowers in the greenhouse. Everyone will take home handcrafted greeting cards, as well as a recipe and key ingredients to re-create fondues at home.

Adults ages 18+

**COME DISCOVER GOLD COUNTRY**
February 10–12, 2017 (FRI–SUN)
Join us as we load into vans, set our GPS, and head north to visit the beautiful Gold Country of El Dorado County. We’ll check in to a local motel before heading out for dinner in “Hangtown,” the pioneer name for Placerville. We’ll team up to read colorful picture maps showing the Farm Trails, stopping along the way for a picnic lunch supplemented with “walking apple pies,” a hands-on pioneer museum, and a trip into the darkness of the Gold Bug Mine. Everyone will bring home farm treats such as apples, honey, jam, and candy.

**Field Trip: Gold Country**

Adults ages 18+

**SCHOOL OF ROCK – COME ON FEEL THE NOISE**
**MORE ADVENTURES IN LEADERSHIP**
March 3–5 2017 (FRI–SUN)
Let’s make some music at Via West! Not only will we take a field trip to see a local musical live in downtown San Jose, but we will make our own music on campus! Andy Z, local music hero, will come visit and teach us a few tricks. We will have a special night time celebration with a live DJ taking all requests before a Sunday Karaoke contest. We will make more than music, of course! We will actually bake John Legend’s recipe for macaroni and cheese to take home to share, and we get to go horseback riding as well.

Adults ages 18+

**IT’S A STAR WARS GALACTIC ADVENTURE**
March 24–26, 2017 (FRI–SUN)
This series will come to life at Via West with fun activities from Phantom Menace to The Force Awakens. The battle lines will be drawn between lodges as we have contests in storm trooper trivia and in cooking as we see which lodge can make the most creative and tasty versions of Mustafar lava juice. The Senate judges will rest so that all forces can bond as we hike through the trails learning about various climates on our planet so we can replicate our version of Endor, Tatooine, or the Dagobah Swamp. The take-homes will include a papier–mâché death star piñata filled with goodies from all over the galaxy.

Adults ages 18+

**CSI — CAMP SCENE INVESTIGATION**
April 21–23, 2017 (FRI–SUN)
Become your own Camp Scene Investigator as we learn the techniques that professionals use. We will go “hot on the trail” to prove our case as we learn to measure bite impressions, cast footprints, and take fingerprints, all to put in our case log. Learning to take good photographs is essential, and all participants will go home with pictures to document their work, but more importantly, their fun. We will need our energy, so after mastering the recipe, we will devour chicken and quinoa burritos before heading out for the next clue.

Adults ages 18+

**MAUI WOWIE - A HAWAIIAN ADVENTURE**
**BEGINNING ADVENTURES IN LEADERSHIP**
May 5–7, 2017 (FRI–SUN)
It’s time to join us on the islands – because Ohana means everything here – we are all family at Via West. We’ll celebrate Island life as we open the pools for the first time of the season for our poolside luau. Our games this weekend will include a coconut rolling contest, Hawaiian fruit cocktail bobbing, and let’s not forget the limbo! Everyone will make and take home flower leis, Hawaiian shirts, and seashell art.
FORE! VIA ACCESSIBLE GOLF CLINIC
September 6, 13, 20, 27, 2016
AND October 11, 18, 2016
In partnership with The First Tee of Silicon Valley, the golf clinic will provide six 1.5 hour lessons at Rancho del Pueblo Golf Course. Lessons will be provided by First Tee instructors, most of whom have their PGA instructor card, and they’ll cover a general introduction to the game, golf swing, club variation, putting, driving, club usage/selection, rules of the game, and course play. Equipment, golf balls, range fees, and snacks are included. We can’t forget the most important part of learning a new game – having fun! Please select either the 4:00pm or the 6:00pm lesson time.

FINDING DORY – AN ADVENTURE WITH CRUSH
September 16–18, 2016 (FRI–SUN)
It is an under-the-sea weekend at Via West. Can we find Dory, who is with Nemo? And don’t forget Crush and Squirt! We will take in all that is special about the underwater world of Nemo. The fun will include the last month of swimming before we close the pool for the winter. We will create under-the-sea sponge cakes and make replicas of the Great Barrier Reef as we learn about this wonderful home to so many species. We will top off our excitement with a water carnival filled with squirt gun games and bean bag tosses. Everyone will go home with their own goldfish in their customized bowl.

MONSTERS, INC.
October 14–16, 2016 (FRI–SUN)
Come join Sulley and Mike at Via West as we create our own Monstropolis — and it is sure to be filled with laughter. We will learn to crochet by making our own character puppets that will star later in a Via West production of the Pixar classic. The highlight of the weekend will of course be the visit to a local pumpkin patch where we will master the corn maze. Then it’s back to campus to harvest pumpkin seeds that will go home with gourmet seasoning to share with the family. Don’t forget your costumes — our Monster’s Ball will be held on Saturday night.

ELF ON A SHELF
December 2–4, 2016 (FRI–SUN)
Magic is in the air, and you never know just where that elf ends up each morning! It’s a weekend of wonder as the campus is transformed with tons of snow, courtesy of the Cupertino Rotary, for an unforgettable afternoon of sledding, snowman building, caroling, cookie decorating, stocking stuffing, and wreath making. Santa will visit each participant to bring a very special gift or two, and everyone will take home an array of holiday crafts including tree ornaments, wreaths, and toys.

IT’S A DISNEY PLAYHOUSE WEEKEND
January 20–22, 2017 (FRI–SUN)
Mickey Mouse, Bear in the Blue House, Handy Manny, the Wiggles, and many other Disney friends will keep us moving all weekend with games, crafts, stories, fantasy play, and lots of activities to keep us physically fit! We’ll compete with friends from other lodges to see who can find the most critters on the accessible trail, make the most audacious ice cream sundae, and build the biggest playhouse. We’ll dance like the Wiggles on Saturday night and take home hand-made mouse ears and stuffed bears.

TGIF SLUMBER PARTY
January 27–29, 2017 (FRI–SUN)
What a great weekend to join friends at Via West to tell stories around a huge bonfire, prepare and enjoy a 3-course fondue dinner, and settle into the main lodge for a pajama party movie night! We’ll ride horses, pick a theme and decorate the main lodge for the Saturday night dance, and plant some new vegetables and flowers in the greenhouse. Everyone will take home handcrafted greeting cards as well as a recipe and key ingredients to re-create fondues at home.

PARTY IN THE USA
February 17–19, 2017 (FRI–SUN)
Let’s celebrate all our wonderful country has to offer. We will be celebrating our heritage by doing our own version of “Hamilton,” constructing replicas of Mt. Rushmore while learning about our heroic past leaders and founding fathers, and baking red, white, and blueberry trifles to share with our families. As we play football and baseball, we will cherish the great teams of America, and everyone will cheer on their teammates as we have various lodge competitions to crown the Via West Nation Winner.

Since “It’s All About Superheroes” falls on the heels of “Party in the USA,” you have the opportunity to bridge the two sessions together! For pricing on the extra day, please see page 11.

IT’S ALL ABOUT SUPERHEROES
February 20-22, 2017 (MON-WED) Special President’s Day Respite
Join us for a special President’s Day session! At Via West, everyone is a superhero! We’ll have contests of strength,
flexibility, and endurance in the new “Just My Size” gym at Via West, and then we’ll team up for games that build on teamwork and ingenuity. Everyone will take home customized superhero posters, lots of great crafts, and ingredients to make salads for family or friends.

**Kids, Teens, and Young Adults ages 5–22**

**OH THE PLACES YOU’LL GO...**

March 10–12, 2017 (FRI–SUN)

Travel all over the world with Dr. Seuss and his beloved characters as we search the Via West grounds for the last Trufal seed that will bring back the Lorax and his friends, compete in the battle between Star Belly Sneetches and Plain Belly Sneetches, decorate take-home bowls for our red fish and blue fish, follow the marked trail to see what happens on Mulberry Street, and bake our own polka dot zoos. Everyone will take home planter boxes with seeds from around the world and puppets of their favorite Dr. Seuss character. We will also have horses this session.

**Kids, Teens, and Young Adults Ages 5–22**

**COME DISCOVER GOLD COUNTRY**

March 31–April 2, 2017 (FRI–SUN)

Join us as we load into vans, set our GPS, and head north to visit the beautiful Gold Country of El Dorado County. We’ll check in to a local motel before heading out for dinner in “Hangtown,” the pioneer name for Placerville. We’ll team up to read colorful picture maps showing the Farm Trails, stopping along the way for a picnic lunch supplemented with “walking apple pies,” a hands-on pioneer museum, and a trip into the darkness of the Gold Bug Mine. Everyone will bring home farm treats such as apples, honey, jam, and candy.

**Kids, Teens, and Young Adults ages 5–22**

**ZOOTOPIA**

April 7–9, 2017 (FRI–SUN)

Via West will be transformed overnight into Zootopia, with everyone playing their favorite animal character. We’ll enjoy active games such as Predator and Prey, fashion elaborate masks for the Critter Ball, battle other lodges in Animal Charades, search for zoo animals hidden along the accessible trail, and demonstrate how different animals exercise in the “Just My Size” gym. We’ll prepare treats for Bay Area animals using produce from the greenhouse and garden, and we’ll also take home handcrafted pottery animals in felt bags that we sew ourselves.

**Kids, Teens, and Young Adults ages 5–22**

**CHARLOTTE’S WEB: DOWN ON THE FARM**

April 28–30, 2017 (FRI–SUN)

Let’s celebrate the wonder of Wilbur. It’s all about the animals, and it’s all about the farm. We will have furry visitors on campus from Animal Assisted Happiness, pick yummy produce from the garden and greenhouse to make edible “veggie critters,” make salsa from garden vegetables to take home and share, and enjoy a Barn Dance on the sports court. We will also do some horseback riding of our own. Everyone will take home handcrafted stuffed animals and seeds to plant at home.

**Kids, Teens, and Young Adults ages 5–22**

**TEEN BEACH — PLAY IN THE SURF OR ON THE TURF**

May 19–21, 2017 (FRI–SUN)

It’s not only Brady and McKenzie that can live the fun life on the beach — we can too at Via West. We are opening our pool early so we can have a super spring pool party while making our version of this hit Disney movie. We will decorate mini wooden surfboards, make blue (berry) Hawaiian bread, and have our own Via West dance-off. After visiting the garden and the green house area, we will harvest tons of veggies to dip in our own recipe of hang ten hummus. This will be brought home and shared with the family as a take-home Sunday appetizer.
Altitude Programs

Kids and Teens entering 5th through 12th grade

**AN ALTITUDE GIRLS-ONLY “GO” WEEKEND CELEBRATION**
September 30–October 2, 2016 (FRI–SUN)
This Altitude weekend provides a truly unique opportunity for girls with social/cognitive challenges to find ways to connect while respecting each other’s individual qualities. As most of us already know, girls are a minority in the social/cognitive population; additionally, our society has different expectations for boys and girls, and girls have their own nonverbal codes of social interaction, which can be difficult to navigate. During Altitude’s GO weekend, campers will have a safe and welcome environment where they can interact with other teenage girls while engaging in fun, recreational activities such as horseback riding, hiking, collaborative art projects, movie night, and synchronized swimming! We want our girls to feel empowered, practice self-advocacy, and increase self-confidence! These activity based group interactions can provide an opportunity for girls to share their experiences and know they are not alone.

**Kids and Teens entering 4th through 11th grade**

**ENERGIZE ME: NUTRITION, FITNESS, AND HEALTH**
November 4–6, 2016 (FRI–SUN)
Who says healthy living can’t be fun? And it’s even more fun when we work on it as a team! As we move toward adulthood and independent living, we want more energy to explore and master the world around us. Healthy living is a learned skill and an important one, especially as our kids gain more independence and make more autonomous choices. During this weekend, we will work on culinary skills (healthy meals such as grilled chicken, brown rice, and broccoli), outdoor activities (such as hiking, horseback riding, and circuit training), and using the indoor sports equipment in the Via gym!

**Teens and Young Adults Ages 14–22**

**ALTITUDE LEADERSHIP WEEKEND**
February 10–12, 2017 (FRI–SUN)
This weekend is aimed at helping our younger campers prepare for post-high school life, and our older campers to continue to navigate the adult world. We will help participants to discover and understand their own strengths and challenges, so that they can assess what kinds of careers or educational settings will be most appropriate for them. During this weekend, we will work on interview skills, customer service skills, event planning, and budgeting—all in the context of running a candy store! While engaging in this fun and collaborative project, campers have the opportunity to develop self-awareness, self-advocacy, and critical conversational skills. Our campers will work hard over this weekend, but they will hopefully make lasting connections, which can be further explored during more recreational activities like evening s’mores and games.

**Kids and Teens entering 5th through 12th grade**

**A TASTE OF ALTITUDE**
March 31–April 2, 2017 (FRI–SUN)
This is an opportunity for everyone! It’s a fabulous reunion opportunity for our summer campers and a great way for new and prospective campers to get a taste of the “Altitude Attitude”! Activities will include a wide variety of sports, arena horseback riding, stimulating arts and crafts, hiking, s’mores, and movie night! Parents, siblings, and other important family members are strongly encouraged to attend the “family fun day” on Sunday where they can follow their campers through a few short activities and participate in a small carnival and barbeque. It’s a great way for family members to catch the Altitude Attitude too!!!

Scholarship money is greatly needed.

Help a family in need send their child/adult to their favorite week of the year.

Meet 9 year-old Matthew. He has been coming to Via West with the help of scholarships since he was 5. His mom writes:

“...as a parent, really appreciate that Matthew can get his time away from home with other kids and peers that understand him for who he is, and I get to take a break and not have to worry about him.”

Without our scholarship fund, Matthew would not be able to attend his favorite week of the year.

REGISTRATION PROCEDURES:

Registration is now open for all fall, winter, and spring sessions. We are not restricting any spaces in our traditional day and overnight programs; however we do still have a maximum capacity. **Spaces are available on a first-come, first-served basis with deposit to secure reservation.** We strongly encourage you to email, fax, or mail your registration forms as soon as possible. We encourage attendance at multiple sessions as our enhanced thematic programming will be very different each weekend.

If you do not have enough respite hours to cover the full program, then you will be responsible for the Private Pay balance due. In order for your participant to be marked down as paid, we require:

1. **An Authorization to Purchase Services** (not a Request for Purchase of Services) to be sent to the Via office before the start date of the session.

2. The payment of the private pay or supplemental daily rate in full.

*If payment is not received from the regional center as authorized, you will be responsible for the remainder of the payment due at the private pay rate.*
