Submit your Intent to Enroll
https://nextsteps.sjsu.edu

San José State will need to know if you plan on attending for Fall 2017. The process includes accepting SJSU’s offer of admission, signing up for mandatory orientation, and paying for orientation. You must complete all steps in the Intent to Enroll process by **Monday, May 1, 2017**.

**YES** – I intend to enroll at SJSU for the Fall 2017 semester.
(Please note: You may not defer your enrollment to a later semester.)

**NO** – I will not attend SJSU for the Fall 2017 semester.
(Your application will be withdrawn from further consideration.)

You will need the following to submit your intent to enroll:

- Your nine-digit SJSU ID (provided on your Letter of Admission)
- PIN (month and day of your birth date). For example, January 21 is 0121.

You must complete the multi-step Next Steps Intent to Enroll process by 11:59 p.m. (Pacific Standard Time) on **Monday, May 1, 2017** or your admission will be withdrawn.

If you anticipate any problems completing the required steps below by the stated deadlines, contact nextsteps@sjsu.edu immediately.
Sign Up for Transfer Orientation
https://nextsteps.sjsu.edu

Transfer Orientation is a mandatory one-day program that will acquaint you with the campus, introduce you to your college and major department, and provide you with critical academic planning information. All admitted students must attend the entire program. (Guests are not permitted.)

During orientation SJSU faculty and staff will:

• Discuss and explain key university services.
• Review what’s next before you start classes.
• Help you plan your academic schedule.
• Provide a General Education advising workshop.
• Explain general education requirements and preparation for the Writing Skills Test.

For more information, visit sjsu.edu/aars/transfer_orientation or contact Academic Advising and Retention Services at transfer.orientation@sjsu.edu or 408-924-2997.

Stay Committed to the Process (Read Everything)

There are consequences if you miss deadlines. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To avoid this from happening, sign in to your MySJSU student account every few days and thoroughly read any messages, “To Do List” items or posted deadlines and take the requested action as soon as possible.

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.
Pay for Transfer Orientation

https://nextsteps.sjsu.edu

In order to complete the Next Steps Intent to Enroll process, you will be prompted to pay for the Transfer Orientation program after selecting your intended date. It costs $80 to attend.
Apply for Campus Housing (Optional)
sjsu.edu/housing

If you would like to stay on campus while attending SJSU, you must complete a housing application for either University Housing Services or the International House, depending on where you prefer to stay for the 2017-18 school year. (Please note there is a separate application for the International House.) Submit payments any time after this date as long as space remains available. Your room/apartment assignment will be made on a first-paid, first-served basis after April 1.

University Housing Services
We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to college life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown. If you have questions, contact University Housing 408-795-5600 or uhs-frontdesk@sjsu.edu

The Housing Application deadline is Monday, May 1, 2017. To fill out a housing application, visit sjsu.edu/housing and submit the following:
1. A completed online University Housing application
2. A $50 non-refundable application fee
3. A $600 initial payment

Room/Apartment Assignment
We encourage you to complete the online housing application and submit payments as soon as possible. You must complete your online application (electronically signed license agreement and $50 application fee) and submit the $600 initial payment by Saturday, April 1, 2017 to be included in the first round of housing assignments.

International House
A large, comfortable home located near campus, the International House (I-House) is a co-ed residence for 70 U.S. and international students attending San José State. At I-House, residents find friends, study partners, and mentors in addition to opportunities for leadership, group activities and travel. I-House students represent approximately 25 countries, range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjsu.edu/ihouse
**Financial Aid**

**FAFSA**
To help cover the cost of attending SJSU, you may apply for financial aid provided through federal grants, state grants, work study and loans by using the Free Application for Federal Student Aid (FAFSA). Once you apply, you will view a personalized Student Aid Report online. Print this report for your records. SJSU’s Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process. Learn more at sjsu.edu/faso

**New for Fall 2017**
You can submit your application now. The application period started Saturday, October 1, 2016. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Thursday, March 2, 2017. You can apply after March 2 but the amount of financial aid that you receive may be reduced due to available funding. Learn more at fafsa.ed.gov

**California Dream Act -- AB540 Students**
AB540 students (undocumented immigrant status) may qualify for the state grant programs that make up the California Dream Act of 2011. For the California Dream Application, you will need SJSU’s six-digit code, which is 001155. You can submit your application now. The application period started Saturday, October 1, 2016. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Thursday, March 2, 2017 at caldreamact.org

The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131).

Attend Transfer Orientation (Mandatory)
sjsu.edu/aars/transfer_orientation

Attending Transfer Orientation is mandatory. If you do not attend or leave during any portion of the event, you will be blocked from registering for classes and will not be able to attend SJSU in Fall 2017. Students who arrive late will not be allowed to attend the program.

We recommend that you bring the following:
Unofficial copies of all college transcripts
GE certifications (if applicable)
Placement test scores
Other documents (if applicable).

Session 2 – Friday, May 5
Session 3 – Friday, June 2
Session 4 – Friday, June 16
Session 5 – Friday, June 30
Session 6 – Friday, August 18

Missed sessions will only be excused with documentation of a circumstance clearly beyond your control.

Disability Accommodations
This event is wheelchair accessible. Individuals needing sign language interpreters, visual aids, or other accommodations should contact the Accessible Education Center at 408-924-6000 at least two weeks prior to their selected orientation date.

For more information about Transfer Orientation, contact Academic Advising and Retention Services at transfer.orientation@sjsu.edu or 408-924-2997
Take the Writing Skills Test (WST)

http://testing.sjsu.edu/wst

It is highly recommended that you take the Writing Skills Test (WST) before enrolling at SJSU. If you have not taken the WST by the end of your first semester at SJSU, a registration hold will be placed on your student account, preventing you from signing up for courses in future terms.

All upper division (junior and senior level) students must pass the WST in order to register for SJSU Studies General Education courses. Failing to pass the test will delay your graduation, but will not affect your admission status. The WST is part of a CSU system-wide graduation requirement to assess your writing ability and determine whether further coursework in writing is required prior to graduation.

Before registering for the WST, students must earn a “C-” or better grade in English 1A and are strongly recommended to have completed a GE area A3 course. The WST is generally offered twice in the spring, summer and fall. For the exact dates, or to learn more, visit http://testing.sjsu.edu/wst

Department Exams (If Required)

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at http://info.sjsu.edu/home/catalog.html

Many new undergraduates in the College of Science, Engineering and Business may need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit sjsu.edu/math/calculus
Register for Classes

You will register for classes in your MySJSU student account once you get a registration (enrollment) appointment.

Registration Appointments

Registration (enrollment) appointments will be issued beginning Monday, June 12. You will not receive an appointment until we have received and processed all requested documents and you have attended Transfer Orientation. To get an appointment, you must do the following:

- Submit official transcripts by the date posted on your MySJSU “To Do List”
- Show via official transcripts that you have completed the four basic skills course requirements, CSU eligibility and major impaction requirements
- Attend Transfer Orientation

After attending Transfer Orientation, you should receive a registration (enrollment) appointment within 10 business days. If you have one of the four basic skills courses in progress, please know you won’t be able to register until we have received and verified your final official transcripts.

Registering for Courses

Sign in to MySJSU, navigate to Self Service > Enrollment > Enrollment Dates, then select a term to view your start date/time for your Enrollment. The SJSU Schedule of Classes has the specific class number codes and section numbers you’ll need to register. For detailed instructions on how to register for classes, visit [http://my.sjsu.edu/students/student_tutorials/index.html](http://my.sjsu.edu/students/student_tutorials/index.html)

Registration Holds

If you have a registration hold, click the hold icon and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)

Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until Wednesday, August 23, the first day of instruction. Late registrants are assessed a $25.00 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation.
- The Fall 2017 Schedule of Classes, which becomes available Monday, April 17 at [http://info.sjsu.edu](http://info.sjsu.edu)
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at [http://info.sjsu.edu/home/catalog.html](http://info.sjsu.edu/home/catalog.html)
Once I’ve registered, can I change my schedule?

If your work or family obligations require you to alter your schedule, you may re-enter the system to make changes before the last day of the initial registration period.

If a course you want is full, search for open sections using the registration system. Or, place yourself on the class waitlist. You are not guaranteed admission into waitlisted courses.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?

Yes. The advisors will advise you on general university expectations and graduation requirements including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made.

This is essential if you plan to graduate in a timely manner. Call AARS at 408-924-2129 to make an appointment after the third week of the semester.
Submit Final Transcripts and Documents

All supporting documents, including transcripts with coursework through Spring 2017, must be postmarked by Saturday, July 15, 2017.

How to Submit Transcripts and Documents

Transcripts: Transcripts with final grades for all courses must be submitted to maintain your eligibility to enroll. To speed up transcript processing time you are highly encouraged to request that your institution send electronic transcripts to San José State. If you must have your transcripts mailed, please include your assigned nine-digit SJSU ID# on the requested transcripts. All transcripts must be sealed and unopened to be accepted as official documents. If you earned a diploma from the institution(s) you attended, the transcript must show proof of your diploma completion, including the graduation date. Once submitted to SJSU, documents become the property of the university and cannot be released. Send transcripts to:

San José State University
Undergraduate Admissions
One Washington Square
San José, CA 95192-0016

COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED.

Please note: After your documents have been received, it may take up to three weeks for your “To-Do List” items on your MySJSU account to be reviewed and updated. Avoid delays; apply early, and submit documents as soon as possible in the approved format.

Test Scores: Test Scores (AP exams, SAT and ACT) and IB diploma must also be sent directly to SJSU from the testing agency.

Continue to check MySJSU for important messages, required documents and deadlines.

* In addition to all mandatory state and local tuition fees, non-residents of California pay $372.00 per unit.

Fees are Subject to Change
The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

In-state tuition for certain non-residents of California (AB 540 provisions)
If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. For more information visit sjsu.edu/registrar/students/Residency/ab540.html

Installment Payments
Payment plans are valid for one semester, not the entire year. There is an enrollment fee to participate. Students must sign up for a payment plan for every semester in which they wish to pay in installments. There are two different payment plans: one for Housing only and one for Tuition and Fees. Students may sign up for one or both plans as needed. For payment plan options visit sjsu.edu/bursar/payment_refunds/installments

Spartan Bookstore Charges
Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

Refunds
Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check. To enroll, login to MySJSU, scroll to Finances, and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar

Authorized Users
If you would like your parent or someone else to become an authorized user, you must register them as an authorized user. An authorized user can view your student account balance and make payments to your account. They can also contact the Bursar’s Office with any questions about your account, including payment due dates and amounts. Authorized users are not able to view a student’s class schedule or grades. Learn how to register an authorized user at sjsu.edu/bursar/docs/steps/setup_authorized_user.pdf
California Community College transfers

- Keep your own copy of the general education plan from your community college.
- Keep track of the courses you’ve completed to meet the GE requirements.
- Work with our Academic Advisors to choose SJSU courses to complete remaining courses.

Associate Transfer Degree (AS-T/AA-T)

- The plan to complete your degree at SJSU in 60 units assumes that you have passed the Writing Skills Test (WST) prior to enrollment in your first term.
- You will be expected to attend the AS-T/AA-T workshop during mandatory Transfer Orientation.
- If you did not mark AS-T or AA-T on your application and you will graduate with one of these degrees by the end of the Spring 2017 term, send an email to admissions@sjsu.edu with your full name, SJSU ID and the major of your AS-T or AA-T.
- Learn more at adegreewithaguarantee.com

Frequently Asked Questions

What if I do not complete required courses or miss a deadline?
You will have your admission to SJSU revoked and your registration canceled. For example, failure to submit your transcript will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the summer term?
You may not use coursework from the summer 2017 term to complete admission requirements.

Can I defer my admission to another term?
No, your admission is good for one term only. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

Can I change my major?
Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.
