Personal Commentary (please limit comments to one page):

I spent 23 years at San José State. I would like to mention that we were very fortunate to have two great administrators. Dr. Lowell Keith was head of Elementary Education. Dr. Keith was a fine gentleman and educator.

Dr. William Sweeney was the Dean of Education for many years. His office door was always open. Dr. Sweeney was a fine gentleman and scholar. He was always available to help faculty and was a great friend as well as Dean.
