1. Student must complete all assignments, both written and oral, to receive a passing grade (B or higher as established by the COE) for this course;
2. All assignments (except in-class work) must be typed and turned in on the due date unless extension is granted by instructor;
3. All written assignments must meet standards of academic and professional quality. Unless so stated, all written essay assignments must be typed, double spaced, paginated, free of spelling and grammatical errors. All page limits must be observed when required. Lesson and Unit Plan templates will be provided and **must be used**.
4. The quality of work and adherence to these guidelines will be considered in the final grade;
5. An “incomplete” grade will not be given except for serious medical or personal emergency circumstances, which must be communicated and agreed upon by instructor.

### Final Grades by Percentile:

A traditional grading scale is used to assign final grades as follows:

- A+ = 98-100%, A = 94-97%, A- = 90-93%,
- B+ = 87-89%, B= 84 – 86%.

Percentiles lower than 84% : student will need to repeat the course as required by the Lurie COE.

### Signature Assignment: Unit Plan-Lesson Plans-Performance Task-Written Components

Complete details regarding this assignment will be provided in class throughout the semester.

You will create a **5-Day Unit Plan** and the **5 accompanying Lesson Plans** for a class of heterogeneous ninth graders, one-third of whom are officially designated English Learners. The number of ninth graders in your class is 28 (7 groups of 4).

**Your work will be based on your choice of either To Kill a Mockingbird or Romeo and Juliet.**

The **Unit Plan** (calendar format) will have a culminating, important **Performance Task** (a written component) for Formative Assessment that students would be expected to complete. (See below). The Unit Plan itself should consist of a variety of teaching/learning strategies that scaffold student learning, as well as other components we will address in class. This Unit Plan should be completed in a ‘calendar style’ table format.
• You are also required to complete five **Lesson Plans** using the template provided by the English Department program for Secondary Education. (This will be provided to you.) Each Lesson Plan will require you to provide the following prior to addressing the segments of the actual lesson:
  o Goals for student learning,
  o Objectives (SWBAT: students will be able to…),
  o Enduring Understandings (see Wiggins and McTighe’s *Understanding by Design* for example EUs), characteristics of EUs,
  o CA Common Core State Standards (CCSSs) closely linked to the unit’s EU,
  o English Language Development Standard closely linked to the unit’s EU and the Performance Task of the unit.
  o Segments of the lesson. (Actual teaching portion). (These will be covered in class with all particulars practiced.)

• **The Performance Task** (a major student activity) may be wholly your own or one that you revise to sensibly fit your unit. This Performance Task Handout will describe the **culminating Performance Task of your unit** and include these components:
  o Context/Relevancy/Purpose: Why are you asking your students to do this Performance Task and what specifically are you assessing?
  o Task Instructions
  o Due Date
  o Other Requirements and/or Accommodations (Use this Unit Plan Assignment Description Handout as an example)
  o One **Rubric** for your Performance Task that should have 4-5 scoring levels and 4-5 evaluative criteria. The rubric may be wholly your own or one that you revise to sensibly fit your purposes.

• **The Unit Overview** paper which explains your rationale for segments of the unit including assessment and expectations for student learning. Refer to the specific Signature Assignment handout for particulars, page requirements, and etc.

• **The Oral Component** will be completed in class- see above syllabus-. Students should Xerox copies of their Lesson Plan, as applicable to the assignment, for all members of the class. The Oral component will be fully explained in class, but essentially allows you to teach a small portion from one lesson of that unit.
