Frequently Asked Questions

What if I do not complete required courses or miss a deadline?
You will have your admission to SJSU revoked and your registration canceled. Failure to submit your transcript will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the Fall 2019 term?
You may not use coursework from the Fall 2019 term to complete admission requirements.

Can I defer admission to another term?
No, your admission is good for one term only. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

What if I'm a California Community College transfer?
- Keep your own copy of the general education plan from your community college.
- Keep track of the courses you've completed to meet the GE requirements.
- Work with our academic advisors to complete remaining courses at SJSU.

Can I change my major?
Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.

Stay Committed to the Process

There are consequences if you miss deadlines. Deadlines are very important and are in place to help you through the enrollment process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign in to your MySJSU student account (one.sjsu.edu) every few days and thoroughly read any messages, “To Do List” items or posted deadlines and take the requested action as soon as possible.
Submit Intent to Enroll

San José State will need to know if you plan on attending in Spring 2020. Go to the Next Steps Intent to Enroll website (https://nextsteps.sjsu.edu) and tell us your plans. You must complete the multi-step Next Steps Intent to Enroll process by 11:59 p.m. (Pacific Standard Time) on Sunday, December 1 or your admission will be withdrawn.

The process includes accepting SJSU’s offer of admission, signing up for any necessary placement exams, signing up for mandatory orientation, and paying the enrollment deposit.

**YES** – I intend to enroll at SJSU for the Spring 2020 semester.
*(Please note: You may not defer your enrollment to a later semester.)*

**NO** – I will not attend SJSU for the Spring 2020 semester.
*(Your application will be withdrawn from further consideration.)*

You will need the following to submit your intent to enroll:

- Your nine-digit SJSU ID (provided on your Letter of Admission)
- Your SJSUOne password

If you anticipate any problems completing the required steps below by the stated deadlines, contact nextsteps@sjsu.edu immediately.
Sign Up for Spring Orientation

Spring Orientation (a mandatory, one-day orientation program) will acquaint you with the campus, introduce you to your college and major department, and provide you with critical academic planning information. All admitted students must attend the entire program. The cost to attend orientation is $80 and will be included in your enrollment deposit of $250.

If you do not attend or leave during any portion of the program, you will be blocked from registering for classes and will not be able to attend SJSU in Spring 2020. Students who arrive late will not be allowed to attend the program. During orientation, you will:

- Be welcomed by SJSU administrators, faculty, staff and students and learn what it means to be part of the Spartan community
- Connect with student leaders in small groups and have an opportunity to ask questions about campus life
- Receive campus information to help maximize your first-year experience and student success
- Learn tools to best navigate key university services and resources
- Meet with academic advisors to plan your class schedule and register for courses
- Review what’s next before you start classes

For more information, contact New Student and Family Programs at transfer-orientation@sjsu.edu or 408-924-5972, or visit sjsu.edu/newspartans

Sign up for the mandatory Spring Orientation at https://nextsteps.sjsu.edu
Pay Enrollment Deposit

In order to complete the Next Steps Intent to Enroll process, you will be prompted to pay your enrollment deposit online via a link provided in your Next Steps portal. Your $250 Enrollment Deposit includes your $80 orientation payment and deposit of $170 towards your tuition and fees for Spring 2020.

Please note: The $250 Enrollment Deposit is non-refundable, even if you do not enroll in classes for the Spring 2020 semester.

Pay your enrollment deposit at https://nextsteps.sjsu.edu
Apply for Campus Housing (Optional)

If you would like to stay on campus while attending SJSU, you must complete a housing application for either University Housing Services or the International House, depending on where you prefer to stay for the Spring 2020 semester. (Please note there is a separate application for the International House.)

University Housing Services
We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to university life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown. If you have questions, contact University Housing 408-795-5600 or uhs-frontdesk@sjsu.edu

To fill out a housing application, visit housing.sjsu.edu and fulfill the following requirements:

- A completed online University Housing application
- A $50 non-refundable application fee
- A $600 initial payment

International House
A large, comfortable home located near campus, the International House (I-House) is a residence for 70 U.S. and international students attending San José State. At I-House, residents find friends, study partners, and mentors in addition to opportunities for leadership, group activities and travel. I-House students represent approximately 25 countries, range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, semester and year exchange, and English language programs.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. Students interested in living in the I-House must send a separate application directly to the I-House.

There is no application fee. Applications are available at sjsu.edu/ihouse
Housing Costs
Housing rent is based on double occupancy, furnished units with a 10-month contract. Rent includes basic utilities, wi-fi internet access, internet-based TV and furniture. Please note rent amounts are subject to change. To view the most up-to-date costs for our housing facilities, visit housing.sjsu.edu.

* A swipe is how you pay when you eat at the dining hall known as The Commons. Your meal plan includes a certain number of all-you-care-to-enjoy meals stored on your student ID Card. One swipe will be used each time you enter The Commons.
You will register for classes in your MySJSU student account once you have an enrollment appointment. SJSU anticipates posting enrollment appointments in mid-December.

**Enrollment Appointments**
To receive an enrollment appointment, you must do the following:

- Show via official transcripts that you have completed the four basic skills course requirements, CSU eligibility, and major impaction requirements.
- Submit official transcripts by the date posted on your MySJSU “To Do List”. Be sure to send official transcripts by the deadline posted. Send official transcripts to verify your eligibility to enroll as early as possible to minimize delays in the assignment of your registration appointment.

**Spring Orientation (Mandatory Orientation)**
To maintain your eligibility to enroll, you must attend your scheduled Spring Orientation (mandatory orientation).

**Writing Skills Test (WST)**
The WST is a prerequisite for many upper-division courses, especially the 100W course in your major and the SJSU Studies courses. You will have access to a wider selection of upper-division courses once you have passed the test. The WST is also a graduation requirement at SJSU, and all students must take this test. For WST registration information, visit testing.sjsu.edu/wst

**Registering for Courses**
Sign in to one.sjsu.edu > click “MySJSU” > navigate to “Student Center” > Enrollment Dates on the right side > Enrollment dates page displays > select Spring 2020 > click Continue > your Enrollment Appointment will display.

You can now select the class to add. The SJSU Schedule of Classes has the specific class number codes and section numbers you’ll need to register. For instructions on how to register for classes, go to http://www.sjsu.edu/it/docs/peoplesoft/sa/self_service_student/SG_SR_SS_Enroll_Add_Class_9.0.pdf

**Registration Holds**
If you have a registration hold, click the hold icon and read this information carefully. If you do not have a hold, you may begin to register at your appointment date and time. (You do not need to come in person or call us to register.)

**Late Registration**
After the initial registration period (Advance Registration) ends, you may still register, but not until Thursday, January 23, the first day of instruction. Late registrants are assessed a $25 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult.
What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation.
- Schedule of Classes http://info.sjsu.edu/static/schedules/policies.html
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at http://info.sjsu.edu/home/catalog.html

Once I’ve registered, can I change my schedule?

If work or family obligations require you to change your schedule, you may make changes to your class schedule before the last day to drop classes.

**Important note:** before dropping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections via MySJSU. Or, place yourself on the class waitlist. It is not guaranteed that you will be able to enroll into waitlisted courses.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?

**Yes.** The advisors will advise you on general university expectations and graduation requirements, including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner.

Call AARS at 408-924-2129 to make an appointment after the third week of the semester.

*In addition to all mandatory state and local tuition fees, non-residents of California pay $396 per unit.

*All information, dates, test scores, and fees subject to change without notice.

Fees Are Subject to Change
The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 · 66028.6 of the Education Code).
Third Party Sponsor
If a Third Party Sponsor, such as a foreign government agency, a business and/or educational institution, agrees to sponsor you by paying your tuition and fees, please get an authorization letter from the sponsor stating how much of your tuition they will cover and for which semesters. Submit the authorization to SJSU’s Bursar’s Office, attention: Third Party Technician and retain a copy of the letter for your records. The Bursar’s Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the sponsored student is registered and has submitted a current letter of authorization. Learn more at sjsu.edu/bursar/services/sponsors/3rd_party

Installment Payment Plans
There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate for each. Please note: Students are not able to sign-up for the payment plans until charges actually appear on their account, for either tuition and fees, or housing charges. For payment plan options visit sjsu.edu/bursar/payment_refunds/installments

Field Trip Fees
A few courses have additional field trip fees ranging from $11 to $52.

Special or Optional Fees
Parking permits are available for students. A daily one–semester parking permit is estimated at $192.

Refunds
Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to MySJSU, scroll to Finances and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar

Bookstore Charges
Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to $900 per semester. For more details visit sjsu.edu/bursar/services

Keeping Your MySJSU Account Current
SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Financial Aid
FAFSA
To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work study and loans, by using the Free Application for Federal Student Aid (FAFSA) at fafsa.gov. For the FAFSA, you will need SJSU’s six-digit code, which is 001155. Once you apply, your SJSU’s Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process. Learn more at sjsu.edu/faso

California Dream Act – State Aid for Undocumented Students
AB540 students (undocumented immigrant status) may qualify for state grant programs that make up the California Dream Act of 2011. The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131). For the California Dream Application, you will need SJSU’s six-digit code, which is 001155. Learn more at sjsu.edu/faso/Applying/californiadreamact

Take
Writing Skills Test

It is highly recommended that you take the Writing Skills Test (WST) before enrolling at SJSU. If you have not taken the WST by the end of your first semester at SJSU, a registration hold will be placed on your student account, preventing you from signing up for courses in future terms.

Before registering for the WST, students must earn a “C-” or better grade in English 1A (or its equivalent) and are strongly recommended to have completed a GE area A3 course. The WST is generally offered twice in the spring, summer and fall. Learn more at testing.sjsu.edu/wst

Student Responsibilities and Rights
As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights (info.sjsu.edu/web-dbgen/narr/static/catalog/studentrights) section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students’ academic and personal growth, as well as review important university policies and procedures (info.sjsu.edu/static/schedules/policies) every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct
Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one’s actions, respect for oneself and one’s community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities
The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/Captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC’s website for more information.
