Meet all Deadlines
If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU in Fall 2018. If you have an extreme hardship or unusual circumstance that may cause you to miss one of our deadlines, contact admissions@sjsu.edu immediately! If you are concerned about being able to meet a deadline, it is best to contact us with your questions or concerns before the deadline. This way, we can assist you before action is taken on your account.

Former Students Returning (FSR)
Former students who have not attended SJSU for the previous two consecutive semesters and who have not been granted a leave of absence, must reapply for admission and meet all deadlines, conditions and admission requirements currently in effect.

Admission Priority
Former SJSU students returning may gain admission priority by completing a Re-Admission Petition form (sjsu.edu/registrar/forms) and obtaining departmental approval. Submit the form by January 15, 2018.

Disqualified Students
To be considered for admission, former SJSU students who have been disqualified must complete and submit two separate forms for consideration and approval: the Reinstatement Petition and the Re-Admission Petition forms (sjsu.edu/registrar/students/reinstatement/index.html). Please follow the instructions on each of these forms to successfully return to SJSU.

Coursework Outside the U.S.
Very Important! When you fill out the admission application at CalState.edu/Apply, you must include all high schools and colleges/universities attended, including those outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission. If you have any questions about completing the application, contact Student Outreach and Recruitment by email outreach@sjsu.edu or phone at (408) 924-2564.

How to Apply

1. **Choose your major carefully - Competitive Selection Process (Impaction)**

   **Majors Criteria**
   SJSU is a fully impacted campus, which means we are a very popular school and have more qualified applicants than student spaces available. Our admission process is competitive, meeting the minimum California State University (CSU) eligibility requirements does not guarantee admission to SJSU.

   **Freshman Criteria**
   CSU-eligible freshman applicants will be ranked based on their Eligibility Index (EI) number. Each degree program (major) has a different EI number depending on how competitive it is. This number is determined through a combination of the applicant’s GPA (at the time of application) and official SAT or ACT test scores. See “Eligibility Index” under Freshman tab.

   **Transfer Criteria**
   CSU-eligible transfer applicants will be ranked per degree program (major) based on their self-reported GPA. Each degree program (major) has a different GPA number depending on how competitive it is. Some programs will give preference to applicants who have completed program-specific preparation courses. For these programs, applicants will be ranked on a combination of their self-reported GPA and the completion of approved program-specific courses.

   Learn more about your major criteria at sjsu.edu/admissions/impaction

2. **Meet all CSU and SJSU academic requirements**

   **Freshmen** - See “Academic Requirements” under the Freshmen tab
   **Transfers** - See “Academic Requirements” under the Transfers tab

3. **Apply to SJSU at CalState.edu/Apply by April 1, 2018**

   Application Period: Sunday, October 1 – Sunday, April 1, 2018 (11:59 p.m. PST)

   There are no exceptions to the application deadline

   - Use your full, legal name (as written on your passport) consistently on your application and on every document you submit.
   - If you allow another person to fill out your application, you are still responsible for meeting all requests for information and deadlines.
   - Review your application carefully. You will not be able to make changes after it has been submitted.
   - Once you submit your application, you will receive a confirmation number: this is your receipt and proof that you submitted the application by the deadline.
4 Look for an email with your SJSU ID
About a week after applying at CalState.edu/Apply, you will receive an email with your nine-digit SJSU ID included. This nine-digit number will be your primary university identification throughout your career at SJSU. (Make sure the spam filters on your email account are set to accept email from @sjsu.edu.)

5 Set the password to access your MySJSU account
sjsuone.sjsu.edu/SJSUOne/ResetPassword

6 Sign in to your MySJSU student account at my.sjsu.edu
Click on the blue “MySJSU” button and enter your nine-digit SJSU ID and the password you created. Make sure your personal information is current and correct—your email address is critical!

7 Check your MySJSU account frequently
Check your MySJSU account at least once a week for important and time-sensitive notices about admission, fees, enrollment appointment, test and transcript information and deadlines.

Messages posted to your MySJSU student account are the main method of communication used by SJSU throughout the application process and refer to your situation in particular.
You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:

1. Earn the equivalent of a U.S. 3.0 grade point average (GPA) or an average of "B" grades. If required, SJSU will convert your international GPA to a U.S. GPA in order to evaluate your application. Please note that some majors require higher GPAs than others.

2. Successfully complete three years of college preparatory mathematics with a minimum grade of "C-" or better.

3. Submit official test scores from an approved English language proficiency test (TOEFL, IELTS or PTE). Scores must be sent directly to SJSU from the testing institution.

4. Take SAT or ACT (highly recommended). If you do not have a 3.0 GPA, you are required to submit SAT or ACT scores.

5. Submit official secondary school (high school) transcripts, which must include the completion/graduation date.

Additional Requirements

If you attended a high school with American accreditation, you must meet the domestic “Freshman Admission Requirements”, find additional information at sjsu.edu/freshmanadmissions/admission-requirements as SJSU will evaluate your application based on the academic requirements outlined on this page.

If you have taken “O” level examinations, SJSU requires that five subjects are passed in one sitting, including Math and English (English as a Second Language (ESL) is not acceptable); if these requirements regarding “O” level examinations are met, the English Language proficiency test will be waived. Certified copies of “O” level examinations must be sent directly to SJSU from the testing service or attested by your school; scores sent by the applicant will not be accepted.

If you have taken “A” level and/or “AS” level examinations, SJSU may award college credit if you pass these exams with a “C” or higher. SJSU must receive “A” and “AS” level examination scores directly from the Board of Examinations. Scores sent by you or certified statements of exam results will not be accepted.

If your studies were in the International Baccalaureate (IB curriculum) program, please submit your school transcripts for evaluation. You will be required to complete four years of English and three years of mathematics and earn a passing score of “C” or higher. For those earning scores of 4 or higher on the IB Higher Level exams, SJSU may award college credit.

**College of Engineering Applicants**

Applicants to programs in the College of Engineering will be ranked using a modified Eligibility Index that will weigh the math section of the SAT more heavily than the evidence-based reading and writing/critical reading section. Learn more at sjsu.edu/admissions/impaction

### Fees Are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).
**Freshman Housing Requirement**

Freshmen who graduate from a high school located in a city outside a 30-mile radius of campus are required to live on campus during their first year at SJSU. An appeal can be filed for an exception to this requirement once admitted. The Freshman Housing Requirement Priority Application deadline is **Tuesday, May 1, 2018**. Apply at [sjsu.edu/housing](http://sjsu.edu/housing).

**Residence at International House meets the freshman housing requirement.** If you are interested in living in the I-House, you must send a separate application directly to the I-House. Applications are available at [sjsu.edu/ihouse](http://sjsu.edu/ihouse)

**Room Assignments**

The sooner you submit your completed license agreement, $50 application fee and $600 initial payment, the greater your chance of receiving your hall preference will be. All students are encouraged to apply by **April 1, 2018**.
