As the founding campus of the California State University (CSU) system, San José State has grown since its 1857 inception into a major metropolitan university offering 145 academic disciplines, from the classics to emerging fields. But SJSU offers students more than a degree, and our award-winning faculty members educate far beyond the classroom.

Built in 1910, Tower Hall serves as the symbol of SJSU. The historical landmark is the oldest building on campus and home to the Office of the University President.

STUDENT WELLNESS CENTER – OPENED IN 2015
The newly built Student Wellness Center offers a variety of services, including medical care, counseling, sports medicine and physical therapy.

CAMPUS VILLAGE
We provide affordable residential learning communities that promote academic success and individual development.
SJSU offers plenty of opportunities for students to become more engaged in our diverse campus community. More than 400 student organizations exist, including the Associated Students, which serves as the voice of the student body in regards to fees, academics, non-academic services, recreation and government.

CÉSAR E. CHÁVEZ ARCH OF DIGNITY
Civil rights activist and labor leader César Chávez devoted his life to improving the treatment and conditions of farm workers. The arch is a tribute to those efforts.

TOMMIE SMITH AND JOHN CARLOS STATUES
The statues reflect a silent protest for human rights by Tommie Smith and John Carlos on the victory podium during the 1968 Olympic Games.

SOUTH CAMPUS
SJSU is home to 19 Division I men’s and women’s sports teams, including football, gymnastics, men’s and women’s basketball, soccer and cross country.

DOWNTOWN SAN JOSÉ
SJSU is located in the downtown of the 10th largest city in the U.S. and in the heart of Silicon Valley.
SJSU Points of Pride

- As a Spartan, you get the best Silicon Valley has to offer, while having fun nearby in the Pacific Ocean, Yosemite National Park and San Francisco.

- Silicon Valley companies hire more San José State students and alumni than any other college or university in the country.

- SJSU was ranked eighth overall among the West’s top public universities offering bachelor’s and master’s degrees by U.S. News and World Report.

- For the third consecutive year, a record number of San José State student-athletes and cheerleaders were designated as either President’s Scholars or Dean’s Scholars by SJSU.

- SJSU’s Charles W. Davidson College of Engineering ranks fourth in nation among public engineering programs offering bachelor’s and master’s degrees, excluding service academies.

- San José State’s student body reflects the diversity of the Bay Area, one of the most diverse regions in the world.

- Distinguished SJSU alumni include actors Coby Bell and Omar Benson Miller, author Amy Tan, Oracle co-founder Ed Oates, NFL player James Jones and former NFL coach Bill Walsh.

- A record 23 SJSU student-athletes have been honored as 2016 Arthur Ashe, Jr. Sports Scholars for academic achievement and community service.

- You’ll enjoy a newly expanded Student Union and a new Student Wellness Center.
Did You Know...

As of Fall 2015:

**STUDENT BODY**

32,773

**STUDENT TO FACULTY RATIO**

- Lower Division: 30:1
- Upper Division: 26:1
- Graduate Courses: 21:1

**AVERAGE CLASS SIZE**

- Lower Division: 35 students
- Upper Division: 28 students
- Graduate Courses: 16 students

**RACE/ETHNICITY**

- Asian: 32%
- Hispanic: 23%
- White: 20%
- African American: 9%
- Other: 12%
- Foreign National: <1%
- American Indian: 3%
- Missing: 1%

**WHERE DO SJSU STUDENTS CALL HOME?**

- Santa Clara County: 41%
- Other California Counties: 48%
- Outside the U.S.: 10%
- Outside California: 1%

*IMPACTION CRITERIA FOR TRANSFERS*
Some programs will give preference to applicants who have completed program-specific preparatory courses. For these programs, applicants will be ranked on a combination of self-reported GPA and completion of approved program-specific courses.

● Program Specific Course Preparation
▲ Program Specific Associate Degree for Transfer

Khalil
Computer Engineering
How to Apply

1. Choose Your Major Carefully - Competitive Selection Process (Impaction)

   Majors Criteria
   SJJSU is a fully impacted campus, which means we have more qualified applicants than student spaces available. Due to this shortfall, it is a competitive admission process. Meeting the minimum California State University (CSU) requirements does not guarantee admission to SJJSU. Learn more at sjjsu.edu/admissions/impaction

   Freshman Criteria
   CSU eligible freshman applicants will be ranked by major based on a combination of their self-reported GPA (at the time you apply) and official SAT or ACT test scores (called the Eligibility Index or EI). See “Eligibility Index” under the Freshman tab.

   Transfer Criteria
   CSU eligible transfer applicants will be ranked in each major based on their self-reported GPA. Some programs will give preference to applicants who have completed program-specific preparation courses. For these programs, applicants will be ranked on a combination of their self-reported GPA and the completion of approved program-specific courses. Transfer applicants will be required to complete a supplemental application. See “Supplemental Application Requirement” section under the Transfer tab.

   Preference for “local” applicants
   San José State gives preference to “local” applicants. Freshmen are considered “local” if they graduate from a high school in Santa Clara County. Transfers are considered “local” if they will earn the majority of their transferrable units at a college located in Santa Clara or Santa Cruz counties.

2. Meet all CSU and SJJSU Academic Requirements

   Freshmen - See “Academic Requirements” under the Freshmen tab
   Transfers - See “Academic Requirements” under the Transfers tab

3. Apply at csumentor.edu from Saturday, October 1 until Wednesday, November 30, 2016 (11:59 pm PST)

   THERE ARE NO EXCEPTIONS TO THE APPLICATION DEADLINE.

   Please note there is a $55 application fee and it is due Friday, December 16.
   • Use your full, legal name consistently on every application and every document.
   • If you allow another person to fill out your application, you are still responsible for meeting all requests for information and deadlines.
   • Review your application carefully, because you will not be able to make changes after it has been submitted.
   • Once you submit your application, you will receive a confirmation number: this is your receipt and proof that you submitted the application by the deadline.

   Application Fee Waiver
   California residents or AB540 applicants who face a financial hardship may be eligible for a CSU application fee waiver by completing the CSU fee waiver process prior to submitting the application for admission. Other forms provided by teachers or counselors, including College Board SAT and EOP forms, are not acceptable forms. Veterans or active military, or dependents, may also be eligible for a CSU fee waiver.
4 Look for an email with your SJSU ID
About a week after applying at CSU Mentor, you will receive an email with your nine-digit SJSU ID included. This nine-digit number will be your primary university identification throughout your career at SJSU. (Make sure the spam filters on your email account are set to accept email from @sjsu.edu.)

5 Set the password to access your MySJSU account (and your SJSUOne wireless account on campus)
https://sjsuone.sjsu.edu/SJSUOne/ResetPassword

6 Sign in to your MySJSU student account at http://my.sjsu.edu
Click on the blue “MySJSU Sign In” button and enter your nine-digit SJSU ID and the password you created in Step 5. Make sure your personal information is current—your mail address is critical!

7 Check your MySJSU account frequently
Check your MySJSU account at least once a week for important and timely notices, such as admission, fees, financial aid, enrollment appointment, test, and transcript information and deadlines. Messages posted to your MySJSU student account are the main method of communication used by SJSU throughout the application process.
Freshmen

**Academic Requirements**

**A-G Requisite courses**

Complete required high school courses with grades of "C-" or better by graduation date.

All required high school courses must be completed by the end of the spring semester of your senior year prior to fall admission. Courses taken during the summer after high school graduation will not be counted toward the completion of requirements.

A list of approved courses can be found at [http://ucop.edu/agguide](http://ucop.edu/agguide).

- **a. History/ Social Science**
  - 2 years required
  - One year of U.S. History or U.S. History and Government

- **b. English**
  - 4 years required
  - Composition and literature

- **c. Mathematics**
  - 3 years required
  - Algebra, geometry, intermediate algebra, or integrated mathematics

- **d. Laboratory Science**
  - 2 years required
  - One year of biological science and one year of physical science, both with lab

- **e. Language other than English**
  - 2 years required
  - Study in the same language

- **f. Visual and Performing Arts**
  - 1 year required
  - Select a year-long course from art, theater/drama, music, or dance.

- **g. Elective**
  - 1 year required
  - Select from areas a–f (above) or from other approved college prep "A-G" courses.

**SAT/ACT Scores**

Freshman applicants are required to take the SAT (critical reading and math) or the ACT and submit their scores to SJSU. (The SAT institution code for San José State University is 4687.) Request to have your official scores sent from the testing agency. Scores listed on your transcript will not be accepted, neither will listing your scores on your application. **Please note:** The SAT/ACT writing portion is not used for admission or placement purposes at SJSU.

<table>
<thead>
<tr>
<th>Final Test Date</th>
<th>Scores Due at SJSU</th>
</tr>
</thead>
</table>

If you take the December exam, you must rush your scores, and you risk missing the deadline to be considered for admission.

**New for Fall 2017**

Applicants to programs in the College of Engineering will be ranked using a modified eligibility index that will weigh the math section of the SAT more heavily than the evidence-based reading and writing/critical reading section. See [sjsu.edu/impaction](http://sjsu.edu/impaction) for more details.

**Minimum Eligibility Index**

Meet or exceed the Minimum Eligibility Index (combination of Grade Point Average and SAT/ACT scores)

The CSU eligibility index is the combination of your high school grade point average and your SAT/ACT test scores. To view last year's eligibility index thresholds for your major, visit [sjsu.edu/admissions/impaction](http://sjsu.edu/admissions/impaction) (Please keep in mind the thresholds change each year.).

<table>

</thead>
<tbody>
<tr>
<td>2500</td>
<td>694</td>
</tr>
</tbody>
</table>

Your official GPA for admission to SJSU may be different than the GPA on your high school transcript. This is because we calculate your high school GPA using your 10th and 11th grade a–g courses when considering you for admission.

You can estimate your GPA (including for honors, IB and AP courses) using the CSU Grade Point Average Calculator at [https://secure.csumentor.edu/planning/high_school/gpa_calculator.asp](https://secure.csumentor.edu/planning/high_school/gpa_calculator.asp).

**Grade Point Average (GPA)**

Your official GPA for admission to SJSU may be different than the GPA on your high school transcript. This is because we calculate your high school GPA using your 10th and 11th grade a–g courses when considering you for admission.

You can estimate your GPA (including for honors, IB and AP courses) using the CSU Grade Point Average Calculator at [https://secure.csumentor.edu/planning/high_school/gpa_calculator.asp](https://secure.csumentor.edu/planning/high_school/gpa_calculator.asp).

**Graduate**

Earn a high school diploma, or equivalent

- Vivian Health Science

---

**Senior Year Potential Costs**

Please note that senior activities such as the ones listed can cost a total of $1,500 or more.
Transfers

Reach Junior Standing
Complete 60 transferable semester units (90 or more quarter units)

Complete 60 or more transferable semester units (90 or more quarter units) by the end of the Spring 2017 term. If you are seeking a second bachelor’s degree (except for those entering the nursing program), you will not be admitted. Learn more about the courses that are accepted at http://transfer.sjsu.edu

California College and University Credits
To learn how course credits earned at one public California college or university can be applied when transferred to another, use ASSIST, an online student-transfer information system, at assist.org

Four Basic Skills Courses
Complete 30 semester units (45 quarter units) of general education, including four basic skills courses, as part of 60 transferable units

The 30 semester units (45 quarter units) of general education, including the four basic skills courses, must be completed by the end of the spring term. Courses taken during the summer term prior to enrollment will not be counted toward the completion of requirements for Fall 2017. You must earn a “C-” or higher grade in each basic skills course.

☐ 1. One course in oral communication
☐ 2. One course in written composition
☐ 3. One course in critical thinking
☐ 4. One course in college-level mathematics or quantitative reasoning, with intermediate algebra as a prerequisite

Minimum GPA
Earn a college grade point average of 2.00 or better in all transferable courses

Be in good standing at the last college or university attended.

Associate Degree for Transfer
A Degree with a Guarantee.

Transfer Associate Degree
At SJSU, a California Community College student who has earned the Associate in Arts degree for Transfer (AA-T) or the Associate in Science degree for Transfer (AS-T) will receive priority admission consideration into a similar baccalaureate degree program as long as the student meets all the admission requirements. Verification of degree completion will be required during the application process and at final verification prior to enrollment.

Transfers with the AA-T or AS-T degree who do not meet SJSU’s impaction standards (based on their intended major) are not guaranteed admission in a specific major or campus, but will receive priority admission consideration at their local CSU to a program or major that is similar to their associate degree. degreewithaguarantee.com

Supplemental Application Requirement
All transfer applicants will be required to submit a supplemental application. For most majors (degree programs), transfer applicants are ranked by self-reported GPA per degree program and admitted in sufficient numbers to meet the capacity for that program.

Important! - Supplement Coursework and Criteria
Select programs will admit students based on a combination of their self-reported GPA and the completion of program-specific, lower division coursework. These programs are noted in the “Degrees” section.

For these select programs, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the one with the higher GPA.

The major specific courses that will be considered are listed at sjsu.edu/admissions/impaction

Educational Opportunity Program (EOP)
The Educational Opportunity Program (EOP) provides support services, a community and a small grant for students who qualify as a California Resident or AB540 student from an educationally disadvantaged and low income background. You must be a first generation student in your family to earn a four-year college degree (siblings with a bachelor’s degree are acceptable). To apply, submit a completed EOP Application through csumentor.edu with your admission application by Thursday, December 15, 2016. Please note: The CSU admission application deadline is separate from the EOP deadline.

EOP applicants must complete and submit their FAFSA or California Dream Act application by Wednesday, February 1, 2017. You must also have two EOP recommendation forms submitted on your behalf by February 1. Learn more at sjsu.edu/eop

California Community College Transfers
If you are a transfer student from the California Community College system and wish to be a part of EOP at SJSU, you must submit a complete EOP application and follow the same procedures as all other applicants, even if you were an EOPS student. The EOPS status from community college does not transfer over, as EOP and EOPS are two different programs.

Returning Students/CSU Transfers
If you are a returning EOP student and wish to join EOP at San José State, please contact EOP directly for application/recertification information. (You must have been an EOP student at the start of your CSU undergraduate program to be eligible for EOP at SJSU.)

Accessible Education Center
The Accessible Education Center (AEC) works closely with faculty and staff to deliver services and promote access for students with disabilities in the classroom and throughout the campus. Learn more at sjsu.edu/aec

Military and Veteran Student Services
The Military and Veteran Student Services office assists eligible student veterans, active duty service persons or dependents, reservists and National Guard members with state and federal education benefit programs. Learn more at sjsu.edu/veterans

**Non-Residents of California:** In addition to all mandatory state and local tuition fees, non-residents of California pay $372.00 per unit.

**California Residency:** For information on California residency for tuition purposes, refer to the “SJSU Admission Applicants” section at sjsu.edu/registrar/students/Residency/Residency_Evaluation.html#applicants

**Fees Are Subject to Change**

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

**In-state tuition for certain non-residents of California (AB 540 provisions)**

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU stating that you have filed an application to legalize your immigration status, or will do so as soon as you are eligible. You will need to show proof of attendance and graduation. For more information visit sjsu.edu/registrar/students/Residency/ab540.html

**Financial Aid**

**Free Application for Federal Student Aid (FAFSA)**

To help cover the cost of attending SJSU, you may apply for financial aid provided through federal grants, state grants, work study and loans by using the Free Application for Federal Student Aid (FAFSA). Once you apply, you will view a personalized Student Aid Report online. Print this report for your records. SJSU’s Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process. Learn more at sjsu.edu/faso

**New for Fall 2017**

You can submit your application starting Saturday, October 1, 2016. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Thursday, March 2, 2017. Learn more at fafsa.ed.gov

**California Dream Act Application**

AB540 students (undocumented immigrant status) may qualify for the state grant programs that make up the California Dream Act of 2011. For the California Dream Application, you will need SJSU’s six-digit code, which is 001155. You can submit the application starting Saturday, October 1, 2016. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Thursday, March 2, 2017 at caldreamact.org
## Freshman Housing Requirement

Freshmen who will graduate from a high school located in a city outside a 30-mile radius of campus will be required to live on campus during their first year at SJSU. An appeal can be filed for an exception to this requirement once admitted. The Freshman Housing Requirement Application deadline is **Monday, May 1, 2017**. Apply at sjsu.edu/housing

Residence at International House meets the freshman housing requirement. If you are interested in living in the I-House, you must send a separate application directly to the I-House. Applications are available at sjsu.edu/ihouse

## Room Assignments

The sooner you submit your completed license agreement, $50 application fee and $600 initial payment, the greater your chance of receiving your hall preference. All students are encouraged to apply by April 1, 2017.

Admission Checklist

Important Dates & Deadlines

☐ Application Period
SATURDAY, OCTOBER 1—WEDNESDAY, NOVEMBER 30, 2016

☐ Financial Aid (FAFSA and CA Dream Act) Application Available
SATURDAY, OCTOBER 1, 2016

☐ EOP (Educational Opportunity Program) Application
THURSDAY, DECEMBER 15, 2016

☐ Application Fee/Fee Waiver Form
FRIDAY, DECEMBER 16, 2016

☐ ACT/SAT official scores (Freshmen Only)
FRIDAY, DECEMBER 23, 2016

☐ Petition for Re-Admission as a Former Student Returning (FSR)
SUNDAY, JANUARY 15, 2017

☐ EOP (Educational Opportunity Program) Documents
WEDNESDAY, FEBRUARY 1, 2017

☐ Financial Aid Application Priority Filing Deadline
THURSDAY, MARCH 2, 2017

☐ Work in Progress (Partial) Transcript (Transfer Only)
WEDNESDAY, MARCH 1, 2017–MONDAY, MAY 1, 2017

☐ Housing Application Priority Deadline
SATURDAY, APRIL 1, 2017

☐ Intent to Enroll (Sign up and Pay for Orientation)
MONDAY, MAY 1, 2017

☐ English (EPT) and Math (ELM) Placement Tests–Last Day to Take Tests (Freshmen Only)
SATURDAY, MAY 6, 2017

☐ Financial Aid File Completion Date (for Maximum Aid Consideration)
FRIDAY, MAY 26, 2017

☐ Complete Admission Requirements
END OF SPRING 2017

☐ Final Transcripts
POSTMARKED BY SATURDAY, JULY 15, 2017

Take placement exams as early as possible – ELM and EPT for Freshman applicants and the WST for Transfer applicants.

Check your MySJSU account – it is the best way for you to stay on track for deadlines and requirements.

Stay eligible! We will verify that you are CSU eligible – make up any missing requirements immediately.

Use your legal name on all documents submitted to SJSU – it helps us match the documents, test scores, and other information you submit to your application.
