Top 5 Tips to Plan Your Day

1. **Prioritize** the presentations and programs you would like to visit.

2. If possible, **split up sessions** between family and friends. You can cover more program activities and compare notes at the end of the day.

3. Program activities are **first-come, first-served** and some workshops hit maximum capacity.

4. Be **flexible** - workshops repeat!

5. Be sure to visit the **Resource Fair** to learn about becoming a Spartan and succeeding here at SJSU.

Another important tip…

**Remember to check your MySJSU often!**
If you do not check your MySJSU, you will miss out on important and timely notification of new messages posted to your MySJSU account regarding admission, fees, financial aid, enrollment appointments, tests and transcript information.

**Make sure your personal information is up to date – Your email address is critical!** Confirm your email address and update if necessary.

Be sure to set your filters to accept messages from the @sjsu.edu domain.
