

# SAN JOSE STATE UNIVERSITY

# STUDY ABROAD

## CHEMICAL ENGINEERING

- Gain an international perspective and better cross-cultural understanding
- Take Chemical Engineering courses in English or another language
- Earn SJSU resident credit for all completed courses
- Pay your normal SJSU tuition and fees
- Use your financial aid and apply for scholarships
- Immerse yourself in a different culture and learn another language
- Study for an academic year or a semester (depending on the program)
- Gain an advantage when applying for jobs and graduate school
- Meet people from around the world and make lifelong friendships

The following universities offer Chemical Engineering courses in English. Please refer to the SJSU Study Abroad website for information on participating universities that offer Chemical Engineering courses in other languages.
