San José State will need to know if you plan on attending in Fall 2018. Go to the Next Steps Intent to Enroll website (https://nextsteps.sjsu.edu) and tell us your plans. You must complete the multi-step Next Steps Intent to Enroll process by 11:59 p.m. (Pacific Daylight Time) on Tuesday, May 1, 2018 or your admission will be withdrawn.

The process includes accepting SJSU’s offer of admission, signing up for mandatory orientation, and paying the non-refundable Enrollment Deposit.

YES – I intend to enroll at SJSU for the Fall 2018 semester.  
(Please note: You may not defer your enrollment to a later semester.)

NO – I will not attend SJSU for the Fall 2018 semester.  
(Your application will be withdrawn from further consideration.)

You will need the following to submit your intent to enroll:

• Your nine-digit SJSU ID (provided on your Letter of Admission)
• PIN (month and day of your birth date). For example, January 21 is 0121.

If you anticipate any problems completing the required steps below by the stated deadlines, contact nextsteps@sjsu.edu immediately.
Sign Up for Transfer Orientation
https://nextsteps.sjsu.edu

Transfer Orientation is a mandatory one-day program that will acquaint you with the campus, introduce you to your college and major department, and provide you with critical academic planning information. All admitted students must attend the entire program. (Guests are not permitted.) The cost to attend Orientation is $80 and will be included in your enrollment deposit.

If you do not attend or leave during any portion of the event, you will be blocked from registering for classes and will not be able to attend SJSU in Fall 2018. Students who arrive late will not be allowed to attend the program. During orientation, you will:

- Be welcomed from SJSU administrators, faculty, staff and students and learn what it means to be part of the Spartan community.
- Connect with student leaders in small groups and have an opportunity to ask questions about campus life.
- Receive campus information to help maximize your first-year experience and student success.
- Learn tools to best navigate key university services and resources.
- Meet with academic advisors to plan your class schedule and register for courses.
- Review what’s next before you start classes.

For more information, visit sjsu.edu/newspartans or contact New Student and Family Programs at transfer-orientation@sjsu.edu or 408-924-5972.

Stay Committed to the Process (Read Everything)

There are consequences if you miss deadlines. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To avoid this from happening, sign in to your MySJSU student account every few days and thoroughly read any messages, “To Do List” items or posted deadlines and take the requested action as soon as possible.

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.
Pay Your Enrollment Deposit
https://nextsteps.sjsu.edu

In order to complete the Next Steps Intent to Enroll process, you will be prompted to pay your enrollment deposit online via a link provided in your Next Steps portal. Your $250 enrollment deposit includes your $80 Orientation payment and deposit of $170 towards your tuition and fees for Fall 2018. Please note: The $250 enrollment deposit is nonrefundable, even if you do not enroll in classes for the Fall 2018 semester.
Apply for Campus Housing

sjsu.edu/housing (University Housing Services)
sjsu.edu/ihouse (International House)

If you would like to stay on campus while attending SJSU, you must complete a housing application for either University Housing Services or the International House, depending on where you prefer to stay for the 2018-19 school year. (Please note there is a separate application for the International House.)

University Housing Services
We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to university life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown. If you have questions, contact University Housing 408-795-5600 or uhs-frontdesk@sjsu.edu

The Housing Application deadline is Tuesday, May 1, 2018. To fill out a housing application, visit sjsu.edu/housing
1. A completed online University Housing application
2. A $50 nonrefundable application fee
3. A $600 initial payment

Room/Apartment Assignment
We encourage all applicants to complete the online housing application and submit payments as soon as possible. Applicants will be assigned to their preferred apartment/building or room and occupancy type whenever possible based on the date their license materials and payments are received.

You must complete your online application (electronically signed license agreement and $50 application fee) and submit the $600 initial payment by Tuesday, May 1, 2018 to be included in the first round of housing assignments. Room/apartment assignments will be made on a first-paid, first-served basis after May 1.

International House
A large, comfortable home located near campus, the International House (I-House) is a residence for 70 U.S. and international students attending San José State. At I-House, residents find friends, study partners, and mentors in addition to opportunities for leadership, group activities and travel. I-House students represent approximately 25 countries, range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjsu.edu/ihouse.
Financial Aid

FAFSA
To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work study and loans, by using the Free Application for Federal Student Aid (FAFSA) at fafsa.gov. For the FAFSA, you will need SJSU’s six-digit code, which is 001155.

Once you apply, your SJSU’s Financial Aid office will post requests on your MySJSU student account for documents required to determine if you are eligible for financial aid and how much you are eligible to receive. It will take about two weeks to receive a response after you apply and three to four months to complete the entire process.

The application period started Sunday, October 1, 2017. Although the priority deadline was March 2, 2018, you can still apply for financial aid. But the amount of financial aid that you receive may be reduced due to available funding. Be sure to complete any requested documents on your “To Do List” by April 27, 2018. Learn more at sjsu.edu/faso

California Dream Act — AB540 Students
AB540 students (undocumented immigrant status) may qualify for state grant programs that make up the California Dream Act of 2011. The California Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants and community college fee waivers (AB 131).

For the California Dream Application, you will need SJSU’s six-digit code, which is 001155. The application period started Sunday, October 1, 2017 and the priority deadline was March 2, 2018. Although the priority deadline has passed, you can still apply at caldreamact.org. For more information visit, sjsu.edu/studentaffairs/current_students/ab540_students

Session 6: Friday, August 10

Disability Accommodations
This event is wheelchair accessible. Individuals needing sign language interpreters, visual aids, or other accommodations should contact us at 408-924-5972 at least two weeks prior to their selected orientation date.

For more information about Transfer Orientation, contact New Student Family Programs at transfer-orientation@sjsu.edu or 408-924-5972.
Take the Writing Skills Test (WST)

http://testing.sjsu.edu/wst

It is highly recommended that you take the Writing Skills Test (WST) before enrolling at SJSU. If you have not taken the WST by the end of your first semester at SJSU, a registration hold will be placed on your student account, preventing you from signing up for courses in future terms.

Before registering for the WST, students must earn a “C-” or better grade in English 1A (or its equivalent). The WST is generally offered twice in the spring, summer and fall. For the exact dates, or to learn more, visit http://testing.sjsu.edu/wst

Department Exams (If Required)

To learn if you need to take a department placement exam, contact the department that oversees your degree program (major). View a listing of degree programs and their departments at http://info.sjsu.edu/home/catalog.html

Many new undergraduates in the College of Science, Engineering and Business may need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit sjsu.edu/math/calculus
Register for Classes

You will register for classes in your MySJSU student account once you get a registration (enrollment) appointment.

Registration Appointments
You will not receive an appointment until we have received and processed all requested documents and you have attended Transfer Orientation.

To receive a registration appointment, you must do the following:

- Submit official transcripts by the date posted on your MySJSU “To Do List”
- Show via official transcripts that you have completed the four basic skills course requirements, CSU eligibility and major impaction requirements

Attend Transfer Orientation
After attending Transfer Orientation, you should receive a registration (enrollment) appointment within 10 business days. If you have one of the four basic skills courses in progress, please know you won’t be able to register until we have received and verified your final official transcripts.

Registering for Courses
Sign in to MySJSU, navigate to Self Service > Enrollment > Enrollment Dates, then select a term to view your start date/time for your Enrollment. The SJSU Schedule of Classes has the specific class number codes and section numbers you’ll need to register.

For instructions on how to register for classes, visit http://my.sjsu.edu/students/student_tutorials

Registration Holds
If you have a registration hold, click the hold icon and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)

Late Registration
After the initial registration period (Advance Registration) ends, you may still register, but not until August 21, the first day of instruction. Late registrants are assessed a $25.00 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation
- Schedule of Classes http://info.sjsu.edu
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at http://info.sjsu.edu/home/catalog.html
Once I’ve registered, can I change my schedule?
If work or family obligations require you to change your schedule, you may re-enter the system to make changes before the last day of Advanced registration.

Important note: before dropping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections using the registration system. Or, place yourself on the class waitlist. You are not guaranteed admission into waitlisted courses.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?
Yes. The advisors will advise you on general university expectations and graduation requirements including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made.

This is essential if you plan to graduate in a timely manner. Call AARS at 408-924-2129 to make an appointment after the third week of the semester.
Submit Final Transcripts and Documents

All supporting documents, including transcripts with coursework through Spring 2018, must be postmarked by Sunday, July 15, 2018.

How to Submit Transcripts and Documents

Transcripts: Transcripts with final grades for all courses must be submitted to maintain your eligibility to enroll. To speed up transcript processing time, you are highly encouraged to request that your institution send electronic transcripts to San José State.

If you must have your transcripts mailed, please include your assigned nine-digit SJSU ID# on the requested transcripts. All transcripts must be sealed and unopened to be accepted as official documents. If you earned a diploma from the institution(s) you attended, the transcript must show proof of your diploma completion, including the graduation date. Once submitted to SJSU, documents become the property of the university and cannot be released. Send transcripts to:

San José State University
Undergraduate Admissions
One Washington Square
San José, CA 95192-0016

COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED.

Please note: After your documents have been received, it may take up to three weeks for your “To-Do List” items on your MySJSU account to be reviewed and updated. Avoid delays, submit documents as soon as possible in the approved format.

Test Scores: Test Scores (AP exams, SAT and ACT) and IB diploma must be sent directly to SJSU from the testing agency.

Continue to check MySJSU for important messages, required documents and deadlines.

* In addition to all mandatory state and local tuition fees, non-residents of California pay $396.00 per unit.

All information, dates, test scores, and fees subject to change without notice.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Fee Payment Deadlines

After you register, sign in to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped. For more information about payment methods, including international wire transfer, fees and payment due dates visit sjsu.edu/bursar.

Installment Payments

For payment plan options visit sjsu.edu/bursar/payment_refunds/installments/index.html There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate. Please note: Students are not able to sign-up for the payment plan until charges actually appear on their account, either tuition and fees, or housing charges. Payment plans will be available only when tuition and fee and/or housing charges appear on your student account.

Field Trip Fees

A few courses have additional field trip fees ranging from $11.00 to $52.00.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at $192.00.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check. To enroll, login to MySJSU, scroll to “Finances”, and select “Enroll in Direct Deposit.” To learn more visit sjsu.edu/bursar

Spartan Bookstore Charges

Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.
Frequently Asked Questions

What if I do not complete required courses or miss a deadline?
You will have your admission to SJSU revoked and your registration canceled. Failure to submit your transcript will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the Summer 2018 term?
You may not use coursework from the Summer 2018 term to complete admission requirements.

Can I defer my admission to another term?
No, your admission is good for one term only. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

What if I’m a California Community College transfer?
• Keep your own copy of the general education plan from your community college.
• Keep track of the courses you’ve completed to meet the GE requirements. Work with our Academic Advisors to choose SJSU courses to complete remaining courses.

Can I change my major?
Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.

Important Resources

Student Responsibilities and Rights
As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights (http://info.sjsu.edu/web-dbgen/narr/static/catalog/studentrights.html) section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students’ academic and personal growth, as well as review important university policies and procedures (http://info.sjsu.edu/static/catalog/policies.html) every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct
Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one’s actions, respect for oneself and one’s community, and personal development. Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible. Before registering for classes, make an appointment with the center at 408-924-6000 for review of specific needs.
