Grading policy and Assignments
This is a portfolio-based writing class. Your final grade for the course will be based on scores given to your portfolio and your final exam.

Eligibility points: During the first 7 weeks of the summer, you will earn eligibility points for each assignment or activity that is required as well as for participation. The maximum number of points is 100. You must have at least 70 points to be eligible to submit your portfolio and take the final exam. If you have not earned the minimum of 70 points by the end of the 7th week of the summer, you will receive an F in the class and you will not be able to submit your portfolio. The points you receive prior to submitting your portfolio and the feedback you receive from your instructor on your drafts are intended to ensure that you have a complete portfolio, strong participation in the class, and improvement in your writing through feedback and drafting. The points you receive during this time will not be calculated as part of the final grade. They are simply an entry ticket that allows you to submit your portfolio and take the final exam.

You are encouraged to use the tutoring services on campus if you or your instructor feels that you need additional support, but all work is expected to be your own. If the instructor has reason to believe otherwise, then he or she has the right to require additional evidence that the work is your own.

Final grade: In the final weeks of the summer, you will assemble your portfolio, write a brief cover letter, and write an in-class final essay. Your final grade will be based on the scores given to your portfolio and final exam by two readers. The portfolio is worth 70% and the final exam is worth 30% of the final grade. (see grading rubric and grading scale included in this greensheet). To receive a C or higher for this course, you must receive at least 70% out of 100% on your portfolio and final exam combined.

After the portfolio and final exam are scored, the instructor may choose to petition a low-pass portfolio or final exam for a higher score if she or he believes the score is inaccurate. To be considered for such a petition, the student must be in good standing in the course and have excellent, consistent participation in
all classroom activities. Students who fail the portfolio may, on the recommendation of the instructor, have one more opportunity to revise during finals week.

**DROPPING THE COURSE**

Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Refer to the current semester’s Catalog Policies section at http://info.sjsu.edu/static/catalog/policies.html. Add/drop deadlines can be found on the current academic calendar web page located at http://www.sjsu.edu/academic_programs/calendars/academic_calendar/. The
Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Students should be aware of the current deadlines and penalties for dropping classes. If you pass the WST after the drop deadline, you will not be able to drop 100A or withdraw without penalty. You will only be allowed to withdraw for the reasons specified in the late drop policy. Information about the latest changes and news is available at the Advising Hub at http://www.sjsu.edu/advising/.

GRADING: 100A is graded A-F. CR/NCR is not an option in this course because a “credit” in 100A will not serve as alternative satisfaction of the WST requirement (students must receive a C or better in order to fulfill the WST requirement).

INCOMPLETES: No incompletes will be given for 100A.

OTHER IMPORTANT COURSE POLICIES
1. Statement of Plagiarism: The LLD and English Departments would like to emphasize that we adhere strictly to the rules against plagiarism as set forth in the SJSU Catalog. The Catalog defines plagiarism as follows:

   1.2.1 Plagiarism. At SJSU, plagiarism is the act of representing the work of another as one’s own (without giving appropriate credit) regardless of how that work was obtained, and submitting it to fulfill academic requirements. Plagiarism at SJSU includes but is not limited to:

   1.2.2 The act of incorporating the ideas, words, sentences, paragraphs, or parts thereof, or the specific substance of another’s work, without giving appropriate credit, and representing the product as one’s own work; and

   1.2.3 Representing another’s artistic/scholarly works such as musical compositions, computer programs, photographs, paintings, drawing, sculptures or similar works as one’s own.(available at http://info.sjsu.edu/static/catalog/policies.html - Student Responsibilities - Discipline – Policy on Academic Dishonesty – 1.0 Definitions of Academic Dishonesty)

   Should a student plagiarize in any ENGL or LLD 100A course, the instructor will report the student to the University’s Office of Student Conduct and Ethical Development. Also, points will be deducted from the assignment/course depending on the severity of the policy violation.

   How to avoid plagiarism. It is not always easy to recognize whether you are legitimately citing the work of others or whether you have “crossed the line” into plagiarism. To become acquainted with what plagiarism is and how to avoid it, the following SJSU website offers definitions, policies, and links to useful websites offering guidelines in plagiarism prevention. Students are fully accountable for understanding these policies. www.sjlibrary.org/services/literacy/info_comp/plagiarism.htm

2. Academic integrity statement (from Office of Judicial Affairs): Your own commitment to learning, as evidenced by your enrollment at San José State University and the University’s Academic Integrity Policy requires you to be honest in all your academic course work. Faculty members are required to report all infractions to the Office of Judicial Affairs. The policy on academic integrity can be found at http://www2.sjsu.edu/senate/S04-12.pdf

3. Academic Honesty: Faculty will make every reasonable effort to foster honest academic conduct in their courses. They will secure examinations and their answers so that students cannot have prior access to them and proctor examinations to prevent students from copying or exchanging information. They will be on the alert for plagiarism. Faculty will provide additional information,
ideally on the green sheet, about other unacceptable procedures in class work and examinations. Students who are caught cheating will be reported to the Judicial Affairs Officer of the University, as prescribed by Academic Senate Policy S04-12.

4. Campus policy in compliance with the Americans with Disabilities Act: If you need course adaptations or accommodations because of a disability, or if you need special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Presidential Directive 97-03 requires that students with disabilities requesting accommodations must register with the Accessible Education Center http://www.sjsu.edu/aec/ to establish a record of their disability. AEC’s phone number is 924-6000.

5. Expectations about classroom behavior; see Academic Senate Policy S90-5 on Student Rights and Responsibilities. (http://www2.sjsu.edu/senate/s90-5.htm).

6. If you would like to include in your paper any material you have submitted, or plan to submit, for another class, please note that SJSU’s Academic Integrity policy S04-12 requires approval by both instructors. (http://www2.sjsu.edu/senate/S04-12.pdf and academic dishonesty http://sa.sjsu.edu/download/judicial/Academic_Dishonesty_Policy.pdf).

7. **Credit hours**: Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of forty-five hours per the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities including but not limited to internships, labs, and clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus.

8. Evacuation plan for the classroom. See posted information in classroom.
