Welcome

San José State University’s Financial Aid and Scholarship Office provides assistance to students in securing federal, state and university financial aid to achieve their educational pursuits. Each year, SJSU awards and administers more than $425 million in financial aid to eligible students. Students receive aid in the form of scholarships, grants, work study and loans — funds that help them focus on their education and complete their degree.

Costs

The total cost of attendance will vary if you choose to live at home with your parents, on campus, or off campus. Below is the estimated cost of attendance for students living on campus for the academic year Fall 2017 – Spring 2018.

Fees subject to change.

*Nonresidents of California are charged an additional $396 per unit.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028–66028.6 of the Education Code). For more information on the cost of attending SJSU visit sjsu.edu/faso/Applying/Cost_of_Attendance.
Financial Aid Applications

You will be able to submit your Free Application for Federal Student Aid (FAFSA), or California Dream Act Application, earlier. You can file your 2018–19 application as early as Oct. 1, 2017, rather than beginning on Jan. 1, 2018.

Because your taxes are done by the time you fill out your application, you may be able to use the IRS Data Retrieval Tool (IRS DRT) to automatically import your tax information into your application. (Learn about the IRS DRT at StudentAid.gov/irsdrt)

Because the application is available earlier, you may feel less pressure due to having more time to explore and understand your financial aid options.

Financial Aid Overview

Financial Aid is assistance offered to you and your family to help meet the gap between what you can contribute to your education and what it costs to attend college. Financial aid can be in the form of federal grants, state grants, work study, scholarships and loans.

★ California Dream Act Applicants who are California residents with AB540 status are eligible
● Available to California residents only
How to Apply

1. Complete the FAFSA or CA Dream Act Application. Both will be available beginning Sunday, October 1, 2017.
   • The priority filing deadline date is March 2, annually.
   • SJSU’s Federal School Code: 001155
   • Free Application for Federal Student Aid (FAFSA) — Submit the Free Application for Federal Student Aid, or FAFSA, at fafsa.gov
   • CA Dream Act Application — Eligible AB540 students (undocumented immigrant status) may qualify for state aid programs. Complete the California Dream Act Application at caldreamact.org

2. Receive your Student Aid Report, which gives you some basic information about your eligibility for federal student aid and list your answers to the questions on your FAFSA.

3. Financial Documents are reviewed

4. Receive actual award

Who is Eligible?

Eligibility requirements vary by program. However, to be eligible for most financial aid programs you must:

• Be enrolled in at least half-time as a degree-seeking student in an approved program of study.
• Be a citizen or permanent resident of the United States
• Be an eligible AB540 student (undocumented immigrant status)
• Demonstrate financial need
• Not be in default on a student loan or owe a refund on student financial aid
• Maintain satisfactory academic progress
• International students are not eligible for federal or state financial aid.

Financial Aid Formula

For financial purposes, need is determined by the following formula:

\[
\text{Need} = \text{Cost of Attendance} - \text{Expected Family Contribution}
\]

Expected Family Contribution

Family contribution is the amount you and your family are expected to contribute toward your college costs. Your family’s total income and financial situation are taken into account when determining financial need.
Next Steps

Continuing Students
Your financial aid award does not automatically renew from one year to the next. You must re-submit the financial aid application (FAFSA or CA Dream Act Application) by the priority filing date of March 2 every calendar year to be eligible for aid the following fall semester.

Enrollment Changes
Financial aid is based on full-time enrollment unless you have notified our office of changes to your enrollment status. To do so, complete the Student Information Update form on our website (sjsu.edu/faso). The form can be found by clicking the "Forms" menu item and “Student Information Update” link. If you receive aid as a full-time student and then drop units, you may be required to repay a portion of the funds.

Satisfactory Academic Progress Policy
Continuing students can have an academic progress hold for the following reasons after semester grades are posted: failure to complete required units, excessive units completed or academic disqualification. A written Academic Progress Petition must be submitted to the Financial Aid and Scholarship Office for committee review. Funds will be released, if approved.

Winter 2019 Session
Financial aid is not available for the winter session. Students who wish to attend the winter session will need to pay their own fees.

Summer 2019 Session
Financial aid for summer is very limited. Students must have been in attendance and awarded financial aid for the Fall 2018-Spring 2019 academic year. Summer is based on remaining eligibility from the academic year. To be considered for summer, you must register in at least six units at SJSU. Visit our website in March 2019 for more details regarding summer.

Scholarships
Scholarships are generally based on scholastic achievement and financial need. The Financial Aid and Scholarship Office administers three types of scholarships: SJSU campus based, department based and private based. Hundreds of SJSU scholarships are available, ranging from $250 to $4,000 per year. Students are encouraged to apply for as many scholarships as possible to lessen the need for loans or part-time work to pay for the cost of attendance.

The Spartan Scholarship is available to SJSU eligible students for the Fall 2018 and Spring 2019 semesters. The deadline to apply is Sunday, April 15, 2018, unless otherwise stated. Please note: the College of Education’s deadline to apply is Tuesday, July 31, 2018. For more information visit sjsu.edu/faso/Scholarships

Monitor your MySJSU account frequently for financial aid status changes and outstanding “To Do List” items.
Financial Literacy

Your education costs you time and money, so every decision will impact you in a real way. If you want to graduate in two or four years and save thousands of dollars, create an academic plan and enroll in at least 15 units each semester.

By using the online academic tools available (such as the SJSU Catalog, MyRoadmap and MyProgress degree audit), you will save a substantial amount of time and money by only taking the classes that you need to graduate. This will also help cut costs on tuition, books, housing and other college-related expenses and prevent you from having full-time employment.

Take advantage of our resources at sjsu.edu/faso/literacy to plan the financial aspect of your pathway to graduation including:

- How to calculate the cost of taking an additional semester or year, or more, to graduate
- How to create and maintain a budget
- How to plan for unexpected expenses - car repairs, medical bills, rent increases...
- What are your loan repayment options: payment plans, loan forgiveness, deferment, forbearance...

Checklist
(Complete Your File)

☐ Check your MySJSU (http://my.sjsu.edu) account for outstanding “To Do List” items related to the financial aid process. We will request all financial aid documents through your MySJSU account. Download and print the documents for the financial aid year of 2018-2019.

☐ Approximately 20 percent of financial aid applicants are selected for a process that requires the Financial Aid and Scholarship Office to verify information submitted on the FAFSA or CA Dream Application. The verification process must be completed before aid is awarded. It is your responsibility to check your MySJSU account regularly and determine if you have been selected for verification.

☐ Follow all instructions when completing your documents. Keep copies of all documents submitted.

☐ Your financial aid award is based on the completion of your file in a timely manner. All requested documents must be submitted to the Financial Aid and Scholarship Office by 4:30 p.m. on the File Completion date of Friday, April 27, 2018. Turn in all requested documents to be considered for maximum funding.

☐ After you have submitted all requested documents, a fee deferral will be assigned to your MySJSU account. The fee deferral will hold your classes and delay the payment of registration fees while your documents are being processed.

☐ To be eligible for a registration fee deferral, you must submit all requested documents prior to the scheduled fee payment deadline posted on your MySJSU account. The last day to receive fee deferrals is Friday, June 29, 2018. Students who do not receive a fee deferral will be responsible for paying any outstanding fees prior to the fee payment deadline posted on your MySJSU account.

☐ Fee deferrals are temporary and will be removed at the beginning of each semester. All outstanding charges will be due by the next payment due date.

☐ The Financial Aid and Scholarship fee deferral does not defer housing payments. (For more information, contact University Housing Services at 408–795–5600 or uhs-frontdesk@sjsu.edu)
