Welcome

Congratulations on your admission! We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Fall 2018, which are outlined in this guide.

Stay Committed to the Process

There are consequences if you miss deadlines. Deadlines are very important in the U.S. and are in place to help you through the enrollment process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To avoid this, sign into your MySJSU student account every few days and thoroughly read any messages, "To Do List" items or posted deadlines and take the requested action as soon as possible.

During check-in you will receive information on how to maintain your F-1 status.

7

Register for Classes

You will register for classes in your MySJSU student account once you get a registration (enrollment) appointment.

Registration Appointments

You will not receive an appointment until we have received and processed all requested documents and you have attended Transfer Orientation.

To receive a registration appointment, you must do the following:

- Submit official transcripts by the date posted on your MySJSU “To Do List”
- Show via official transcripts that you have completed the four basic skills course requirements, CSU eligibility and major impactation requirements and allow time for transcripts to be verified.

Attend Transfer Orientation

After attending Transfer Orientation, you should receive a registration (enrollment) appointment within 10 business days. Please know you won’t be able to register until we have received and verified your final official transcripts.

Registering for Courses

Sign in to MySJSU, navigate to Self Service > Enrollment > Enrollment Dates, then select a term to view your start date/time for your Enrollment. The SJSU Schedule of Classes has the specific class number codes and section numbers you’ll need to register. For detailed instructions on how to register for classes, visit http://my.sjsu.edu/students/student_tutorials/index.html

Registration Holds

If you have a registration hold, click the hold icon and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)

Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until August 21, the first day of instruction. Late registrants are assessed a \$25.00 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult. (We advise you attend the first day of class and be prepared to show proof of the prerequisites required for the class (e.g. transcript from another school) and obtain a permission number from the instructor of the class. You will be able to enroll via MySJSU if you have a permission number from the instructor.)

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation.
- Schedule of Classes <http://info.sjsu.edu>
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at <http://info.sjsu.edu/home/catalog.html>

Once I've registered, can I change my schedule?

If you have obligations that require you to change your schedule, you may re-enter the system to make changes before the last day of Advanced registration.

Important note: before dropping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. As an international (F-1) student, you are required to be full-time each semester (at least 12 units).

If a course you want is full, search for open sections using the MySJSU portal. Or, place yourself on the class waitlist. You are not guaranteed enrollment into waitlisted courses.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?

Yes. The advisors will advise you on general university expectations and graduation requirements including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made.

This is essential if you plan to graduate in a timely manner. Call AARS at 408-924-2129 to make an appointment after the third week of the semester.

8

Submit Final Transcripts and Documents

Continue to check your MySJSU "To Do List" for transcript and document deadlines.

We will look at your final transcript to verify that you have completed all required courses for admission. This includes passing required courses with a C- or better. Final transcripts must indicate completion of requirements, include your graduation date, and be submitted by the date listed on your MySJSU account's To Do List. If you have AP, IB or CLEP exam results, please have official test results sent to SJSU.

How to Submit Transcripts and Documents

Transcripts/Mark Sheets: Transcripts with final grades for all courses must be submitted to maintain your eligibility to enroll. If you earned a degree from the institution(s) you attended, the transcript must show proof of your degree completion, including the graduation date.

Test Scores (TOEFL, IELTS, Advanced Level/A Level, AP exams, SAT and ACT) and IB diploma must also be sent directly to SJSU from the testing agency.

To speed up transcript processing time you are highly encouraged to request that your institution send electronic transcripts to San José State University. If you must have your transcripts mailed, please make sure that the name on your application matches the name listed on your transcripts. All transcripts must be sealed and unopened to be accepted as official documents. COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED.

Once submitted to SJSU, documents become the property of the University and cannot be released. If transcripts must be mailed, send to:

San José State University
Undergraduate Admissions
One Washington Square
San José, CA 95192-0016

All other documents (bank statement, Declaration of Finance, and photocopy of current passport) can be mailed or submitted electronically in individual PDF formatted files (one PDF for each requested document). If possible, please submit them electronically (PDF only) to sa-adm-wrkflow@sjsu.edu NOTE: Multiple PDF documents may be attached to one email.

CORRECT WAY to submit documents

WRONG WAY to submit documents

The following are steps for submitting items by email.

- Convert documents to PDF format. Free PDF converters are available at primopdf.com or freepdfconvert.com
- Make sure the documents are readable, with your name or the name of your institution at the top of the page, and in individual files (one document per PDF).
- Include your nine-digit SJSU ID and your first and last name as it appears on your passport in the BODY of the email message.
- Send email with attachments to sa-adm-wrkflow@sjsu.edu. One email may contain multiple PDF files.

Please note:

After your documents have been received, it may take up to three weeks for your "To Do List" items on your MySJSU account to be reviewed and updated. Avoid delays; apply early, and submit documents as soon as possible in the approved format.

Continue to check MySJSU for important messages, required documents and deadlines.

9

Pay Your Tuition and Fees

sjsu.edu/bursar

Fees are due after registering for your classes. To see your payment due date, check your MySJSU account under the “Finances” section. You have the option to pay in full or sign up for a payment plan. For details, visit sjsu.edu/bursar

Estimates of average expenses (international student) for a nine-month academic year are:

Summary for one academic year	Undergraduate
Minimum semester units:	12 units/semester
Tuition Fees	\$17,225*
Living Expenses	\$21,974
Total (required for Declaration of Finance)	\$39,199

*Amount is based on full-time attendance (12 units per semester) for a nine-month academic year.

Fees Are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Financing Your Education

Please note that international students are not eligible for financial aid at SJSU and that off-campus work authorization in the United States is difficult to obtain.

For more information on scholarships, please visit the financial aid office sjsu.edu/faso/Scholarships/International_Students

Fee Payment Deadlines

After you register, sign in to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped. For more information about payment methods, including international wire transfer, fees and payment due dates visit sjsu.edu/bursar

If a Third Party Sponsor, such as a foreign government agency, a business and/or educational institution, agrees to sponsor you by paying your tuition and fees, please get an authorization letter from the sponsor stating how much of your tuition they will cover and for which semesters. Submit the authorization to SJSU's Bursar's Office, attention: Third Party Technician and retain a copy of the letter for your records. The Bursar's Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the sponsored student is registered and has submitted a current letter of authorization. Learn more at sjsu.edu/bursar/services/sponsors/3rd_party/index.html

Installment Payments

For payment plan options visit sjsu.edu/bursar/payment_refunds/installments/index.html There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate. Please note: Students are not able to sign-up for the payment plan until charges actually appear on their account, either tuition and fees, or housing charges. Payment plans will be available only when tuition and fee and/or housing charges appear on the student account.

International Wire Transfers

International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or Flywire for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule. Learn more at sjsu.edu/bursar/payment_refunds/methods/international_wire_transfer.

Field Trip Fees

A few courses have additional field trip fees ranging from \$11.00 to \$52.00.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.00.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check. To enroll, login to MySJSU, scroll to Finances, and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar

Spartan Bookstore Charges

Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

Frequently Asked Questions

What if I do not complete required courses or miss a deadline?

You will have your admission to SJSU revoked and your registration canceled. Failure to submit your final transcript will result in your application being withdrawn, even if you have signed up for housing and attended orientation.

What if I am taking courses required for admission during the Summer 2018 term?

You may not use coursework from the Summer 2018 term to complete admission requirements.

Can I defer my admission to another term?

No, your admission is good for one term only. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

What if I'm a California Community College transfer?

- Keep your own copy of the general education plan from your community college.
- Keep track of the courses you've completed to meet the GE requirements. Work with our Academic Advisors to choose SJSU courses to complete remaining courses.

Can I change my major?

Due to space limits in many SJSU departments, you may not change your major before the term starts. Note that change of major is never guaranteed, even after admission to SJSU.

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights (<http://info.sjsu.edu/web-db/gen/narr/static/catalog/student-rights.html>) section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures (<http://info.sjsu.edu/static/catalog/policies.html>) every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies/

Students with Disabilities

The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs. Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible. Before registering for classes, make an appointment with the center at 408-924-6000 for review of specific needs.
