Meet all Deadlines
If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU in Fall 2018. If you have an extreme hardship or unusual circumstance that may cause you to miss one of our deadlines, contact admissions@sjsu.edu immediately! If you are concerned about being able to meet a deadline it is best to contact us with your questions or concerns before the deadline. This way, we can assist you before action is taken on your account.

Former Students Returning (FSR)
Former students who have not attended SJSU for the past two consecutive semesters and who have not been granted a leave of absence, must reapply for admission and meet all deadlines, conditions and admission requirements currently in effect.

Admission Priority
Former SJSU students returning may gain admission priority by completing a Re-Admission Petition form (sjsu.edu/registrar/forms) and obtaining departmental approval. Submit the form by January 15, 2018.

Disqualified Students
To be considered for admission, former SJSU students who have been disqualified must complete and submit two separate forms for consideration and approval: the Reinstatement Petition and the Re-Admission Petition forms (sjsu.edu/registrar/forms/reinstatement/index.html). Please follow the instructions on each of these forms to successfully return to SJSU.

Coursework Outside the U.S.
Very Important! When you fill out the admission application at CalState.edu/Apply, you must include all high schools and colleges/universities attended, including those outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission.

How to Apply

1. Choose your major carefully - Competitive Selection Process (Impaction)

   Majors Criteria
   SJSU is a fully impacted campus, which means we have more qualified applicants than student spaces available. Because our admission process is competitive, meeting the minimum California State University (CSU) requirements does not guarantee admission to SJSU.

   Freshman Criteria
   CSU eligible freshman applicants will be ranked based on their Eligibility Index (EI) number per degree program (major). This number is determined through a combination of the applicant’s self-reported GPA (at the time of application) and official SAT or ACT test scores. See “Eligibility Index” under Freshman tab.

   Transfer Criteria
   CSU-eligible transfer applicants will be ranked per degree program (major) based on their self-reported GPA. Some programs will give preference to applicants who have completed program-specific preparation courses. For these programs, applicants will be ranked on a combination of their self-reported GPA and the completion of approved program-specific courses. All transfer applicants will be required to complete and submit a supplemental application to be considered for admission. See “Supplemental Criteria” under Transfer tab.

   Preference for “local” applicants
   San José State gives preference to “local” applicants. Freshmen are considered “local” if they will graduate from a high school in Santa Clara County. Transfers are considered “local” if they will earn the majority of their transferrable units at a college located in Santa Clara or Santa Cruz counties.

   Learn more about your major criteria at sjsu.edu/admissions/impaction

   Changing Major
   You cannot change your major during the admission process. Once you are admitted, your major cannot be changed before the beginning of the semester. Your mandatory orientation, advising and registration will all be based on the major to which you were admitted.

   If you wish to change your major after you have enrolled, you will need to go through the formal change of major process after the start of the semester. Please note that change of major is never guaranteed and is by petition only.

   You must also enter an alternative major on your application to SJSU. We will admit applicants who did not meet the impaction criteria for their first-choice major to their alternate major on a space-available basis only. Transfer students may not apply as an undeclared major.

2. Meet all CSU and SJSU academic requirements

   Freshmen - See “Academic Requirements” under the Freshmen tab
   Transfers - See “Academic Requirements” under the Transfers tab
3 Apply to SJSU at CalState.edu/Apply by Nov. 30, 2017
Application Period: Sunday, October 1, 2017—Thursday, November 30, 2017 (11:59 pm)

THERE ARE NO EXCEPTIONS TO THE APPLICATION DEADLINE

- Use your full, legal name consistently on every application and every document you submit.
- If you allow another person to fill out your application, you are still responsible for meeting all requests for information and deadlines.
- Review your application carefully, because you will not be able to make changes after it has been submitted.
- Once you submit your application, you will receive a confirmation number: this is your receipt and proof that you submitted the application by the deadline.

Educational Opportunity Program — First Generation College Students
EOP is designed for undergraduate students who are considered California residents or ABS40 students with a history of low-income (as determined by the FAFSA or CA Dream Act Application) and are from an educationally disadvantaged background. The application to be considered for EOP is part of the application for admission that you will complete at CalState.edu/Apply.
Learn more at sjsu.edu/eop

4 Look for an email with your SJSU ID
About a week after applying at CalState.edu/Apply, you will receive an email with your nine-digit SJSU ID included. This nine-digit number will be your primary university identification throughout your career at SJSU. (Make sure the spam filters on your email account are set to accept email from @sjsu.edu.)

5 Set the password to access your MySJSU account (and your SJSUOne wireless account on campus)
sjsuone.sjsu.edu/SJSUOne/ResetPassword

6 Sign in to your MySJSU student account at my.sjsu.edu
Click on the blue “MySJSU” button and enter your nine-digit SJSU ID and the password you created in Step five. Make sure your personal information is current and correct—your email address is critical!

7 Check your MySJSU account frequently
Check your MySJSU account at least once a week for important and time-sensitive notices about admission, fees, financial aid, enrollment appointment, test and transcript information and deadlines.
Messages posted to your MySJSU student account are the main method of communication used by SJSU throughout the application process.

Academic Requirements

A-G Courses

Complete the required high school courses with grades of “C-” or better (prior to your high school graduation date)

All required high school courses must be completed by the end of the spring semester of your senior year. Courses taken during the summer after high school graduation cannot be used to meet admission requirements for Fall 2018. A list of approved courses can be found at ucop.edu/agguide

☐ a. History/ Social Science 2 years required
One year of U.S. History or U.S. History and Government

☐ b. English 4 years required
Composition and Literature

☐ c. Mathematics 3 years required (4 years recommended)
Algebra, geometry, intermediate algebra, or integrated mathematics

☐ d. Laboratory Science 2 years required (3 years recommended)
One year of biological science and one year of physical science; both with lab

☐ e. Language other than English 2 years required
Study in the same language

☐ f. Visual and Performing Arts 1 year required
Select a year-long course from art, theater/drama, music or dance

☐ g. Elective 1 year required
Select from areas a–f (above) or from another approved college prep “A–G” course

Take the SAT or ACT

Freshman applicants are required to take the SAT (evidence-based reading and writing and math) or ACT and submit their scores to SJSU. Request to have your official scores sent from the testing agency — scores listed on your transcript or on your application for admission will not be accepted as a substitute. Please note: The SAT/ACT writing portion is not used for admission or placement purposes at SJSU.

Final Test Date | Scores Due at SJSU
--- | ---
SAT | Saturday, Nov. 4, 2017
| Wednesday, Jan. 3, 2018
ACT | Saturday, Oct. 28, 2017
| Wednesday, Jan. 3, 2018

*You may take the December exam, however, you must rush your scores, and you risk missing the deadline to be considered for admission.

College of Engineering Applicants

Applicants to programs in the College of Engineering will be ranked using a modified eligibility index that will weigh the math section of the SAT more heavily than the evidence-based reading and writing/critical reading section. See sjsu.edu/impaction for more details.

Minimum Eligibility Index

Meet or Exceed the Minimum Eligibility Index (combination of Grade Point Average and SAT/ACT scores)

The eligibility index is the combination of your high school grade point average and your SAT/ACT test scores and is the minimum requirement to be considered for our competitive admission process (impaction). To view last year’s impaction thresholds for your major, visit sjsu.edu/admissions/impaction (Please keep in mind the thresholds change each year.)

Grade Point Average (GPA)

Your official GPA for admission to SJSU may be different than the GPA on your high school transcript. This is because we calculate your high school GPA using your 10th and 11th grade a–g courses when considering you for admission.

You can estimate your GPA (including honors, IB and AP courses) using the CSU Grade Point Average Calculator at https://www.csula.edu/apply/eligibility-index

Calculating Your CSU Eligibility Index

IF YOU TOOK THE SAT...
1. CFPA x 100
   - your highest SAT math score
   - your highest SAT EBRW score
2. total

IF YOU TOOK THE ACT...
1. CFPA x 100
   - your highest composite score x 10 (without the writing score)
2. total

**## 2017-2018 Academic Requirements**

### Reach Junior Standing (upper division transfer)

**Complete 60 or more transferable semester units or 90 or more quarter units by the end of the Spring 2018 term.**

If you are seeking a second bachelor’s degree (except for those entering the nursing program), you will not be admitted. Learn more about courses that are accepted at SJSU at transfer.sjsu.edu.

**California College and University Credits**

To learn how course credits earned at one public California college or university can be applied when transferred to another, use ASSIST, an online student-transfer information system, at assist.org.

### Four Basic Skills Courses

**Complete 30 semester units (45 quarter units) of general education, including four basic skills courses**

Complete your four basic skills courses as early as possible. The four basic skills courses and 60 transferable semester units (90 quarter units) must be completed by the end of the spring term to be eligible for admission to the fall semester. You must earn a “C-” or higher grade in each basic skills course.

Courses taken during the Summer will not be counted toward the completion of requirements for Fall 2018.

- 1. One course in oral communication (Area A1)
- 2. One course in written composition (Area A2)
- 3. One course in critical thinking (Area A3)
- 4. One course in college-level mathematics or quantitative reasoning, with intermediate algebra as a prerequisite (Area B4)

---

### Minimum GPA

**Earn a college grade point average of 2.00 or better in all transferable courses**

Be in good standing at the last college or university attended.

- Nicole
  - Global Studies

### Complete the Supplemental Application

**For most majors (degree programs), transfer applicants are ranked by self-reported GPA per degree program and admitted in sufficient numbers to meet the capacity for that program.**

**Important! - Supplement Coursework and Criteria**

Select programs will admit students based on a combination of their self-reported GPA and the completion of program-specific, lower division coursework. These programs are noted in the “Degrees” section.

For these select programs, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the applicant with the higher GPA.

The major-specific courses that will be considered are listed at sjsu.edu/admissions/impaction.

### Associate Degree for Transfer

**A Degree with a Guarantee.™**

**Transfer Associate Degree**

At SJSU, a California Community College student who has earned the Associate in Arts degree for Transfer (AA-T) or the Associate in Science degree for Transfer (AS-T) will receive priority admission consideration into a similar baccalaureate degree program as long as the student meets all the admission requirements. Verification of degree completion will be required during the application process as well as at final verification prior to enrollment.

Transfers with the AA-T or AS-T degree who do not meet SJSU’s impaction criteria (based on their intended major) are not guaranteed admission in a specific major or campus, but will receive priority admission consideration at their local CSU to a program or major that is similar to their associate degree.

**Fees Are Subject to Change**

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

**In-state tuition for certain non-residents of California (AB 540 provisions)**

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU stating that you have filed an application to legalize your immigration status, or will do so as soon as you are eligible. You will need to show proof of attendance and graduation. For more information visit sjsu.edu/registrar/students/Residency/ab540.html

---

**Financial Aid**

**Free Application for Federal Student Aid (FAFSA)**

To help cover the cost of attending SJSU, you may apply for financial aid provided through federal grants, state grants, work study and loans by using the Free Application for Federal Student Aid (FAFSA). Once you apply, you will view a personalized Student Aid Report online. Print this report for your records. SJSU’s Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process. Learn more at sjsu.edu/faso

You can submit your application starting Sunday, October 1, 2017. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Friday, March 2, 2018. You can apply after March 2 but the amount of financial aid that you receive may be reduced due to available funding.

Learn more at fafsa.ed.gov

**California Dream Act Application—AB540 Students**

AB540 students (undocumented immigrant status) may qualify for the state grant programs that make up the California Dream Act of 2011. For the California Dream Application, you will need SJSU’s six-digit code, which is 001155. You can submit the application starting Sunday, October 1, 2017. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Friday, March 2, 2018 at caldreamact.org

The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131).
Housing

Freshman Housing Requirement
Freshmen who graduate from a high school located in a city outside a 30-mile radius of campus are required to live on campus during their first year at SJSU. An appeal can be filed for an exception to this requirement once admitted. The Freshman Housing Requirement Application deadline is Tuesday, May 1, 2018. Apply at sjsu.edu/housing

Residence at International House meets the freshman housing requirement. If you are interested in living in the I-House, you must send a separate application directly to the I-House. Applications are available at sjsu.edu/ihouse
