Frosh Orientation is a mandatory one-day program that will acquaint you with the campus, introduce you to your college and major department, and provide you with critical academic planning information. All admitted students must attend orientation. You are required to attend the entire program. If you do not attend or leave during any portion of the event, you will be blocked from registering for classes and will not be able to attend SJSU in Fall 2018. Students who arrive late will not be allowed to attend the program. During orientation, you will:

• Be welcomed from SJSU administrators, faculty, staff and students and learn what it means to be part of the Spartan community.
• Connect with student leaders in small groups and have an opportunity to ask questions about campus life.
• Receive campus information to help maximize your first-year experience and student success.
• Learn tools to best navigate key university services and resources.
• Meet with academic advisors to plan your class schedule and register for courses.
• Review what’s next before you start classes.

For more information, visit sjsu.edu/newspartans or contact New Student and Family Programs at frosh-orientation@sjsu.edu or 408.924.5972.

Frequently Asked Questions

What if I do not complete required courses or miss a deadline?
You will have your admission to SJSU revoked and your registration canceled. Failure to submit your transcript will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the Summer 2018 term?
You may not use coursework from the Summer 2018 term to complete admission requirements.

Can I defer my admission to another term?
No, your admission is good for one term only. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

I am provisionally admitted; what if I earn “D” or “F” grades?
Your final transcript must show that you have passed required courses for admission with the equivalent of a “C-” or better prior to your high school graduation date. We will withdraw your admission for failure to meet this standard.

Can I change my major?
Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.
Pay Your Enrollment Deposit

https://nextsteps.sjsu.edu

In order to complete the Next Steps Intent to Enroll process, you will be prompted to pay your enrollment deposit online via a link provided in your Next Steps portal. Your $250 enrollment deposit includes your $180 orientation payment and deposit of $70 towards your tuition and fees for Fall 2018. Please note: The $250 enrollment deposit is nonrefundable, even if you do not enroll in classes for the Fall 2018 semester.
Apply for Campus Housing

sjusu.edu/housing (University Housing Services)

sjusu.edu/ihouse (International House)

If you would like to stay on campus while attending SJSU, you must complete a housing application for either University Housing Services or the International House, depending on where you prefer to stay for the 2018-19 school year. (Please note there is a separate application for the International House.)

Freshmen who are required to live on campus

Freshmen who graduated from a high school located in a city outside a 30-mile radius of campus are required to live on campus during their first year at SJSU. Priority will be given to freshmen who have completed the housing application and all of the required steps by Tuesday, May 1, 2018. Housing applications will still be accepted after this date as long as space remains available.

University Housing Services

We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to university life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown. If you have questions, contact University Housing 408-795-5600 or uhs-frontdesk@sjusu.edu.

The Housing Application deadline is Tuesday, May 1, 2018. To fill out a housing application, visit sjusu.edu/housing and fulfill the following requirements:
1. A completed online University Housing application
2. A $50 non-refundable application fee
3. A $600 initial payment

Room/Apartment Assignment

We encourage all applicants to complete the online housing application and submit payments as soon as possible. Applicants will be assigned to their preferred apartment/building or room and occupancy type whenever possible based on the date their license materials and payments are received.

You must complete your online application (electronically signed license agreement and $50 application fee) and submit the $600 initial payment by Tuesday, May 1, 2018 in the first round of housing assignments. Room/apartment assignments will be made on a first-paid, first-served basis after May 1.

International House (I-House)

A large, comfortable home located near campus, the International House (I-House) is a residence for 70 U.S. and international students attending San José State. At I-House, residents find friends, study partners, and mentors in addition to opportunities for leadership, group activities and travel. I-House students represent approximately 25 countries, range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate and English language programs.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjusu.edu/ihouse.

All information, dates, test scores, and fees subject to change without notice.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Fee Payment Deadlines

After you register, sign in to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped. For more information about payment methods, including international wire transfer, fees and payment due dates visit sjusu.edu/bursar.

Installment Payments

For payment plan options visit sjusu.edu/bursar/payment_refunds/installments/index.html. There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate. Please note: Students are not able to sign-up for the payment plan until charges actually appear on their account, either tuition and fees, or housing charges. Payment plans will be available only when tuition and fee and/or housing charges appear on your student account.
Important Information

Student Responsibilities and Rights
As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights (http://info.sjsu.edu/web-digen/nan/static/catalog/studentrights.html) section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students’ academic and personal growth, as well as review important university policies and procedures (http://info.sjsu.edu/static/catalog/policies.html) every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct
Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one’s actions, respect for oneself and one’s community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies.

Students with Disabilities
The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs. Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology.

Students should provide the AEC with disability verification as soon as possible. Before registering for classes, make an appointment with the center at 408–924–6000 for review of specific needs.

Non-Discrimination Policy
San José State University does not discriminate on the basis of age, ancestry, citizenship status, color, disability, ethnicity, gender, gender expression, gender identity, marital status, medical condition, military/veteran status, national origin, race, religion or lack thereof, sex, sexual orientation, genetic information or veteran’s status. This policy applies to all SJSU students, faculty, staff and third parties. Questions regarding this policy should be directed to the director of the Office for Equal Opportunity, 408-924-2250.

SJSU prohibits sex and gender based discrimination, harassment and retaliation, sexual misconduct, dating and domestic violence and stalking against students, faculty, staff and third-parties. Please direct questions regarding these policies to the University’s Title IX Office at 408-924-7290. Learn more at http://notalone.sjsu.edu.

Required Proof of Immunizations
Most new students must provide proof of vaccination or immunity for Measles, Mumps, Rubella (MMR) and Hepatitis B prior to the first day of classes. For information on requirements and how to submit, visit sjsu.edu/registrar/students/Immunization.

Financial Aid

FAFSA
To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work study and loans, by using the Free Application for Federal Student Aid (FAFSA) at fafsa.gov. For the FAFSA, you will need SJSU’s six-digit code, which is 001155.

Once you apply, your SJSU’s Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process.

The application period started Sunday, October 1, 2017. Although the priority deadline was March 2, 2018, you can still apply for financial aid. But the amount of financial aid that you receive may be reduced due to available funding. Be sure to complete any requested documents on your “To Do List” by April 27, 2018. Learn more at sjsu.edu/faso.

California Dream Act – AB540
AB540 students (undocumented immigrant status) may qualify for state grant programs that make up the California Dream Act of 2011. The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131).

For the California Dream Application, you will need SJSU’s six-digit code, which is 001155. The application period started Sunday, October 1, 2017 and the priority deadline was March 2, 2018. Although the priority deadline has passed, you can still apply at caldreamact.org. For more information visit, sjsu.edu/studentaffairs/current_students/AB540_students.

Required Proof of Immunizations
