Prerequisites: Placement by The English Proficiency Test (EPT), or passage of an approved substitute course for the EPT
GE/SJSU Studies Category: Written Communication A2

Course Description

English 1A is the first course in SJSU’s two-semester lower-division composition sequence; it provides an introduction to baccalaureate-level composition, with attention to the “personal voice” and personal experience, on the one hand, and the more formal attitudes and demands of writing at the university (expository and argumentative essays), on the other. Students will develop college-level reading abilities, rhetorical sophistication, and writing styles that give form and coherence to complex ideas and feelings.

Prerequisites: Placement by the English Proficiency Test (EPT), or passage of an approved substitute course for the EPT.

Course Goals and Learning Objectives

Course Learning Outcomes (CLO)

Students shall achieve the ability to write complete essays that demonstrate college-level proficiency in all of the following:

- Clear and effective communication of meaning.
• An identifiable focus, tailored to a particular audience and purpose (argumentative essays will state their thesis clearly and show an awareness, implied or stated, of some opposing point of view).
• The ability to perform effectively the essential steps of the writing process (prewriting, organizing, composing, revising, and editing).
• The ability to explain, analyze, develop, and criticize ideas effectively.
• Effective use within their own essays of supporting material drawn from reading or other sources.
• Effective organization within the paragraph and the essay.
• Accuracy, variety, and clarity of sentences.
• Appropriate diction.
• Control of conventional mechanics (e.g., punctuation, spelling, reference, agreement).

Student Learning Objectives:
• SLO 1: Students shall write complete essays that demonstrate the ability to perform effectively the essential steps in the writing process (prewriting, organizing, composing, revising, and editing).
• SLO 2: Students shall write complete essays that demonstrate the ability to express (explain, analyze, develop, and criticize) ideas effectively.
• SLO 3: Students shall write complete essays that demonstrate the ability to use correct grammar (syntax, mechanics, and citation of sources) at a college level of sophistication.
• SLO 4: Students shall write complete essays that demonstrate the ability to write for different audiences.

**Course Requirements and Assignments**

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in [University Policy S12-3](http://www.sjsu.edu/senate/docs/S12-3.pdf).

Please see the Course Schedule at the end of this document for more details on course requirements and assignments.

**Note:**

1. Additional homework will be assigned periodically throughout the semester.
2. Communications about homework and the class in general will be sent via Canvas.
3. All parts of the semester plan are subject to change. Notice will be sent out via Canvas.

**Grading Policy**

**Grading:** A-F. This class must be passed with a C or better to move on to CORE GE Area C3 and to satisfy the prerequisite for English 1B. A passing grade in the course signifies that the student is a capable college-level writer and reader of English. “A” work will be well-organized and well-developed, demonstrating a clear understanding and fulfillment of the assignment. It will show the student’s ability to use language effectively and construct sentences distinguished by syntactic constructions at the college level and appropriate to the work’s intended audience and purpose. Such work will be essentially free of grammatical, mechanical, and usage errors. Whether written or oral, “A” work succeeds in communicating ideas clearly and effectively to the target audience.

“B” work will demonstrate abilities in the same categories as “A” work. The chief difference is that “B” work will show notable weaknesses in one of these categories. It may inadequately fulfill parts of the assigned tasks, show less facility of expression and
communication, or contain some grammatical, mechanical, usage, or delivery flaws that do not impede clear transmission of meaning.

“C” work will be generally competent and attempt to complete all tasks set by the assignment but show weaknesses in fundamentals, usually development or clarity, with barely enough specific information to illustrate the subject being addressed. The sentence construction, language, and/or delivery may be less effective and correct than “B” work, but will not seriously impede clear transmission of meaning.

“D” work will neglect one of the assigned tasks or directions and be noticeably superficial in development—that is, too brief or simplistic. The work may reveal some problems of development, detail, and/or audience. It will contain grammatical, mechanical, usage, and/or delivery shortcomings that are frequent and/or serious enough to impede clear transmission of meaning.

“F” work shows a disconnection with the course and a lack of understanding of the task and the writing conventions that are being taught. The writing is incoherent and riddled with sentence level errors. It is clear in this essay that the writer is not engaged in the class and/or the assignment.

Details:

- Assignments can be turned in on time in class or they can be turned in early to the instructor during office hours or in class. Assignments cannot be turned in to the English Department office.
- No late work is accepted, nor is any work accepted via email.
- Assignments should be printed on 8.5 x 11 clean-cut paper, in black ink, in a standard 12-point font such Times New Roman, and double spaced unless the assignment dictates otherwise. The appropriate format is MLA.
- See http://owl.english.purdue.edu/owl/resource/747/01/ for MLA information.
- If you are absent, you are responsible for getting updated on what was missed as well as what is due when you return.
- Not all assignments will be collected. Ideally, you should come to class prepared; however you should come to class even if you aren’t.
- Tests and quizzes will be given on the assigned day and can be taken early under special circumstances.
- Extra credit may be assigned throughout the semester.

**Final Assignment:**

Instead of a final exam, you will write a critical reflection at the end of the class. Think of it as a scientific study of your progress as a writer over the next four months. Remember, writing is a process. Collecting your work and then reflecting on that work is part of the process. The final assignment is designed to get you thinking about your specific challenges, your strategies for improvement, your successes and failures, and your goals for the future. Every writer, no matter how accomplished, has room for improvement. This assignment is your culminating experience. This course does not have a final exam.
Classroom Protocol

Participation and Active Learning: Participation is essential to active learning and to the learning process in general. Participation includes but is not limited to being engaged in small and large group work, bringing materials to class, focusing on the task at hand and basically contributing to the learning process that will be happening in our workshop style classroom. If you cannot make a particular class, check Canvas and/or email the teacher or contact a dependable classmate to get updated on what you missed. You are responsible for all homework whether you are in class or not.

Peer review: Part of your grade is your involvement in and commitment to peer review. Peer review is a chance for you to get some valuable feedback from your peers on your rough drafts before turning them in. If you don’t come to a workshop for a given paper, or if your essay is not a “good faith” draft, your grade on the final draft will be lowered 10%. A “good faith” draft is typed, has the full word count, and shows careful thought and planning even though it may be unfinished.

Classroom Etiquette: Please mute all electronic devices before entering the classroom and focus on the class content. In addition, we must treat others with respect and kindness so that we can build a safe and productive learning environment and writing community.

Email: When emailing, remember sign your name at the end of the email. I cannot always know who you are just by the email address. Also, remember that I am your instructor, not your IM buddy, so your language should be appropriate and professional, and I will respond in kind.

Twitter: Please create a free Twitter account for yourself and follow me (@PrasadSarah) on Twitter. It’s not a requirement, but often I will tweet homework and assignment reminders, so it’s a good idea to try this new technology if you can.

University Policies

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Refer to the current semester’s Catalog Policies section at http://info.sjsu.edu/static/catalog/policies.html. Add/drop deadlines can be found on the current academic year calendars document on the Academic Calendars webpage at http://www.sjsu.edu/provost/services/academic_calendars/. The Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Students should be aware of the current deadlines and penalties for dropping classes.
Information about the latest changes and news is available at the Advising Hub at http://www.sjsu.edu/advising/.

Consent for Recording of Class and Public Sharing of Instructor Material

University Policy S12-7, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor’s permission to record the course.

- “Common courtesy and professional behavior dictate that you notify someone when you are recording him/her. You must obtain the instructor’s permission to make audio or video recordings in this class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; you have not been given any rights to reproduce or distribute the material.”
  - It is suggested that the greensheet include the instructor’s process for granting permission, whether in writing or orally and whether for the whole semester or on a class by class basis.
  - In classes where active participation of students or guests may be on the recording, permission of those students or guests should be obtained as well.
- “Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without his/her approval. You may not publicly share or upload instructor generated material for this course such as exam questions, lecture notes, or homework solutions without instructor consent.”

Academic integrity

Your commitment as a student to learning is evidenced by your enrollment at San Jose State University. The University Academic Integrity Policy S07-2 at http://www.sjsu.edu/senate/docs/S07-2.pdf requires you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of Student Conduct and Ethical Development. The Student Conduct and Ethical Development website is available at http://www.sjsu.edu/studentconduct/.

Campus Policy in Compliance with the American Disabilities Act

If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Presidential Directive 97-03 at http://www.sjsu.edu/president/docs/directives/PD_1997-03.pdf requires that students with disabilities requesting accommodations must register with the Accessible Education Center (AEC) at http://www.sjsu.edu/aec to establish a record of their disability.

In 2013, the Disability Resource Center changed its name to be known as the Accessible Education Center, to incorporate a philosophy of accessible education for students with disabilities. The new name change reflects the broad scope of attention and support to SJSU students with disabilities and the University's continued advocacy and commitment to increasing accessibility and inclusivity on campus.
