

SUPERVISION REQUIREMENTS

An experienced professional at the site and a university faculty member will supervise your field experience. Both supervisors assist you in the joint development of objectives for the field experience. If you are pursuing the PPS Credential, the site supervisor must be a qualified person with a PPS Credential approved by both the school district administration and the EDCO Program. Both supervisors will provide you with ongoing feedback throughout the experience. The field supervisor will complete a written evaluation at the end of the course. The university supervisor will grade you credit, no credit or incomplete.
