

ACTIVITY 11.1 / Evaluation Comparison Chart

Exploring ways to make judgments about the worth or success of people or things (e.g., lessons, programs, projects)

How to do it: Write your brief description for each cell in the table. Note the similarities and differences between evaluation types. Use the back of this page as needed.

Type	Purpose <i>(why do it?)</i>	Target people <i>(who is it for?)</i>	Description <i>(what is it, when to do it, and how?)</i>
Formative			
Summative			
Assessment of Learners or Objectives
