When you apply for admission to San José State, you are applying to join a unique community of individuals bound together by their shared creativity, passion and resilience: a community of Spartans!

As the founding campus of the California State University (CSU) system, San José State has grown since its 1857 inception into a major metropolitan university offering 134 academic disciplines, from the classics to emerging fields. But SJSU offers students more than a degree, and our award-winning faculty members educate far beyond the classroom. Here, learning is put into action. Our faculty members are leaders in their fields. Undergraduate students have the opportunity to participate in groundbreaking research projects funded by organizations like NASA, the National Science Foundation and Intel. Established Silicon Valley partnerships and a vast, global alumni network provide you access to internships and job opportunities with some of the world’s foremost companies. For those of you whose ambitions align with the region’s legendary entrepreneurial spirit, campus programs like the Silicon Valley Innovation Challenge nurture ingenuity and support budding businesses.

San José State is proud to have a long legacy of social and civic engagement. This spirit, along with a focus on service-learning and an international student body, helps prepare students to be responsible global citizens. Responsible citizens also know how to have fun: Division I athletics and nearly 400 student organizations—from art to archery—connect you to thriving student life on campus and beyond. From our home in bustling downtown San José, you have access to all that Northern California has to offer, from Santa Cruz’s famous beach breaks to the majesty of Yosemite National Park and San Francisco’s Golden Gate.

At San José State, Spartans believe that dreams are achieved through hard work and imagination. When you become a Spartan, you are giving yourself an opportunity to discover who you want to be and how you want to change the world—for yourself, your family and your community.

How to Apply

Use your full, legal name consistently on every application and every document you submit. This includes financial aid forms, transcripts and test scores. Avoid using nicknames as this will lead to delays in application processing and admission notification. If you allow someone other than yourself to fill out the application, you are still accountable and responsible for meeting all requests for information and deadlines.

1 Apply to SJSU at csumentor.edu

Fall 2015 Semester: Wednesday, October 1–Wednesday, April 1 (11:59 p.m.)

THERE ARE NO EXCEPTIONS TO THE APPLICATION DEADLINE(S).

You will receive an application confirmation number: this is your receipt. Keep this number in a safe place; it is your proof that you submitted the application by the deadline.

2 Look for an email with your SJSU ID in five to seven business days

Five to seven business days after applying at CSU Mentor, you will receive an email with your nine-digit SJSU ID included. This nine-digit number will be your primary university identification throughout your career at SJSU. Because you will use this number so frequently, make sure to put it in a safe, but accessible place. Make sure the spam filters on your email account are set to accept email from @sjsu.edu. You don't want to miss this email.

3 Set the password to access your MySJSU account and your SJSUOne wireless account on campus

Go to https://sjsuone.sjsu.edu/SJSUOne/ResetPassword and enter the nine-digit SJSU ID you received in Step 2.

Choose one of the two options listed to set your password for the first time. This same process will allow you to reset your password.

4 Sign in to your MySJSU student account at http://my.sjsu.edu

SJSU communicates almost entirely by messages and ‘to-do’ items posted to your MySJSU account. Click on the blue “MySJSU Sign In” button and enter your nine-digit SJSU ID and the password you created in Step 3. Make sure your personal information is current—your email address is critical! You will be notified via this email address when a new message or ‘to-do’ item has posted to your MySJSU account. Confirm your email address and update if necessary. Also, be sure to set your filters to accept messages from the @sjsu.edu domain.

Lost SJSU ID or password?

Click on the yellow “Set/Reset Password” button at http://my.sjsu.edu

5 Check your MySJSU account

MySJSU is the main method of communication used throughout the application process and your time as an enrolled student. Check your MySJSU account at least once a week for important and timely notices, such as admission, fees, enrollment appointment, test, and transcript information and deadlines. You are responsible for monitoring your progress at MySJSU, and you must take action by posted deadlines! Failure to do so will result in your application being withdrawn.
Choose Your Major Carefully
You cannot change your major during the admission process. Once you are admitted, your mandatory orientation, advising, and registration will all be based on your choice of major. After you are admitted, change of major is never guaranteed and is by petition only. You must also enter an alternative major on your application to SJSU. We will use this information for advising purposes only, and will not consider your alternative major in the admission process. Transfer students may not apply as an undeclared major.

Meeting Minimum Requirements (Impaction)
Admission to San José State is competitive in all majors. SJSU continues to have more qualified applicants than available new student spaces. Due to this, SJSU is considered an impacted campus, therefore meeting the minimum CSU requirements does not guarantee admission to SJSU.
Learn more about impaction at http://info.sjsu.edu/static/admission/impaction.html
Freshman Admission Requirements

You will be eligible to be reviewed for admission by SJSU if you meet the following criteria:

☐ Earn a minimum of a 3.0 grade point average (GPA) or an average of “B” grades. If required, SJSU will convert your international GPA prior to application evaluation. Please note that some majors require higher GPAs than others.

☐ Successfully complete three years of college preparatory mathematics with a minimum grade of “C” or better.

☐ Submit official test scores from an approved English language proficiency test (TOEFL, IELTS or PTE). Scores must be sent directly to SJSU from the testing institution.

☐ Submit official secondary school (high school) transcripts, which must include the completion/graduation date.

☐ Take SAT or ACT (highly recommended for admission and for SJSU placement exam exemptions; visit sjsu.edu/testing).

International Institutions

If you attended a high school with American accreditation, you must meet the “Freshman Admission Requirements”; find additional information at http://info.sjsu.edu/static/admission/undergrad-admission.html as SJSU will evaluate your application based on the academic requirements outlined on this page.

If you have taken “O” level examinations, SJSU requires that five subjects are passed in one sitting, including Math and English (English as an ESL is not acceptable); if these requirements regarding “O” level examinations are met, the English Language proficiency test will be waived. Certified copies of “O” level examinations must be sent directly to SJSU from the testing service or attested by your school; scores sent by the applicant are not acceptable.

If you have taken “A” level and/or “AS” level examinations, SJSU may award college credit if you pass these exams with a “C” or higher. SJSU must receive “A” and “AS” level examination scores directly from the Board of Examinations. Scores sent by you or certified statements of exam results are not acceptable.

If your studies were in the International Baccalaureate (IB curriculum) program, please submit your school transcripts for evaluation. You will be required to complete four years of English and three years of mathematics and earn a passing score of “C” or higher. For those earning scores of 4 or higher on the IB Higher Level exams, SJSU may award college credit.

Your path to admission at SJSU starts now……

Remain fully engaged to successfully complete the admission process for Fall 2015. Before you apply, understand that you will be required to complete multiple steps in order to enroll successfully at SJSU. Each step affects the next step in the enrollment process. For instance, your SAT/ACT scores are used to determine if you must take one of the placement tests: Entry Level Math (ELM) or English Placement Test (EPT). Admission is provisional, based on self-reported data and official test scores at the time of application, and subject to verification of final official high school transcripts.

Meet all Deadlines

If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU in Fall 2015. If you have an extreme hardship or unusual circumstance that may cause you to miss one of our deadlines, contact admissions@sjsu.edu immediately!

It is best to contact us with your questions or concerns before a deadline. This way, we can assist you before action is taken on your account.

Housing

University Housing Services

We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to college life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown.

Within the residence halls, we offer a variety of communities to bring students together who have similar interests. Programming is designed around student interests and often has a component tied to a SJSU academic department. Students who live on campus have the opportunity to get involved in social gatherings, cultural events, intramural sports, community service, and a wide range of other campus activities.

The Freshman Housing Requirement Priority Application deadline is **Friday, May 1, 2015**. To apply for University Housing visit housing.sjsu.edu to download a housing application and submit the following:

1. A completed online University Housing application
2. A $50 non-refundable application fee
3. A $600 initial payment

Room/Apartment Assignment

The online housing application is available as early as **Wednesday, October 1, 2014**. We encourage you to complete the application and submit payments as soon as possible. If you are a freshman required to live on campus, you must complete your online application (electronically signed license agreement and $50 application fee) and submit the $600 initial payment by **Wednesday, April 1, 2015** to be included in the first round of housing assignments. You may also complete your online housing application and submit payments any time after this date as long as space remains available. Your room/apartment assignment will be made on a first-paid, first-served basis after April 1.

Freshman Housing Requirement

Freshmen who graduate from a high school located in a city outside a 30-mile radius of campus are required to live on campus their first year. Appeals for exceptions to the housing requirement will be reviewed after admission. The sooner you submit your completed license agreement and initial payment, the greater your chance of receiving your hall preference. Residence in University Housing or the International House (I-House) satisfies the freshman on-campus housing requirement.

Residence at International House meets the freshman housing requirement. Students interested in living in the I-House must send a separate application directly to the I-House. Applications are available at sjsu.edu/ihouse

International House

The International House (I-House) is a co-ed residence for 70 U.S. and international students attending San José State. SJSU I-House is located two blocks from campus and is a large comfortable home featuring friendly interaction among students of many cultures. Residents represent approximately 30 countries. In general, residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. As much as possible, roommates are matched according to compatible interests and personal habits. After the first semester at the International House, residents have the opportunity to choose a roommate and designate a preferred room.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. All furniture, utilities, TV, internet access and computer equipment, as well as use of a fully equipped kitchen, are included. Apply directly to the I-House. There is no application fee.

More detailed information about fees can be found at sjsu.edu/bursar

**Fees Are Subject to Change**

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.
