Application Overview

Now that your application is submitted, San José State University’s CAPE office will evaluate your application to make sure you have met the minimum university requirements (i.e. an eligible undergraduate degree with a minimum GPA). If minimum requirements are met, your application is then reviewed by the academic program to which you have applied.

The minimum grade point average (GPA) for admission to the university is a 2.5 GPA in the last institution where you earned a degree. Professional development courses and courses taken in non-accredited institutions are not included in the evaluation of GPA. Coursework completed outside the U.S. and Canada must be evaluated by WES (World Education Services) and marks earned will be converted to the U.S. GPA standard – international transcripts sent by the applicant directly to SJSU will not be considered for admission.
Application Process

1. **Submit your Application Fee**
   If you did not submit the $55.00 application fee at the time of submission, please submit your application fee as soon as possible. We will not begin to process your application until we receive your application fee. The $55.00 fee can be paid by check, money order, or cashier’s check. Cash is not accepted. The fee can be paid by credit card only at the time the application is submitted.

   Your payment is non-refundable, even if you withdraw the application or if the application is denied. The fee can be applied only to the admission term indicated on your submitted application.

2. **Look for an email with your SJSU ID**
   Five to seven business days after applying at CSU Mentor, you will receive an email with your nine-digit SJSU ID number and instructions to access your MySJSU student account. If you do not receive your ID within that time period, contact admissions@sjsu.edu. Include your full name, birth date, and mailing address for identity verification purposes.

   Once you access your MySJSU account, you will be able to check the status of your application. Your MySJSU account is the first and best place for information on your application status.

3. **Sign in to your MySJSU student account at http://my.sjsu.edu**
   SJSU communicates almost entirely by messages and “To Do List” items posted to your MySJSU student account. Check your MySJSU account at least once a week for important and timely notices, such as your admission status, fees, any test requirements, transcript information, financial aid, and deadlines.

4. **Check for any program-specific application requirements**
   Check your intended graduate program to find out if you must submit a separate department application, letters of recommendation, and graduate test scores. Be sure to follow all specific program procedures. All supplemental program materials should be sent directly to the program department. To view a list of graduate programs, visit sjsu.edu/gape/graduate_programs

   If you meet the minimum university standards, your application will be referred to the department that offers your intended graduate program. Your program will notify GAPE of the results of their review of your application. GAPE will post the final admission decision to your MySJSU account. If you have not received an admission decision after four weeks of being referred out for review, contact your intended graduate program to determine when the department review will be completed.

5. **Submit official required documents (transcripts or World Evaluation Services [WES] evaluations) listed on your MySJSU “To Do List”**
Document Requirements

U.S./Canada Institution Transcripts
All transcripts must be sealed and unopened to be accepted as official documents. COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED. Once submitted to SJSU, documents become the property of the university and cannot be released.

Individuals currently enrolled in courses at the time of their application for admission are required to submit the most current “Work In Progress” transcript from the institution. Students planning to earn a degree before Fall 2016 will still need to submit final transcripts once they graduate from their current institution. Please note that documents must contain a minimum of seven semesters (10 quarters) for applications to be reviewed. If this information is not provided by the stated deadlines, applications will be withdrawn.

Coursework Completed Outside U.S. and Canada
If you have completed post-secondary coursework at an institution outside the U.S. or Canada, you must submit your transcripts/mark sheets directly to WES (World Education Services) for a document-by-document evaluation. We accept the Basic or ICAP document-by-document evaluation. SJSU must receive your academic record and the evaluation directly from WES. Transcripts sent directly to SJSU will not be considered for admission. We will review applications of those in the final year of study. Please note that documents must contain a minimum of seven semesters (10 quarters) for applications to be reviewed. If this information is not provided by the stated deadlines, applications will be withdrawn.

California Residency
The laws of California provide that every student in the California State University system must be classified as either a resident or nonresident for tuition purposes. Applicants have the ultimate burden of proving their residence classification. For admission to Fall 2016 as a resident, you must have established California residency by September 20, 2015 (one year prior to the start of the Fall 2016 term).

Established California residents should not submit a residency form. If you have lived in California for fewer than two years, the residency form should be submitted with supporting documents. To download the form or for more information, visit sjsu.edu/gape/prospective_students/residency

Declaration of Finance
In addition to the online CSU Mentor application, all international applicants MUST submit a signed and dated Declaration of Finance. Federal immigration regulations require that all international students provide evidence of adequate liquid funds to meet the financial obligations of enrollment at a U.S. university. The combined U.S. dollar amount from you or your sponsor(s) must equal or exceed the minimum listed for the application term, which at this time is approximately $35,000 U.S. dollars. For the most current fees, visit sjsu.edu/bursar/fees_due_dates/tuition_fees/index.html

Please note that special session programs and the College of Business may require higher tuition fees to be listed on the Declaration of Finance. You can contact the specific department offering special session programs for more information about the annual costs of their programs.

Bank Letter or Bank Statement
A letter from your bank, or a copy of your bank statement, showing the amount of liquid funds in your account is required. The letter/statement must have been issued within the previous six months and must be reported in U.S. dollars. If you have a sponsor, the name listed on the Bank Letter or Bank Statement must match your sponsor’s name. For specific requirements, please visit sjsu.edu/gape/prospective_students/international/ and review the information under “Step 8.”

Copy of Passport
A copy of your current passport is also required if you are an international applicant. The name listed on your passport and your I-20 form must be the same. There are no exceptions to this rule.

Please note: The name on the I-20 form will appear exactly as it was submitted on your CSU Mentor application.

How to Submit Documents

Please DO NOT submit documents prior to application. Doing so could cause delays in the processing. If you submitted documents prior to applying, please contact admissions@sjsu.edu and include your assigned nine-digit SJSU ID# and full name in the body of the email.

1. Convert documents to PDF format. Free PDF converters are available at primopdf.com or freepdfconvert.com
2. Make sure the documents are readable, in individual files (one form per PDF document), and that the institution’s name is at the top of the page.
3. Include your nine-digit SJSU ID and your first and last name in the BODY of the email message.
4. Send email with attachments to sa-adm-wrkflow@sjsu.edu (One email may contain multiple PDF files).

After your documents have been submitted, it may take up to three weeks for your “To Do List” items on your MySJSU account to be updated. Apply early to avoid delays and submit documents as soon as possible in the approved format.

Coursework Completed Outside U.S. and Canada

SJSU requires all applicants who have completed coursework outside of the United States and Canada to provide a WES (World Education Services) document-by-document evaluation. We accept the Basic or ICAP document-by-document evaluation.

Records submitted to WES in support of the application become the property of the university and will not be returned to the applicant/student. Do not submit transcripts directly to SJSU. To request a WES evaluation, follow the country-specific requirements and arrange for document delivery to SJSU at wes.org/fees/evaltypes.asp

SJSU must receive your evaluation from WES by the posted admission deadline (For deadline dates visit sjsu.edu/gape/prospective_students). If WES determines they do not evaluate work completed at your institution, you must use another approved evaluation service. GAPE will accept evaluations from an approved evaluation service other than WES if WES confirms that they do not evaluate work completed at your institution(s).

To determine if WES is able to conduct an evaluation of work completed at your institution, visit wes.org/required/index.asp For information about other approved evaluations services, contact admissions@sjsu.edu.

Sending WES Evaluation

For detailed instructions on how to send documents through WES, click here. Please follow these instructions closely. If you do not complete each step as shown, we will not receive your documents.

The following are steps for submitting items by email.

1. Convert documents to PDF format. Free PDF converters are available at primopdf.com or freepdfconvert.com
2. Make sure the documents are readable, in individual files (one form per PDF document), and that the institution’s name is at the top of the page.

4. Send email with attachments to sa-adm-wrkflow@sjsu.edu (One email may contain multiple PDF files)

After your documents have been submitted, it may take up to three weeks for your “To Do List” items on your MySJSU account to be updated. Apply early to avoid delays and submit documents as soon as possible in the approved format.

Test Requirements

Graduate Program Test Requirements
Many of our SJSU graduate programs require that applicants take a standardized test before they are eligible to be admitted to the program. Refer to the following list to check whether your intended program requires a particular test; minimum scores are also listed at sjsu.edu/gape/prospective_students/test_requirements

English-Language Proficiency Exam
An English-language proficiency exam is required for all students who graduated from a higher education institution in a country in which the primary language is not English. The exam requirement is waived only if the student has received an undergraduate or graduate degree from an accredited U.S. institution, or completed three years of full-time coursework in an accredited U.S. institution. The English-language proficiency exams accepted include:

- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)

Test scores must be fewer than two years old and sent directly from the testing agency to San José State University. The SJSU institution code is 4687 (ETS code only).

Admission Deadlines
To view document deadlines for your intended graduate program, visit sjsu.edu/gape/prospective_students/deadlines

Our international deadlines are much earlier than our domestic deadlines due to the lengthy visa process that international applicants must complete. Please plan accordingly.

If Admitted to SJSU

Course Registration
If you are offered admission to the university you will receive an official letter of admission. You will be able to view your registration appointment date for course registration through your MySJSU student account. After logging into your MySJSU account, navigate to Self Service > Enrollment > Enrollment Dates and select a term. Questions about registration can be directed to registrar@sjsu.edu

Intent to Enroll and Orientation
You will be invited to participate in SJSU’s Intent to Enroll process in your admission materials. SJSU’s intent to enroll process allows you to accept the university’s offer of admission and register for a university-wide Graduate Student Orientation. In addition, contact your program to find out if a department-specific orientation program will be offered separately.

I-20 Process (International Students Only)
If you are offered admission to the university, we will process your I-20 form and mail it to you as soon as possible so that you may start your F-1 visa process. If you are an international student, you must inform the GAPE office of your visa status at the time you submitted your admissions application.

Mailing Admission Packets Overseas
If you are admitted, you will have 72 hours to sign up for Express Mail. You must order Express Mail to track your admission packet and I-20. San José State uses an Express Mail service that allows you to receive your admission packet, which includes your acceptance letter and I-20 form, in five to seven days (once SJSU has processed your Express Mail order).

We will post your admission notice to your MySJSU account. You will have 72 hours from the date of that notice to order Express Mail request. You must pay for the cost of Express Mail (approximately $50), which can be paid for with a credit card (Visa, MasterCard, or Discover cards only). To order Express Mail, visit https://study.eshipglobal.com For more information on Express Mail, contact support@eshipglobal.com

If you do not order Express Mail within the required timeframe, your admission packet will be sent through regular overseas mail. Packets sent through regular overseas mail cannot be tracked and will take up to two months to receive.

**Costs**

Fees are due after registering for your classes. Check your MySJSU account to see your payment due date. After you register, log on to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped.

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation. Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

Accessible Education Center (AEC)
The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs.
Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible after applying to SJSU. It is important to make an appointment with the center at 408-924-6000 for review of specific needs prior to registering for classes.

Immunization
As a new student, you will need to provide proof of Measles and Hepatitis B immunization prior to enrollment. If you don’t have documentation, go to the SJSU Health Center to get your shots and proof of immunizations. Bring the forms to window “R” in the Student Services Center or fax them to 408-924-2077.

Student Code of Conduct
Members of the SJSU community are expected to demonstrate academic integrity, accountability for one’s actions, respect for oneself and one’s community, and personal development. It is, therefore, important that students familiarize themselves with the Student Code of Conduct and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, and online at sjsu.edu/studentconduct/policies/index.html

Student Responsibilities and Rights
As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90-5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students’ academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding. That information can be found at http://info.sjsu.edu/static/catalog/policies.html

Non-Discrimination Policy
San José State University does not discriminate on the basis of accent, age, ancestry, citizenship status, color, creed, disability, ethnicity, gender, marital status, medical condition, national origin, race, religion or lack thereof, sex, sexual orientation, transgender, genetics or veteran’s status. This policy applies to all SJSU students, faculty and staff programs and activities. Questions regarding this policy should be directed to the director of the Office for Equal Opportunity, 408-924-2250. Learn more at sjsu.edu/hr/about_us/hr_directory/eo_unit/title_ix/
