**Stay Committed to the Process (Read Everything)**

**There are consequences if you miss deadlines**

Deadlines are very important and in place to help you through the admissions process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. Sign in to your MySJSU account every few days and read thoroughly any messages, "To Do List" items, or posted deadlines, and then take the requested action as soon as possible. We rarely post generic messages. If a message is posted to your account assume that it applies to you specifically.

**Take responsibility**

- Monitor your own status
- Meet deadlines
- Attend orientation
- Pay bills on time

These items are all part of accepting responsibility for your own success. Additional pre-arrival information, excellent advice and instructions are posted at sjsu.edu/isa

MySJSU Account

SJSU communicates by posting items to your "To Do List" in your MySJSU account or by sending messages to your MySJSU account. Be sure to check your MySJSU account at least once a week for important notices. Even if someone else manages your account, you are responsible for meeting all deadlines.

If you have not signed in to your MySJSU account, do so immediately!

To access your MySJSU account:

1. Look for an email with your SJSU ID
   Approximately one week after applying at CSUMentor, you should have received an email (sent to the email address listed on your application) with your nine-digit SJSU ID included. This nine-digit number will be your primary SJSU identification number while studying at San José State. Losing this number can be a problem, so put it in a safe but accessible place. Make sure the spam filters on your email account are set to accept email from @sjsu.edu.

2. Set the password to access your MySJSU student account and SJSUOne wireless account on campus
   Go to https://sjsuone.sjsu.edu/SJSUOne/ResetPassword and enter the nine-digit SJSU ID you received in step one.
   Choose one of the two options listed to set your password for the first time. This same process will also allow you to reset your password.

3. Sign in to your MySJSU student account at http://my.sjsu.edu
   Click on the blue "MySJSU Sign In" button and enter your nine-digit SJSU ID and the password you created in step two.
   Make sure your personal information is up-to-date; your email address is critical!
   Confirm your email address and update if necessary. Be sure to set your filters to accept messages from the @sjsu.edu domain.

4. Check your MySJSU account
   Check your MySJSU account at least once a week for important and timely notices, such as deadline requirements, fees posted, payment due dates, enrollment appointment time, and information regarding tests, transcripts or deadlines. You are responsible for monitoring your progress throughout the enrollment process, and you must take action by posted deadlines! Failure to do so will result in your application being withdrawn.

Placement Tests in Math and English

All freshmen are required to complete placement tests in both math and English. These placement tests are called the Entry Level Mathematics (ELM) exam and the English Placement Test (EPT). SJSU requires admitted freshmen who are not exempt to take the ELM and EPT by Monday, August 10, 2015. Students can be exempt from these exams by scores earned on other appropriate tests such as the SAT, ACT, Advanced Placement (AP), and A and AS Level Exams (Math only). Students who are exempt, must provide proof prior to completing Next Steps.

You will not be allowed to register for any classes until we receive proof of exemption or test scores for the ELM and EPT.

Students have three options for taking the ELM and EPT:

Option 1: Take the ELM/EPT at any of the 23 California State Universities (including SJSU) by Saturday, May 2.
Visit ets.org/csu/registration/dates/ for a full list of testing locations and dates.

Option 2: Take the ELM/EPT in another U.S. state other than California, or outside the U.S., by Friday, June 12.
This ensures SJSU will receive scores in time for course registration. There is an additional fee for testing outside of California. For questions regarding out-of-state testing, please call 1–925–808–2142 or email csuoutofstate@ets.org. Visit ets.org/csu/registration/dates/ to register.

Option 3: Take the ELM/EPT at SJSU on Monday, August 10.
This option is specifically created for students who are unable to test prior to entering the U.S. Please note that taking the exam(s) on this date will affect your registration for courses because ELM/EPT scores are required to register for courses at SJSU. To register for the August 10 exam(s), contact the Testing office at testing-office@sjsu.edu as soon as possible.

Exemptions

To determine if you are exempt from taking the ELM and the EPT, consult your status in step two of the Intent to Enroll process (https://nextsteps.sjsu.edu). If the exemption status displayed in your Next Steps account does not match your actual exemption status, this means that SJSU does not have all of your official test scores on file. You must send us all official test scores that prove your exemption status or we will require you to take the placement exams. If you still need to take one or both of these exams, register now! For testing information, email testing-office@sjsu.edu or visit testing.sjsu.edu

Importance of Exams

Be aware, the scores you earn on the ELM exam and EPT could cause you to be placed into mandatory remedial courses during your first year at SJSU. Since this can impact the length of time it will take you to earn your degree, we strongly recommend that you prepare for these exams.

Prepare for Exams

**Department Placement Exams**

Many new undergraduates in the colleges of Science, Engineering, and Business need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit [sjsu.edu/math/calculus](http://sjsu.edu/math/calculus)

Fees Are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

Financing Your Education

SJSU does not offer financial aid or assistance to international students. Work authorization in the United States is difficult to obtain. All applicants must complete the “Declaration of Finance” form (sjsu.edu/gape/docs/declaration_of_finance.pdf) Ample evidence of financial resources must be sent with your application.

Installment Payments

For payment plan options visit sjsu.edu/bursar/payment_refunds/installments/index.html There is an enrollment fee to participate.

Fee Payment Deadlines

After you register, log on to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped.

Field Trip Fees

A few courses have additional field trip fees ranging from $11 to $52.

**Spartan Bookstore Charges**

Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

**International Wire Transfers**

International students can now make payments via international wire transfer through their MySJSU account. San José State University has partnered with peerTransfer to streamline the tuition payment process for our international students. peerTransfer offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or peerTransfer for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule. Learn more at sjsu.edu/bursar/payment_refunds/methods/international_wire_transfer

**You are responsible for keeping your MySJSU account current**

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancelation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

### University Housing Services

We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to college life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown.

Within the residence halls, we offer a variety of communities to bring students together who have similar interests. Programming is designed around student interests and often has a component tied to a SJSU academic department. Students who live on campus have the opportunity to get involved in social gatherings, cultural events, intramural sports, community service, and a wide range of other campus activities.

The Freshman Housing Requirement Priority Application deadline is **Friday, May 1, 2015**. To apply for University Housing visit [www.housing.sjsu.edu](http://www.housing.sjsu.edu) to download a housing application and submit the following:

1. A completed online University Housing application
2. A $50 non-refundable application fee
3. A $600 initial payment

---

### Room/Apartment Assignment

We encourage you to complete the application and submit payments as soon as possible. If you are a freshman required to live on campus, you must complete your online application (electronically signed license agreement and $50 application fee) and submit the $600 initial payment by **Wednesday, April 1, 2015** to be included in the first round of housing assignments. You may also complete your online housing application and submit payments any time after this date as long as space remains available. Your room/apartment assignment will be made on a first-paid, first-served basis after April 1.
Freshman Housing Requirement

Freshmen who graduate from a high school located in a city outside a 30-mile radius of campus are required to live on campus their first year. Appeals for exceptions to the housing requirement will be reviewed after admission. The sooner you submit your completed license agreement and initial payment, the greater your chance of receiving your hall preference.

Residence at International House meets the freshman housing requirement. Students interested in living in the I-House must send a separate application directly to the I-House. Applications are available at sjsu.edu/ihouse

International House

The International House is a co-ed residence for 70 U.S. and international students attending San José State. SJSU I-House is located nearby campus and is a large comfortable home featuring friendly interaction among students of many cultures. Residents represent approximately 25 countries. In general, residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. As much as possible, roommates are matched according to compatible interests and personal habits. After the first semester at the International House, residents have the opportunity to choose a roommate and designate a preferred room.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. All furniture, utilities, TV, internet access and computer equipment, as well as use of a fully equipped kitchen, are included. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjusu.edu/ihouse

Accessible Education Center (AEC)

The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs.

Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands–on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible after applying to SJSU. It is important to make an appointment with the center at 408–924–6000 for review of specific needs prior to registering for classes.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one’s actions, respect for oneself and one’s community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, and online at sjusu.edu/
