SJSU Overview

When you apply for admission to San José State, you are applying to join a unique community of individuals bound together by their shared creativity, passion and resilience: a community of Spartans!

As the founding campus of the California State University system, San José State has grown since its 1857 inception into a major metropolitan university offering 134 academic disciplines, from the classics to emerging fields. But SJSU offers students more than a degree, and our award-winning faculty members educate far beyond the classroom. Here, learning is put into action. Our faculty members are leaders in their fields. Undergraduate students have the opportunity to participate in groundbreaking research projects funded by organizations like NASA, the National Science Foundation and Intel. Established Silicon Valley partnerships and a vast, global alumni network provide you access to internships and job opportunities with some of the world’s foremost companies. For those of you whose ambitions align with the region’s legendary entrepreneurial spirit, campus programs like the Silicon Valley Innovation Challenge nurture ingenuity and support budding businesses.

San José State is proud to have a long legacy of social and civic engagement. This spirit, along with a focus on service-learning and an international student body, helps prepare students to be responsible global citizens. Responsible citizens also know how to have fun: Division I athletics and nearly 400 student organizations—from art to archery—connect you to thriving student life on campus and beyond. From our home in bustling downtown San José, you have access to all that Northern California has to offer, from Santa Cruz’s famous beach breaks to the majesty of Yosemite National Park and San Francisco’s Golden Gate.

At San José State, Spartans believe that dreams are achieved through hard work and imagination. When you become a Spartan, you are giving yourself an opportunity to discover who you want to be and how you want to change the world—for yourself, your family and your community.

SJ State University communicates by posting items on a “To Do List” posted to your MySJSU account or by sending messages to your MySJSU account. Be sure to check your MySJSU account at least once a week for important notices. Even if someone else manages your account, you are responsible for meeting all deadlines. If you have not signed in to your MySJSU account, do so immediately!

If you have not yet activated your MySJSU account:

1. Go to https://sjsuone.sjsu.edu/SJSUOne/ResetPassword and enter your nine-digit SJSU ID.

2. Sign in to your MySJSU student account at http://my.sjsu.edu
   Click on the blue “MySJSU Sign In” button and enter your nine-digit SJSU ID and the password you created in the step above. Make sure your personal information is up-to-date; your email address is critical!
   Confirm your email address and update if necessary. Be sure to set your filters to accept messages from the @sjsu.edu domain.

3. Check your MySJSU account frequently
   Check your MySJSU account at least once a week for important and timely notices, such as deadline requirements, fees incurred, enrollment appointment time, information regarding tests, transcripts or deadlines. You are responsible for monitoring your own progress throughout the enrollment process, and you must take action by posted deadlines! Failure to do so will result in your application being withdrawn.

There is a $70.00 (U.S. dollars) nonrefundable fee to attend.
You are required to attend the entire program. If you do not attend or leave during any portion of the program, your admission will be withdrawn and you will need to reapply for the next available term.

Your receipt will also be posted to your Next Steps account for your reference. If you do not receive this confirmation within five business days, contact nextsteps@sjsu.edu.

Placement Tests in Math and English

All admitted freshmen who are not exempt are required by the California State University system to complete placement tests in both English and math prior to enrolling in any courses. These placement tests are called the English Placement Test (EPT) and Entry Level Mathematics (ELM) exam.

Step two of the Next Steps Intent to Enroll process will indicate if you are required to take the ELM exam, the EPT, or both. If required, you must take the exam(s) by the posted deadlines.

The last exam available is at SJSU on Saturday, January 16, 2016. Students interested in taking the exam on this date should register as soon as possible (at least two weeks prior to the date of the exam). Contact testing-office@sjsu.edu or go to ets.org/csu/registration to register. You must also contact Testing as soon as possible if you anticipate visa limitations prohibiting you from entering the country in time to make this deadline.

Students can also take the exam(s) at another California State University by November, 21, 2015. You must register at least two weeks prior to the exam date at ets.org/csu/registration

Outside California/Overseas

If you plan to take the exams outside of California, including overseas, you must take the exam(s) by Tuesday, December 1, 2015 and have the scores sent to SJSU as soon as they are available. You must register for the test two weeks prior to this date. There is an additional fee of $75 (plus the regular $18 testing fee per exam) for taking the EPT and ELM exam outside of California. Learn more at https://ept-elm.ets.org/CSU

Learn how to register for the exams at http://testing.sjsu.edu/eptelm/eptelmreg/index.html

Exemptions

To determine if you are exempt from taking the EPT and ELM exam, consult your status in Step two of the Intent to Enroll process (https://nextsteps.sjsu.edu/spring). If the exemption status displayed in your Next Steps account does not match your actual exemption status, this means that SJSU does not have all of your official test scores on file.

You must send us all official test scores that prove your exemption status or we will require you to take the placement exams. If you still need to take one or both of these exams, register now!

Learn more about exemptions at ets.org/s/csu/pdf/csu_information_bulletin.pdf

Importance of Exams

Be aware, the scores you earn on the EPT and ELM exam could cause you to be placed into mandatory remedial courses during your first year at SJSU. Since this can impact the length of time it will take you to earn your degree, we strongly recommend that you prepare for these exams.

For testing information, contact testing-office@sjsu.edu or visit http://testing.sjsu.edu

Department Placement Exams
To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at http://info.sjsu.edu/home/catalog.html

Many new undergraduates in the colleges of Science, Engineering, and Business need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit sjsu.edu/math/calculus

Change of Major
Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed.
Register for Classes

What will I need to register for classes?
You will need the following:

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- To register for and attend all segments of the mandatory Frosh orientation.
- The Spring 2016 Schedule of Classes, which becomes available Tuesday, October 27 at http://info.sjsu.edu
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at http://info.sjsu.edu/home/catalog.html

How do I register?
You will register for classes in your MySJSU student account. For detailed instructions on how to register for classes: http://my.sjsu.edu/students/student_tutorials/index.html

Do I need an appointment for registration?
- Yes, your enrollment appointment date, starting time and any holds are posted at http://my.sjsu.edu.
- If you have a registration hold, click the hold icon and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)
- Log in to MySJSU, navigate to Self Service > Enrollment > Enrollment Dates, then select a term to view your start date/time for your Enrollment. The SJSU Schedule of Classes has the specific Class Number codes and section numbers you'll need to register. Read the sections on registration carefully before you register.

When will I get my registration appointment?
Registration appointments will be issued beginning Tuesday, October 27. You will not receive an appointment until we have received and processed all requested documents.

Once I've registered, can I change my schedule?
- If your work or family obligations require you to alter your schedule, you may re-enter the system to make changes before the last day of Advance Registration.
- If a course you want is full, search for open sections using the registration system. Or, place yourself on the class waitlist. You are not guaranteed admission into waitlisted courses.

When is Advance Registration?
Tuesday, November 3, 2015 – Monday, January 25, 2016. Be sure to pay your fees by your due date or risk being withdrawn from your classes.

What if I forget to register during Advance Registration?
You may still register, but not until Thursday, January 28, the first day of instruction and the beginning of Late Registration. Late registrants are assessed a $25.00 late fee. Late registration is dependent on the space available following the “advance registration” period: getting the classes you want may be very difficult.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?
Yes. The advisors will advise you on general university expectations and graduation requirements including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner. Call AARS at 408-924-2129 to make an appointment after the third week of classes.
Registration Holds

Holds are electronic restrictions that prevent you from registering for classes. Some common holds on registration are:

Tests
You forgot to take the placement test, or it has not been scored and recorded yet. Sorry, you must have test scores on file at SJSU before you may register. Contact the Testing office at testing-office@sjsu.edu

Transcript
You owe us a final transcript or verification of classes. You may lose all of your classes if you fail to turn in these records by the stated deadline. Contact the Admissions office at admissions@sjsu.edu or 408-283-7500.

Prerequisites
You did not take the necessary course to proceed to the next level of instruction. You may be blocked from this course until you show the instructor that you met the prerequisites. The instructor can give you a permission number to add a class after verifying your prerequisites.

Health Insurance
You did not purchase health insurance. All international students must purchase health insurance coverage before registering for classes. For more information on how to get health insurance contact International Student and Scholar Services (ISSS) at 408-924-5920 or visit http://studentinsurance.wellsfargo.com

Immunization
As a new student, you will need to provide proof of Measles and Hepatitis B immunization prior to enrollment. If you don’t have documentation, go to the SJSU Health Center to get your shots and proof of immunizations. Bring the forms to window “R” (Registrar) in the Student Services Center (SSC) or fax them to 408-924-2077.
Tuition Fees

Fees are due after registering for your classes. To see your payment due date, check your MySJSU account under the "Finances" section. You have the option to pay in full or sign up for a payment plan. For details, visit sjsu.edu/bursar

Fees Are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

Financing Your Education

SJSU does not offer financial aid or assistance to international students.

Work authorization in the United States is difficult to obtain.

Installment Payments

For payment plan options visit sjsu.edu/bursar/payment_refunds/installments/index.html

There is an enrollment fee to participate.

Fee Payment Deadlines

After you register, log on to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped.

Field Trip Fees

A few courses have additional field trip fees ranging from $11.00 to $52.00.
Special or optional fees
Parking permits are available for students. A daily one–semester parking permit is estimated at $192.00.

Refunds
Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check. To enroll, login to MySJSU, scroll to Finances, and select Enroll in Direct Deposit.
To learn more visit sjsu.edu/bursar

Spartan Bookstore Charges
Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

International Wire Transfers
International students can now make payments via international wire transfer through their MySJSU account. San José State University has partnered with peerTransfer to streamline the tuition payment process for our international students. peerTransfer offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or peerTransfer for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule. Learn more at sjsu.edu/bursar/payment_refunds/methods/international_wire_transfer

You are responsible for keeping your MySJSU account current
SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancelation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

International House
A large, comfortable home, the International House is a co-ed residence for 70 U.S. and international students attending San José State. I-House is located near campus and features friendly interaction among students of many cultures. Residents represent approximately 25 countries. Residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. As much as possible, roommates are matched according to compatible interests and personal habits. After the first semester at the International House, residents have the opportunity to choose a roommate and designate a preferred room.

All furniture, utilities, TV, internet access and computer equipment, as well as use of a fully equipped kitchen, are included. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjsu.edu/ihouse

Accessible Education Center (AEC)
The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs. Services include, but are not limited to: consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible after applying to SJSU. It is important to make an appointment with the center at 408-924-6000 for review of specific needs prior to registering for classes.
