Steps to **Graduate Admission**
Application Overview

Now that your application is submitted, San José State University’s CAPE office will evaluate your application to make sure you have met the minimum university requirements (i.e. an eligible undergraduate degree with a minimum GPA). If minimum requirements are met, your application is then reviewed by the academic degree program to which you have applied.

The minimum grade point average (GPA) for admission to the university is a 2.5 GPA in the last institution where you earned a degree. Professional development courses and courses taken in regionally non-accredited institutions are not included in the evaluation of GPA. Coursework completed outside the U.S. and Canada must be evaluated by WES (World Education Services) and the degree equivalency and GPA will be evaluated by an international evaluator at San José State (SJSU). International transcripts sent by the applicant directly to SJSU will not be considered for admission.
Application Process

1. **Submit your University Application**
   By this time, you may have already submitted your Cal State Apply application for San José State University. If you have not, please make sure to do so and ensure that you have paid your application fee by credit card or a paypal account. Your payment is non-refundable, even if you withdraw the application or if the application is denied. The fee can be applied only to the admission term indicated on your Cal State Apply application.

   Upon full completion and submission of your application, the Graduate Admissions and Program Evaluations (GAPE) office can then process you as a graduate applicant for San José State University.

2. **Look for an email with your SJSU ID**
   Five to seven business days after applying at Calstate.edu/Apply, you will receive an email with your nine-digit SJSU ID number and instructions to access your MySJSU student account. If you do not receive your ID within that time period, contact admissions@sjsu.edu. Include your full name, birth date, and mailing address for identity verification purposes.

   Once you access your MySJSU account, you will be able to check the status of your application. Your MySJSU account is the first and best place for information on your application status.

3. **Sign in to your MySJSU student account at http://my.sjsu.edu**
   SJSU communicates almost entirely by messages and “To Do List” items posted to your MySJSU student account. Check your MySJSU account at least once a week for important and timely notices, such as your admission status, fees, any test requirements, transcript information, financial aid, and deadlines.

4. **Check for any degree program-specific application requirements**
   Check your intended degree program to find out if you must submit a separate department application, letters of recommendation, and graduate test scores. Be sure to follow all specific program procedures. All supplemental program materials should be sent directly to the program department. To view a list of graduate programs, visit sjsu.edu/graduateadmissions/degree-programs

   If you meet the minimum university standards, your application will be referred to the department that offers your intended graduate program. Your program will notify GAPE of the results of their review of your application. GAPE will post the final admission decision to your MySJSU account. If you have not received an admission decision after 4 - 6 weeks of being referred out for review, contact your intended graduate program to determine when the department review will be completed.

5. **Submit official required documents (e.g. transcripts or World Evaluation Services [WES] evaluations) listed on your MySJSU “To Do List”**
Document Requirements

U.S./Canada Institution Transcripts
All transcripts must be sealed and unopened to be accepted as official documents. COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED. If your university offers official electronic transcripts, we will also accept this method.

Electronic Transcripts
If your university requires an email to send a transcript electronically, please send an electronic transcript to etranscript@sjsu.edu.
Once submitted to SJSU, documents become the property of the university and cannot be released. Individuals currently enrolled in courses at the time of their application for admission are required to submit the most current “Work In Progress” transcript from the institution. Students planning to earn a degree before the start of their admit term will still need to submit final transcripts once they graduate from their current institution. Please note that a degree in-progress must contain final grades for all terms completed in order for applications to be reviewed. If this information is not provided by the stated deadlines, applications will be withdrawn.

Coursework Completed Outside U.S., U.S. Territories and Canada
If you have completed post-secondary coursework at an institution outside the U.S., U.S. Territories and Canada, you must submit your transcripts/mark sheets and degree certificate directly to WES (World Education Services) for a document-by-document evaluation. We accept the Basic or ICAP document-by-document evaluation. SJSU must receive your academic record and the evaluation directly from WES. Transcripts sent directly to SJSU will not be considered for admission. We will review applications of those in the final year of study.
Please note that documents must contain a minimum of seven semesters (10 quarters) for applications to be reviewed. If this information is not provided by the stated deadlines, applications will be withdrawn.

California Residency
The laws of California provide that every student in the California State University system must be classified as either a resident or nonresident for tuition purposes. Applicants have the ultimate burden of proving their residence classification. To qualify for tuition as a California resident, you must have established residency by:

Fall Admission -- September 20 of prior year
Spring Admission -- January 25 of prior year
Established California residents should not submit a residency form. If you have lived in California for fewer than two years, the residency form should be submitted with supporting documents. To download the form visit, sjsu.edu/graduateadmissions/want-to-apply/domestic-steps-to-admission/california-residency/index.html

Declaration of Finance
In addition to the online Cal State Apply application, all international applicants MUST submit a signed and dated Declaration of Finance. Federal immigration regulations require that all international students provide evidence of adequate liquid funds to meet the financial obligations of enrollment at a U.S. university. The combined U.S. dollar amount from you or your sponsor(s) must equal or exceed the minimum listed for the application term. Please see the current Declaration of Finance form (sjsu.edu/isa/docs/declaration_of_finance.pdf) for current cost.

Please note: Special session programs and the College of Business may require higher tuition fees to be listed on the Declaration of Finance. Contact the specific department to learn the annual costs.

Bank Letter or Bank Statement
A letter from your bank, or a copy of your bank statement, showing the amount of liquid funds in your account is required. The letter/statement must have been issued within the previous six months and must be reported in U.S. dollars. If you have a sponsor, the name listed on the Bank Letter or Bank Statement must match your sponsor’s name listed on your Declaration of Finance form. For specific requirements, please see the instructions listed on the Declaration of Finance.

Copy of Passport
A copy of your current passport is required if you are an international applicant. The name listed on your passport and your I-20 form must be the same. There are no exceptions to this rule.

Please note: If dependents will be accompanying you, you must also submit a passport copy for each of your dependents and provide proof of funding for an additional $5,000 for each family member.

After applying, please include your assigned nine-digit SJSU ID# on the requested transcripts. All transcripts must be sealed and unopened to be accepted as official documents. COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED. Once submitted, documents become SJSU property and cannot be released. Send transcripts to:

Coursework Outside U.S. and Canada

SJSU requires all applicants who have completed coursework outside of the United States and Canada to provide a WES (World Education Services) document-by-document evaluation. We accept the Basic or ICAP document-by-document evaluation.

Records submitted to WES in support of the application become the property of the university and will not be returned to the applicant/student. Do not submit transcripts directly to SJSU. To request a WES evaluation, follow the country-specific requirements and arrange for document delivery to SJSU at wes.org/fees/evaltypes.asp

SJSU must receive your evaluation electronically from WES by the posted admission deadline (sjsu.edu/graduateadmissions/deadlines). If WES determines they do not evaluate work completed at your institution, you must use another approved evaluation service. GAPE will accept evaluations from an approved evaluation service other than WES if WES confirms that they do not evaluate work completed at your institution(s). To determine if WES is able to conduct an evaluation of work completed at your institution, visit wes.org/required/index.asp. If WES is unable to conduct an evaluation of work completed at your institution, please email admissions@sjsu.edu.

Sending WES Evaluation

Transcripts/mark sheets and degree certificates for coursework completed outside the U.S. must be submitted to WES for evaluation. WES will send the evaluation to SJSU electronically as long as you follow the detailed instructions. For detailed instructions on how to send documents through WES, visit wes.org/evaluations-and-fees.

Please follow these instructions closely. If you do not complete each step as shown, we will not receive your documents.

Submitting Documents by Email

All other documents must be submitted by email in individual PDF formatted files (one PDF for each requested document) to sa-adm-wrkflow@sjsu.edu.

The following are steps for submitting items by email.

1. Convert documents to PDF format. Free PDF converters are available at primopdf.com or freepdfconvert.com
2. Make sure the documents are readable, in individual files (one form per PDF document), and that the institution's name is at the top of the page.
3. Include your nine-digit SJSU ID and your first and last name in the BODY of the email message.
4. Send email with attachments to sa-adm-wrkflow@sjsu.edu (One email may contain multiple PDF files.)

After your documents have been submitted in the approved format, it may take up to three weeks for your “To Do List” items on your MySJSU account to be updated. Apply and send early to avoid delays.

Continue to check MySJSU for important messages, required documents and deadlines.
Graduate Program Test Requirements

Many of our SJSU graduate programs require that applicants take a standardized test before they are eligible to be admitted to the program. Refer to the following list to check whether your intended program requires a particular test; minimum scores are also listed at sjsu.edu/graduateadmissions/admission-requirements/test-requirements/index.html

English-Language Proficiency Exam

An English-language proficiency exam is required for all students who graduated from a higher education institution in a country in which the primary language is not English. The exam requirement is waived only if the student has received an undergraduate or graduate degree from a regionally accredited U.S. institution, or completed three years of full-time coursework in a regionally accredited U.S. institution. The English-language proficiency exams accepted include:

- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)

Test scores must be fewer than two years old and sent directly from the testing agency to San José State University. Send official TOEFL scores to the SJSU institution code is 4687.

Request your IELTS scores be mailed to:

Graduate Admissions and Program Evaluations
San José State University
One Washington Square
San José, CA 95192-0017

For proper identification, be sure to register for tests using the name you provided on your application.

Admission Deadlines

To view document deadlines for your intended graduate program, visit sjasu.edu/graduateadmissions/deadlines

At any time during the admission cycle, department enrollment limits may restrict our ability to accept qualified applicants. To ensure consideration of your application, be sure to apply and submit documents as early as possible.

Our international deadlines are much earlier than our domestic deadlines due to the lengthy visa process that international applicants must complete. Please plan accordingly.

Have Questions?

Contact admissions@sjsu.edu
If Admitted to SJSU

Course Registration
If you are offered admission to the university you will receive an official letter of admission. You will be able to view your registration appointment date for course registration through your MySJSU student account. After logging into your MySJSU account, navigate to Self Service > Enrollment > Enrollment Dates and select a term. Questions about registration can be directed to registrar@sjsu.edu.

Intent to Enroll and Orientation
You will be invited to participate in SJSU’s Intent to Enroll process in your admission materials. SJSU’s Intent to Enroll process allows you to accept SJSU’s offer of admission and register for the university-wide Graduate Student Orientation. In addition, your degree program may offer a department-specific orientation program separately.

I-20 Process for Mailing Admission Packets Overseas
If you are admitted, you will have 72 hours to sign up for Express Mail. You must order Express Mail to track your admission packet and I-20. San José State uses an Express Mail service that allows you to receive your admission packet, which includes your acceptance letter and I-20 form, in five to seven days (once SJSU has processed your Express Mail order).

We will post your admission notice to your MySJSU account. You will have 72 hours from the date of that notice to order Express Mail. You must pay for the cost of Express Mail (approximately $60), which can be paid for with a credit card (Visa, MasterCard, or Discover cards only). To order Express Mail, visit https://study.eshipglobal.com For more information on Express Mail, contact support@eshipglobal.com.

If you do not order Express Mail within the required timeframe, your admission packet will be sent through regular overseas mail. Packets sent through regular overseas mail cannot be tracked and will take up to two months to receive.

International Student and Scholar Services
For more information on activities, services, and changes to visa status, visit sjsu.edu/isss
Fees are due after registering for your classes. Check your MySJSU account to see your payment due date. After you register, log on to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped.

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation. Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.
