Prerequisites: Reflection on College Writing

GE/SJSU Studies Category: GE Area A2 Written Communication I

Satisfying EO 665 If you are designated remedial in English, you must be enrolled in a writing course that will allow you to clear that remedial requirement within your first year of study. Stretch English is one of the two courses that satisfy this requirement.

ENGL 1A Course Description

ENGL 1A is an introductory writing course that will help you understand the writing process and the goals, dynamics, and genres of written communication. Through interpretation and analysis of texts, you will learn to think clearly and write effectively as you give form and coherence to complex ideas. You will explore writing for various audiences and rhetorical situations.

This semester, students will be exploring Silicon Valley. Through reading, writing, reflection, and discussion, students will begin to uncover what constitutes Silicon Valley and understand the people, motivation, and scenery that have transformed the once residential area into a technological and educational beacon.
ENGL 1A Learning Outcomes (GELO)

Upon successful completion of the course, you will be able to
• read actively and rhetorically;
• perform the essential steps in the writing process (prewriting, organizing, composing, revising, and editing) and demonstrate an awareness of said performance;
• articulate an awareness of and write according to the rhetorical features of texts, such as purpose, audience, context, and rhetorical appeals;
• integrate your ideas and those of others by explaining, analyzing, developing, and criticizing ideas effectively in several genres;
• demonstrate college-level language use, clarity, and grammatical proficiency in writing.

ENGL 1A Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, you are expected to spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on.

Classroom Protocol

Classroom Protocol I have one rule: be respectful. This means no texting, no on-line shoe shopping, no unnecessary yawning, no snoring or otherwise making random noises. No arriving fifteen minutes late and interrupting the lecture or discussion to fumble to your seat.

Late work: Students must be in attendance to complete in-class assignments. Written assignments cannot be handed in late without prior consent of the instructor; any assignment arriving after the class period has ended is considered late. . . and will not be accepted.

Exception to late work rule: Students may make up missed in-class assignments with prior consent of the instructor. Out-of-class essays, in case of emergency (written and signed proof necessary), may be turned in up to one week late. Such work, however, might not be returned in a timely fashion.

Canvas: Students will be required to check Canvas regularly and to be familiar with ways Canvas will be used in the course.
