

Alumni Association Faculty Grant
San José State University
Lurie College of Education
2018-19

All grants awarded from the Lurie College of Education Alumni Association must meet the following criteria:

- Grant award must be used for advancement and scholarly progress of students and faculty in the Lurie College of Education
- The applicant must state the purpose and explain how the proposal advances scholarly progress
- All grant awards are for an amount up to \$500.00 and must be used by last Wednesday in May of the award year. Your grant expenses must be accounted for on attached form and submitted with receipts by the last Friday of May of the award year.

A grant committee will be selected from the Alumni Board members and will review all proposals, which may include:

- Conference registration for presenters
- Educational software
- Guest speakers
- Support for research projects

The committee will meet January to select recipients.
