Coursework Outside U.S.
Very Important! When you fill out the admission application at CalState.edu/Apply, you must include all high schools and colleges/universities attended, including those outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission.

sjsu.edu/admissions/impaction

Lower Division Transfers
Lower division transfer students must meet the Freshman academic requirements and have at least a 2.0 GPA in all college coursework.

Meet all Deadlines
If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU for the term in which you applied. If you have an extreme circumstance that may cause you to miss one of our deadlines, contact admissions@sjsu.edu prior to the deadline date.

Former Students Returning (FSR)
Former students who have not attended SJSU for the past two consecutive semesters and who have not been granted a leave of absence, must reapply for admission and meet all deadlines, conditions and admission requirements currently in effect.

Admission Priority
Former SJSU students returning may gain admission priority by completing a Re-Admission Petition form (sjsu.edu/registrar/forms) and obtaining departmental approval. Submit the form by January 15, 2019.

Disqualified Students
To be considered for admission, former SJSU students who have been disqualified must complete and submit two separate forms for consideration and approval: the Reinstatement Petition and the Re-Admission Petition forms (sjsu.edu/registrar/forms). Please follow the instructions on each of these forms to successfully return to SJSU.

Coursework Outside U.S.
Very Important! When you fill out the admission application at CalState.edu/Apply, you must include all high schools and colleges/universities attended, including those outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission.
**Freshman Academic Requirements**

**Academic Requirements**
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:

1. Earn the equivalent of a U.S. 3.0 grade point average (GPA) or an average of "B" grades. If required, SJSU will convert your international GPA to a U.S. GPA in order to evaluate your application. Please note that some majors require higher GPAs than others.
2. Successfully complete three years of college preparatory mathematics with a minimum grade of “C-” or better.
3. Submit official test scores from an approved English language proficiency test (TOEFL, IELTS or PTE). Scores must be sent directly from the testing institution.
4. Take SAT or ACT (highly recommended). If you do not have a 3.0 GPA, you are required to submit SAT or ACT scores.
5. Submit official secondary school (high school) transcripts, which must include the completion/graduation date.

**Additional Requirements**
If you attended a high school with American accreditation, you must meet the domestic “Freshman Admission Requirements”, find additional information at sjsu.edu/freshmanadmissions/admission-requirements as SJSU will evaluate your application based on the academic requirements outlined on this page.

If you have taken “O” level examinations, SJSU requires that five subjects are passed in one sitting, including Math and English (English as a Second Language (ESL) is not acceptable); if these requirements regarding “O” level examinations are met, the English Language proficiency test will be waived. Certified copies of “O” level examinations must be sent directly to SJSU from the testing service or attested by your school; scores sent by the applicant will not be accepted.

If you have taken “A” level and/or “AS” level examinations, SJSU may award college credit if you pass these exams with a “C” or higher. SJSU must receive “A” and “AS” level examination scores directly from the Board of Examinations. Scores sent by you or certified statements of exam results will not be accepted.

If your studies were in the International Baccalaureate (IB curriculum) program, please submit your school transcripts for evaluation. You will be required to complete four years of English and three years of mathematics and earn a passing score of “C-” or higher. For those earning scores of 4 or higher on the IB Higher Level exams, SJSU may award college credit.

**Impaction Criteria (for Freshmen)**
Admission to San Jose State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements for CSU eligibility does not guarantee admission to San Jose State.

Freshman applicants who meet the minimum academic requirements will be ranked in each major based on a combination of their self-reported GPA (at the time you apply) and official SAT or ACT test scores. To view last year’s EI thresholds, visit sjsu.edu/admissions/impaction.

SJSU must receive “A” and “AS” level examination scores from the Board of Examinations. Scores sent by you or certified statements of exam results will not be accepted.

**English Language Proficiency Requirement**
To satisfy the English language proficiency requirement, undergraduates may take any one of the following tests:

- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)

**Minimum Proficiency**

**Exemptions to the English Language Proficiency Test Requirement**
Applicants who provide evidence of studying full-time at an institution where English is the primary language of instruction for at least three years. We encourage all students to take one of the English language proficiency exams above. For more information about exemptions visit sjsu.edu/admissions/about_us/english_proficiency
Transfer

**Lower Division Transfer**
(Less than 60 Semester / 90 Quarter Units)
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:
1. Must have earned less than 60 semester/90 quarter transferable units.
2. Meet all Freshman Admission Requirements. (Please refer to the Freshman Admission Requirements section.)
3. Earn a grade point average (GPA) of 2.0 or greater in all U.S. college/university work.
4. Submit official test scores from an approved English language proficiency test (TOEFL, IELTS, or PTE) unless exempt. See the English Language Proficiency Requirement section for a list of exemptions.
5. Be in good standing at the last institution you attended (for example, not disqualified).

**Upper Division Transfer**
(More than 60 Semester / 90 Quarter Units)
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:
1. Successfully complete the equivalent of 60 semester/90 quarter transferable units. (SJSU does not accept applications from individuals seeking a second bachelor’s degree; please consider applying to a graduate level program.)
2. Pass the four basic skills courses equivalent to those taken at a U.S. college or university with a grade of “C-” or better (see list below). The four basic skills courses and minimum of 60 semester/90 quarter transferable units must be completed by the end of the spring term prior to fall admission. Summer coursework will not be considered to meet these requirements.
   - A1 – Oral Communication (Course must have been taught in English; online courses not accepted)
   - A2 – Written Composition (English)
   - A3 – Critical Thinking (Logic)
   - A4 – Mathematics/Quantitative Reasoning (Intermediate Algebra as prerequisite)
3. Earn a grade point average (GPA) of 2.0 or greater in all U.S. college/university work and an “above average GPA” in any international coursework. Due to impaction, a 2.0 GPA does not guarantee admission.
4. Be in good standing at the last institution you attended (for example, not disqualified).
5. Submit official test scores from an approved English language proficiency test (TOEFL, IELTS, or PTE) unless exempt. See the English Language Proficiency Requirement section for a list of exemptions.

**Impaction Criteria (for Transfers)**
Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements does not guarantee admission to San José State. CSU eligible transfer applicants will be ranked in each major based on their self-reported GPA.

Majors with (Program-Specific) Preparation Courses
Select majors (degree programs) give preference to applicants who have completed program-specific preparatory courses. These programs are noted in the “Degrees” section and will give preference to students based on a combination of their self-reported GPA and the completion of program-specific, lower division coursework.

For example, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the applicant with the higher GPA.

The program-specific courses that will be considered are listed at sjsu.edu/admissions/impaction.

**Last Year’s Thresholds**
To view last year’s impaction GPA thresholds, visit sjsu.edu/admissions/impaction.
(For future reference, check the SJSU website)

**Lower Division Transfers**
Lower Division Transfer students are held to Freshman impaction criteria. Learn more at sjsu.edu/admissions/impaction.

**English Language Proficiency Requirement**
To satisfy the English language proficiency requirement, undergraduates may take any one of the following tests:
- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)

We encourage all students to take one of the English language proficiency exams above. Learn more about exemptions at sjsu.edu/admissions/about_us/english_proficiency
Required Documents

Academic Records
Send all official academic records only when requested in your MySJSU “To Do List.” Send official academic records (transcripts, mark sheets, diplomas, degrees) from every secondary (freshman and lower division transfers) and post-secondary school you attended. Transcripts/academic records must be sent directly from the school, in separate sealed envelopes, to SJSU’s Office of Admissions. There are no exceptions to this requirement. Copies of documents sent directly by the applicant will not be accepted or processed.

If you have a sponsor, the name listed on the bank statement must match your sponsor's name. This sponsor's name and handwritten signature must also be entered on your Declaration of Finance Form.

Declaration of Finance Form
We will post a link to the form on your MySJSU account. You and your sponsor must sign the Declaration of Finance Form and either:
1. Email (as a separate PDF) the letter or statement from your bank that indicates you have at least $40,585 USD.
   -OR-
2. Email (as a separate PDF) the letter or statement from your sponsor’s bank account indicating that he or she has at least $40,585 USD.

The letter or bank statement must be reported as USD and be equal to, or exceed $40,585. The Declaration of Finance Form can be found at sjsu.edu/isa/docs/declaration_of_finance.pdf

Copy of Passport
Submit a copy of your current, valid passport with your current legal name. The name on your passport MUST match the name you used when you submitted your application. (NOTE: Passports expiring within 6 months must be renewed.)

Test Scores
Official test scores, such as TOEFL/IELTS/PTE and SAT/ACT must be sent directly from the testing company. If possible, please have your test scores sent electronically by the testing company. For proper identification, be sure to register for tests using the name you provided on your application and that is in your passport. Score reports for TOEFL, IELTS and PTE over two years old are not valid. The school code for SAT and TOEFL results is 4687.

Transfer In Form
If you are transferring from another U.S. institution, you must complete the top portion of the SEVIS Transfer In Form (sjsu.edu/isa/forms). Take your form and your admit letter to your school; ask them to complete the remainder of the form and send it according to the instructions provided on the form. You should make this request at the end of your last term of attendance at your former school, and before the first day of classes at SJSU.

Please note: If you are offered admission to SJSU and are coming from outside the United States, SJSU will process your I-20 form and mail it to you in your admission packet so that you may then start your F-1 visa process.

Translations
Required transcripts/mark sheets must be submitted directly from the issuing school in the original language. If the original language is not English, translations are also required; see below for information regarding translation services.

Certified English Translations
Documents in languages other than English must be accompanied by certified English translations by an approved government or school official or any foreign language department. (The English translation must be submitted at the same time the original transcript is submitted.) Notarized translations will not be accepted.

I-20 Form
If you are offered admission to SJSU and are coming from outside the United States, SJSU will process your I-20 form and mail it to you in your admission packet so that you may start your F-1 visa process. In order to create your I-20, you must provide an international permanent home address, not a Post Office Box address.

NOTE: Once submitted to SJSU, documents become the property of the university and cannot be released nor returned.

### Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).
